Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The charity's objects are To advance in life and help young people in Africa through supporting projects in Africa that: (a) develop young people's skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals; making them more employable and increase their standard of living in the future. (b) advance education through sponsorship, free education, after-school classes, training programs and the offering of resources to ill-equipped schools. (c) Relieve poverty or financial hardship in Africa by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	All our charitable activity for this financial year has focused on the provision of education and support for some of the poorest most disadvantaged families in the Moshono community in Northern Tanzania. We continue to sponsor the education of 83 children in Tanzania, children who would otherwise not be in school, let alone receiving a good quality education. We provide the funds to cover their school fees, uniforms, shoes, sportswear, a school bag and stationery. We also ensure the school fees paid include two meals a day for all the children. As at October 2024 we have 14 children at Primary School and 46 in secondary school. 11 in Yr 5 and 2 in Yr 6 , 3 on vocational courses,

		and 7 have completed their sponsorship through Rise Africa. For secondary education we continue to use a boarding school option, the Renea School, which has one for boys and one for girls and they are boarding schools. This ensures the children are able to really focus on their education and maximise the opportunity we are offering them. Penina visits the school on a regular and we remain extremely impressed by the school and all it does for the children. The children love Renea and all say they prefer school to home !! All the students receive full payment for their school fees, which we pay directly to the schools, we then provide all the children with new shoes, bags and stationery twice a year. We provide all the secondary school students with boarding school needs, textbooks, dictionaries and calculators. Renea School now has the 40 computers and the dedicated computer studies classroom for the use of the boys and the girls. We also aim to provide those students that go to university with a laptop computer. We have continued to provide families with food essentials twice a year, once in June and once in December, these food parcels usually contain rice, maize flour, cooking oil, salt and soap. The Girl Project - We continue to help all 45 Rise Africa girls with sanitary pads and new underwear throughout the year.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We have supported the education and development of 76 children in 2023/4, 60 in private schools, 13 in Government Yr 5 and 6 and on 3 vocational courses. 7 have now completed their sponsorship. We expect our first students in University in 2024/25. In addition to school fees, children receive uniform, stationary, school bags, shoes, sports kit and 2 or 3 meals a day at school. The Feeding Program has continued to be essential in helping children and their families during the school holidays. The families remain in need of our help and for some it's become an issue as to where they are going to live and we are reviewing how we might be able to help. We were again able to donate food on 2 separate occasions during the year as it remains a real struggle to earn money to feed themselves during the holiday periods. Each food parcel costs circa £25 The Girl Project - Young girls who do not have money to buy sanitary pads often use old cloth or anything they can find, but these methods are unhygienic and often lead to infections. We have therefore helped these girls with sanitary pads throughout the year costing £560 a year. Through this project we have also supplied all the girls with new underwear, costing a total of £350 for all 45 girls. School fees have increased to £750 a year for secondary students and around £600 for primary students. Most sponsors have increased their donations to cover this increase. And the strengthen pound has assisted limiting the need for additional sponsorship.

Achievements against objectives set	Para 1.41	We raised the required funds as an extra appeal to fund the setting up of a computer centre at Renea Schools
Performance of fundraising activities against objectives set	Para 1.41	Rise Africa remains well funded with a cash reserve of at least 12 months costs to enable us to continue to support the education and support for the children should we lose sponsors. During the year we lost one sponsor but replaced them with a new sponsor and have a few possible future sponsors in the background should we need them.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	On 31 October 2023, the balance on the bank was £54,622 a decrease of £5255 in the year. This was due to the computer project funds being included at the year end 2022/23. However there is an outstanding gift aid claim and with this included for the year 2023/24 Rise Africa had a surplus of £3439.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	All of this has been allocated to pay for the year 2024/245 school fees, stationary, uniforms etc. The schools have increased the school fees for 2024/25 and most of our sponsors have increased their contributions. However, with the improved exchange rates the impact of the fee increases has been minimal. We will use extra funds to cover the rise in costs and the additional rise in the costs of all the school supplies we provide. Further donations throughout the year will be used to support community projects. The charity is also run on the basis that we keep 12 months of costs in the bank to ensure we have time to react should circumstances or our fund-raising change significantly.
Amount of reserves held	Para 1.22	We hold £50,000 in reserve such that we can always fund a full 12 months forward should we receive no additional funds.
Reasons for holding zero reserves	Para 1.22	
Details of fund materially in deficit	Para 1.24	
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23

Investment policy and objectives including any	Para 1.46	We currently don't have any money invested.

social investment policy adopted		
A description of the principal risks facing the charity	Para 1.46	At this moment in time the only real risk to the charity is the loss of sponsors however we have lost very few over the 12 years and we are aware of other potential sponsors should a child become available. We also hold reserve funds to ensure we have time to cover any shortfall in sponsorships.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/10/2024.

