Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The charity's objects are</p> <p>To advance in life and help young people in Africa through supporting projects in Africa that:</p> <p>(a) develop young people's skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals; making them more employable and increase their standard of living in the future.</p> <p>(b) advance education through sponsorship, free education, after-school classes, training programs and the offering of resources to ill-equipped schools.</p> <p>(c) Relieve poverty or financial hardship in Africa by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Rise Africa is now 10 years old and we are so proud of what we have achieved since the beginning.</p> <p>All our charitable activity for this financial year has focused on the provision of education and support for some of the poorest most disadvantaged families in the Moshono community in Northern Tanzania.</p> <p>We continue to sponsor the education of 81 children in Tanzania, children who would otherwise not be in school, let alone receiving a good quality education. We provide the funds to cover their school fees, uniforms, shoes, sportswear, a school bag and stationary. We also ensure the school</p>

		<p>fees paid include two meals a day for all the children.</p> <p>At the end of 2021 our first 7 children will complete education which is really exciting We now have 42 at Primary School and 33 in secondary school.</p> <p>For secondary education we have selected the Renea School which has one of boys and one for girls and they are boarding schools. This ensures the children are able to really focus on their education and maximise the opportunity we are offering them.</p> <p>In addition to education, we have supported families a lot this year due to the damage covid has created to the poorest. We have supported a number of community projects including:</p> <p>The Feeding Program – this year we have provided food parcels three times including in the holidays and we continue to support the most needing families with food packages.</p> <p>The Goat Project – during this year we provided a further 3 families with a goat and goat house which brings us to 31 families who have benefitted from the goat project so far.</p> <p>The Girl Project - We have committed to helping all the Rise Africa girls who have started their period by providing them with two packets of sanitary pads per month, we are now helping 35 girls through this program.</p> <p>Meals for Wheels - In September 2021, the Meals for Wheels group bought 14 bicycles to complete the project with all appropriate children now having bicycles. In total 80 bicycles have been provided to the children</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>We have supported the education of 81 children, 74 in private schools and 7 in local government schools. In addition to school fees, children receive uniform, stationary, school bags, shoes, sports kit and 2 meals a day at school. 7 children will have completed their school education by the end of 2021.</p> <p>The Feeding Program has continued to be essential in helping children and their families get through the coronavirus pandemic, with opportunities to earn income completely drying up and schools closing temporarily resulting in the children missing out on the 2 meals a day provided at school. The families remain in desperate need of our help and for some its become a critical issue. We were again able to donate food on 3 separate occasions during the year. We have also continued to provide food support to some of the most disadvantaged families as it remains a real struggle to earn money to feed themselves. Each food parcel costs circa £25</p> <p>The Goat Project continues to provide poor, struggling families with a milking goat, from which they can earn a small income to help support their children. Each goat & goat house costs £230, with 3 added this year all families who can take advantage of this now have a Goat.</p> <p>The Meals for Wheels fund raising group provides each child with a bicycle, helmet, pad lock and knee pads, helping them get to school, instead of walking very far or</p>

		<p>struggling to pay for transport. The bicycles also provide enjoyment for children who have not grown up with lots of toys. Each bike & kit costs £130. In September 2021 following extra funds from the cricket event we completed the bicycle project with all 80 children who needed or wanted a bicycle having received one.</p> <p>The Girl Project - Young girls who do not have money to buy sanitary pads often use old cloth or anything they can find, but these methods are unhygienic and often lead to infections. We have therefore helped these girls with two packets of sanitary pads per month, costing £2 per month, £24 a year per girl. 35 girls = £70 a month / £840 a year.</p>
