Charity name: Rise Africa UK

Charity registration number: 1148744

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The charity's objects are</p> <p>To advance in life and help young people in Africa through supporting projects in Africa that:</p> <p>(a) develop young people's skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals; making them more employable and increase their standard of living in the future.</p> <p>(b) advance education through sponsorship, free education, after-school classes, training programs and the offering of resources to ill-equipped schools.</p> <p>(c) Relieve poverty or financial hardship in Africa by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>All our charitable activity for this financial year has focused on the provision of education and support for some of the poorest most disadvantaged families in the Moshono community in Northern Tanzania.</p> <p>We continue to sponsor the education of 83 children in Tanzania, children who would otherwise not be in school, let alone receiving a good quality education. We provide the funds to cover their school fees, uniforms, shoes, sportswear, a school bag and stationery throughout the year. We also ensure the school fees paid include two meals a day for all the children.</p>

		<p>Since January 2022 we now have 42 children at Primary School and 34 in secondary school. Seven others have completed secondary, one is at university, two are in mechanics college, three are working and one studying tourism at college.</p> <p>For secondary education we have selected Renea Boys and Renea Girls Schools. There are hostels attached to the school so the children also sleep at school, effectively making it a boarding school (though these are not the same standard as in the UK). Giving the children the chance to sleep at school, ensures the children are able to focus on their education and maximise the opportunity we are offering them.</p> <p>All the students receive full payment for their school fees, which we pay directly to the schools, we then provide all the children with new shoes, bags and and stationary twice a year. We then also provide all the secondary school students with boarding school needs, textbooks, dictionaries and calculators.</p> <p>This year we provided all 83 children with rainboots and raincoats to help the children get to school without ruining their uniforms and school shoes.</p> <p>We have continued to provide families with food essentials twice a year, once in June and once in December, these food parcels contain rice, maize flour, cooking oil, salt and soap.</p> <p>The Girl Project - We continue to help all 45 girls with sanitary pads and new underwear throughout the year. These are given to ensure hygiene and boost confidence in the girls.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>We have supported the education of 83 children, 75 in private schools and 8 in local government schools. In addition to school fees, children receive uniform, stationary, school bags, shoes, sports kit and 2 meals a day at school.</p> <p>The Feeding Program has continued to be essential in helping children and their families get through the coronavirus pandemic, with opportunities to earn income completely drying up and schools closing temporarily resulting in the children missing out on the 2 meals a day provided at school. The families remain in desperate need of our help and for some its become a critical issue. We were again able to donate food on 3 separate occasions during the year. We have also continued to provide food support to some of the most disadvantaged families as it remains a real struggle to earn money to feed themselves. Each food parcel costs circa £25</p> <p>The Girl Project - Young girls who do not have money to buy sanitary pads often use old cloth or anything they can find, but these methods are unhygienic and often lead to infections. We have therefore helped these girls with sanitary pads throughout the year costing £540 a year. Through this project we have also supplied all the girls with new underwear, costing a total of £315 for all 45 girls.</p> <p>School fees are currently £670 a year for secondary students and around £550 for primary students.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	On 31 October 2022, the balance on the bank was £ 58,120.14
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	All of this has been allocated to pay for the year 2022/23 school fees, stationary, uniforms etc. The schools are currently talking about increasing the school fees for 2023 by 20% so we will need extra funds to cover all the rise in costs and the additional rise in costs of all the school supplies we provide. Further donations throughout the year will be used to support community projects. The charity is also run on the basis that we keep 12 months of costs in the bank to ensure we have time to react should circumstances or our fund raising changes significantly.