Responsibilities and
basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The charity's objects are To advance in life and help young people in Africa through supporting projects in Africa that: (a) develop young people's skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals; making them more employable and increase their standard of living in the future. (b) advance education through sponsorship, free education, after-school classes, training programs and the offering of resources to ill-equipped schools. (c) Relieve poverty or financial hardship in Africa by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	All our charitable activity for this financial year has focused on the provision of education and support for some of the poorest most disadvantaged families in the Moshono community in Northern Tanzania. We continue to sponsor the education of 83 children in Tanzania, children who would otherwise not be in school, let alone receiving a good quality education. We provide the funds to cover their school fees, uniforms, shoes, sportswear, a school bag and stationery. We also ensure the school fees paid include two meals a day for all the children. Since January 2023 we now have 26 children at Primary School and 48 in

		secondary school. Nine others have completed secondary, one is at pre university college, one is at mechanics college, and 7 are now working. For secondary education we continue to use a boarding school option, the Renea School, which has one of boys and one for girls and they are boarding schools. This ensures the children are able to really focus on their education and maximise the opportunity we are offering them. We visited the school in January 2023 and were extremely impressed by the school and all it does for the children. All the students receive full payment for their school fees, which we pay directly to the schools, we then provide all the children with new shoes, bags and stationery twice a year. We provide all the secondary school students with boarding school needs, textbooks, dictionaries and calculators. This year we had a major project to equip Renea School with computers for the children to further enhance their education. We made an appeal to our supporters and raised the required funds to buy 40 computers a projector and a screen for the school to set up a single computer study centre, We have continued to provide families with food essentials twice a year, once in June and once in December, these food parcels usually contain rice, maize flour, cooking oil, salt and soap. The Girl Project - We continue to help all 45 Rise Africa girls with sanitary pads and new underwear throughout the year.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We have supported the education and development of 83 children, 74 in private schools and on 1 vocational course 1 in college aiming for university. 7 are now working During the next year we expect to see our first students starting university. In addition to school fees, children receive uniform, stationary, school bags, shoes, sports kit and 2 meals a day at school. The Feeding Program has continued to be essential in helping children and their families get through the coronavirus pandemic, with opportunities to earn income completely drying up and schools closing temporarily resulting in the children missing out on the 2 meals a day provided at school. The families remain in desperate need of our help and for some it's become a critical issue. We were again able to donate food on 3 separate occasions during the year. We have also continued to provide food support to some of the most disadvantaged families as it remains a real struggle to earn money to feed themselves. Each food parcel costs circa £25 The Girl Project - Young girls who do not have money to buy sanitary pads often use old cloth or anything they can find, but these methods are unhygienic and often lead to infections. We have therefore helped these girls with sanitary pads throughout the year costing £540 a year. Through this project we have also supplied all the girls with new

		underwear, costing a total of £315 for all 45 girls. School fees have increased to £750 a year for secondary students and around £600 for primary students. Most sponsors have increased their donations to cover this increase.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	On 31 October 2023, the balance on the bank was £ 59,876.99
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	All of this has been allocated to pay for the year 2023/24 school fees, stationary, uniforms etc. The schools have increased the school fees for 2023/24 and most of our sponsors have increased their contributions. We will use extra funds to cover the rise in costs and the additional rise in the costs of all the school supplies we provide. Further donations throughout the year will be used to support community projects. The charity is also run on the basis that we keep 12 months of costs in the bank to ensure we have time to react should circumstances or our fund raising changes significantly.

The charity's principal sources of funds (including any fundraising)	Para 1.47	Money raised from Trust Donations, Child Sponsorships, donations via our Just Giving Page, Meals for Wheels fundraising group and fund raising events e.g. a cricket match. We also run specific fund raising campaigns to fund specific projects – e.g. the computer project.
Investment policy and objectives including any social investment policy adopted	Para 1.46	We currently don't have any money invested but we will be reviewing this due to the balance we now have in reserve. Any investment will be in savings accounts with no risk.
A description of the principal risks facing the charity	Para 1.46	At this moment in time the only real risk to the charity is the loss of sponsors however we have lost very few over the 12 years and are aware of other potential sponsor should a child become available. We also hold reserve funds to ensure we have time to cover any shortfall in sponsorships.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31st October 2023

Responsibilities and
basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The charity's objects are To advance in life and help young people in Africa through supporting projects in Africa that: (a) develop young people's skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals; making them more employable and increase their standard of living in the future. (b) advance education through sponsorship, free education, after-school classes, training programs and the offering of resources to ill-equipped schools. (c) Relieve poverty or financial hardship in Africa by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	All our charitable activity for this financial year has focused on the provision of education and support for some of the poorest most disadvantaged families in the Moshono community in Northern Tanzania. We continue to sponsor the education of 83 children in Tanzania, children who would otherwise not be in school, let alone receiving a good quality education. We provide the funds to cover their school fees, uniforms, shoes, sportswear, a school bag and stationery throughout the year. We also ensure the school fees paid include two meals a day for all the children.

		Since January 2022 we now have 42 children at Primary School and 34 in secondary school. Seven others have completed secondary, one is at university, two are in mechanics college, three are working and one studying tourism at college. For secondary education we have selected Renea Boys and Renea Girls Schools. There are hostels attached to the school so the children also sleep at school, effectively making it a boarding school (though these are not the same standard as in the UK). Giving the children the chance to sleep at school, ensures the children are able to focus on their education and maximise the opportunity we are offering them. All the students receive full payment for their school fees, which we pay directly to the schools, we then provide all the children with new shoes, bags and and stationary twice a year. We then also provide all the secondary school students with boarding school needs, textbooks, dictionaries and calculators. This year we provided all 83 children with rainboots and raincoats to help the children get to school without ruining their uniforms and school shoes. We have continued to provide families with food essentials twice a year, once in June and once in December, these food parcels contain rice, maize flour, cooking oil, salt and soap. The Girl Project - We continue to help all 45 girls with sanitary pads and new underwear throughout the year. These are given to ensure hygiene and boost confidence in the girls.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We have supported the education of 83 children, 75 in private schools and 8 in local government schools. In addition to school fees, children receive uniform, stationary, school bags, shoes, sports kit and 2 meals a day at school. The Feeding Program has continued to be essential in helping children and their families get through the coronavirus pandemic, with opportunities to earn income completely drying up and schools closing temporarily resulting in the children missing out on the 2 meals a day provided at school. The families remain in desperate need of our help and for some its become a critical issue. We were again able to donate food on 3 separate occasions during the year. We have also continued to provide food support to some of the most disadvantaged families as it remains a real struggle to earn money to feed themselves. Each food parcel costs circa £25 The Girl Project - Young girls who do not have money to buy sanitary pads often use old cloth or anything they can find, but these methods are unhygienic and often lead to infections. We have therefore helped these girls with sanitary pads throughout the year costing £540 a year. Through this project we have also supplied all the girls with new underwear, costing a total of £315 for all 45 girls. School fees are currently £670 a year for secondary students and around £550 for primary students.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	On 31 October 2022, the balance on the bank was £ 58,120.14
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	All of this has been allocated to pay for the year 2022/23 school fees, stationary, uniforms etc. The schools are currently talking about increasing the school fees for 2023 by 20% so we will need extra funds to cover all the rise in costs and the additional rise in costs of all the school supplies we provide. Further donations throughout the year will be used to support community projects. The charity is also run on the basis that we keep 12 months of costs in the bank to ensure we have time to react should circumstances or our fund raising changes significantly.

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 / 10 / 2022 YY.

Responsibilities and
basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The charity's objects are To advance in life and help young people in Africa through supporting projects in Africa that: (a) develop young people's skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals; making them more employable and increase their standard of living in the future. (b) advance education through sponsorship, free education, after-school classes, training programs and the offering of resources to ill-equipped schools. (c) Relieve poverty or financial hardship in Africa by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Rise Africa is now 10 years old and we are so proud of what we have achieved since the beginning. All our charitable activity for this financial year has focused on the provision of education and support for some of the poorest most disadvantaged families in the Moshono community in Northern Tanzania. We continue to sponsor the education of 81 children in Tanzania, children who would otherwise not be in school, let alone receiving a good quality education. We provide the funds to cover their school fees, uniforms, shoes, sportswear, a school bag and stationary. We also ensure the school

		fees paid include two meals a day for all the children. At the end of 2021 our first 7 children will complete education which is really exciting We now have 42 at Primary School and 33 in secondary school. For secondary education we have selected the Renea School which has one of boys and one for girls and they are boarding schools. This ensures the children are able to really focus on their education and maximise the opportunity we are offering them. In addition to education, we have supported families a lot this year due to the damage covid has created to the poorest. We have supported a number of community projects including: The Feeding Program – this year we have provided food parcels three times including in the holidays and we continue to support the most needing families with food packages. The Goat Project – during this year we provided a further 3 families with a goat and goat house which brings us to 31 families who have benefitted from the goat project so far. The Girl Project - We have committed to helping all the Rise Africa girls who have started their period by providing them with two packets of sanitary pads per month, we are now helping 35 girls through this program. Meals for Wheels - In September 2021, the Meals for Wheels group bought 14 bicycles to complete the project with all appropriate children now having bicycles. In total 80 bicycles have been provided to the children
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We have supported the education of 81 children, 74 in private schools and 7 in local government schools. In addition to school fees, children receive uniform, stationary, school bags, shoes, sports kit and 2 meals a day at school. 7 children will have completed their school education by the end of 2021. The Feeding Program has continued to be essential in helping children and their families get through the coronavirus pandemic, with opportunities to earn income completely drying up and schools closing temporarily resulting in the children missing out on the 2 meals a day provided at school. The families remain in desperate need of our help and for some its become a critical issue. We were again able to donate food on 3 separate occasions during the year. We have also continued to provide food support to some of the most disadvantaged families as it remains a real struggle to earn money to feed themselves. Each food parcel costs circa £25 The Goat Project continues to provide poor, struggling families with a milking goat, from which they can earn a small income to help support their children. Each goat & goat house costs £230, with 3 added this year all families who can take advantage of this now have a Goat. The Meals for Wheels fund raising group provides each child with a bicycle, helmet, pad lock and knee pads, helping them get to school, instead of walking very far or

		struggling to pay for transport. The bicycles also provide enjoyment for children who have not grown up with lots of toys. Each bike & kit costs £130. In September 2021 following extra funds from the cricket event we completed the bicycle project with all 80 children who needed or wanted a bicycle having received one. The Girl Project - Young girls who do not have money to buy sanitary pads often use old cloth or anything they can find, but these methods are unhygienic and often lead to infections. We have therefore helped these girls with two packets of sanitary pads per month, costing £2 per month, £24 a year per girl. 35 girls = £70 a month / £840 a year.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **31 / 10 / 2021**.

**Responsibilities and
basis of report**

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

CHARITY COMMISSION
FOR ENGLAND AND WALES

Trustees' Annual Report for the period

From 01.11.2019 Period start date To 31.10.2020 Period end date

Charity name: Rise Africa UK

Charity registration number: 1148744

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The charity's objects are To advance in life and help young people in Africa through supporting projects in Africa that: (a) develop young people's skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals; making them more employable and increase their standard of living in the future. (b) advance education through sponsorship, free education, after-school classes, training programs and the offering of resources to ill-equipped schools. (c) Relieve poverty or financial hardship in Africa by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	All our charitable activity for this financial year has focused on the provision of education and support for some of the poorest families in the Moshono community in Northern Tanzania. We continue to sponsor the education of 81 children in Tanzania, children who would otherwise not be in school, let alone receiving a good quality education. We provide the funds to cover their school fees, uniforms, shoes, sportswear, a school bag and stationary. We also ensure the school fees paid include two meals a day for all the children. In addition to education we have supported families a lot this year due to the damage

		covid has created to the poorest. We have supported a number of community projects including: The Feeding Program - we provided all families with 3 months worth of food packages to help them through the worst of the coronavirus pandemic in Tanzania. The Goat Project - In July we supported the project with 11 milking goats and 9 goat houses to families in need, so they can earn an income through the sale of goat's milk. The Girl Project - We have committed to helping all the Rise Africa girls who have started their period by providing them with two packets of sanitary pads per month, currently helping 30 girls through this program. Meals for Wheels - In March 2020, the Meals for Wheels group bought 16 bicycles for all the year 5 children at Bright Futures.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We have supported the education of 81 children, 74 in private schools and 7 in local government schools. In addition to school fees, children receive uniform, stationary, school bags, shoes, sports kit and 2 meals a day at school. The Feeding Program has been essential in helping children and their families get through the coronavirus pandemic, with opportunities to earn income completely drying up and schools closing temporarily and therefore children missing out on the 2 meals a day provided at school, the families were in desperate need of our help. We were able to donate 3 months of food whilst the schools were shut, we also continue to support this project as and when we can as families still struggle to earn money to feed themselves. Each food parcel costs between £25 for 81 children = £2025 . The Goat Project provides poor, struggling families with a milking goat, from which they can earn a small income to help support their children. Each goat & goat house costs £230. The Meals for Wheels provides each child with a bicycle, helmet, pad lock and knee pads, helping them get to school, instead of walking very far or struggling to pay for transport. The bicycles also provide enjoyment for children who have not grown up with lots of toys. Each bike & kit costs £130. The Girl Project - Young girls who do not have money to buy sanitary pads often use old cloth or anything they can find, but these methods are unhygienic and often lead to infections. We have therefore helped these girls with two packets of sanitary pads per month, costing £2 per month, £24 a year per girl. 30 girls = £60 a month / £720 a year.

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31 / 10 / 2020

Responsibilities and
basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
