TEACH FOR ALL NETWORK

R E P O R T O F T H E T R U S T E E S

Year ended 30 September 2025

The Trustees present their report and financial statements for the year ended 30 September 2025, which includes the directors' report as required by company law. The financial statements have been prepared in accordance with the accounting policies set out on page 12 and with the Companies Act 2006 and the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

Teach For All Network is a company limited by guarantee and became a registered charity on 30 August 2012.

Structure, governance and management

The names of the directors who served throughout the year are stated on page 2. The directors of the company are also charity Trustees for the purposes of Charity law.

Teach for All Network is governed by a board of Trustees who meet annually to discuss the charity's strategy, including grant making, risk management, policies and performance. However, if it is determined that an annual meeting is insufficient additional meetings will be scheduled. The board currently consists of the Trustees listed on page 2. New members of this board will be selected and appointed by existing Trustees. New Trustees are provided with guidance as to their responsibilities from existing Trustees and management.

Teach for All Network is governed by Memorandum and Articles of Association dated 16 March 2011. Application of income of the charity is limited to the promotion of its objects. Decisions are made by simple majority of votes cast at a meeting of the Trustees.

Objectives and activities for the public benefit

The charity's main object is the advancement of education for the public benefit, and such other charitable, philanthropic and benevolent purposes in the field of education as the directors shall decide.

Teach For All Network works to accelerate the progress of independent locally led and governed partner organisations within the overall Teach For All global network, and particularly in Europe. Each network partner recruits and develops promising future leaders to teach in their nations' high-need schools and communities and, with this foundation, to work with others, inside and outside of education, to ensure all children are able to fulfill their potential. Teach For All Network works to accelerate the network's progress and increase its impact by providing partners with direct support, facilitating connections among them, accessing global resources for the benefit of the network, and fostering the leadership development of partner staff, teachers, and alumni.

Achievements and performance

During the period, the Teach For All global network worked with more than 63 partners. Teach For All Network helped these partners achieve a measurable increase in average scale of their programs, as well as an increase in the effectiveness of their teachers and programme alumni as measured by survey data. During this time, network partners also provided high ratings regarding their assessment of the quality of support from Teach For All Network.

Public benefit

The Trustees, having regard to the Public Benefit Guidance published by the Charity Commission in accordance with section 17 of The Charities Act 2011, consider that the purpose and activities of Teach for All Network satisfy the requirements of the public benefit test set out in section 4 of the same Act.

Financial review and reserves policy

The accounts and notes to the financial statements are set out on pages 9 to 17. The charity's costs are recharged to its parent entity and therefore has no need to maintain reserves at a particular level in order to ensure its continued operation. Unrestricted reserves at 30 September 2025 were in a surplus of £482,986 (2024 - £159,366). In addition to this, the charity had £120,001 (2024 - £145,999) of restricted funds to be passed on to education network partners by way of funding grants and expenditure on network partner support.

Grant making policy

Teach for All Network seeks projects to fund and does not accept unsolicited applications for grants.

TEACH FOR ALL NETWORK

R E P O R T O F T H E T R U S T E E S (C O N T I N U E D)

Year ended 30 September 2025

Future developments

The Trustees will continue with the primary objective of advancement of education for the public benefit in the UK and worldwide. Teach For All Network is part of the Teach For All network, and endeavours to build the capacity of network partners in their effectiveness to address education inequality in the UK and worldwide. The network currently has 63 partner organisations worldwide and in the future it has the plan to grow by adding approximately 4 organisations around the world each year.

In the short term, Teach For All Network aspires to foster an environment conducive to the growth of the network and its partners, increase the capacity and impact of partners, and build a diverse and thriving organisation and network. Over the longer term, Teach For All Network aspires to several intended outcomes, including: developing a significant number of extraordinary leaders who teach successfully in high-need communities in Europe and beyond and continue working to ensure all children have the opportunity to fulfil their potential; building an interconnected global community of students, teachers, alumni, staff and allies who are learning from and supporting each other; providing an engine of innovation and learning, sharing expertise from within and beyond the network on creating transformational progress in classrooms and communities; and developing into an influential voice in the global discussion.

Risk management

Given Teach For All Network's relationship to Teach For All, Inc. in the US, risk management primarily takes place at the Teach For All, Inc. level. Each risk is assigned to a committee of the Teach For All, Inc Board and to a member of senior management to develop and monitor mitigation strategies. Additionally, Teach For All Network has taken out appropriate insurance policies, including Employers Liability, Public/Product Liability, and Management Liability policies. Examples of such risk include the inability to raise sufficient funds, attract and retain talent, maintain the safety and security of travelling staff, and avoid negative publicity.

Trustees' responsibilities in relation to the financial statements

The Trustees (who are also directors of Teach For All Network ("the charitable company") for the purposes of company law) are responsible for preparing the Trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Special Provisions

This report is prepared in accordance with the provisions applicable to companies subject to the small companies regime in Part 15 of the Companies Act 2006.

TEACH FOR ALL NETWORK

R E P O R T O F T H E T R U S T E E S (C O N T I N U E D)

Year ended 30 September 2025

Accounts

The accounts set out on pages 9 to 17 have been drawn up in accordance with the relevant provisions of the Companies Act 2006, and with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Auditors

So far as each Trustee is aware, there is no relevant audit information of which the charitable company's auditors are unaware.

Each Trustee has taken all reasonable steps that they ought to have taken as a Trustee in order to make himself or herself aware of any relevant audit information and to establish that the charitable company's auditors are aware of that information.

On behalf of the board

A handwritten signature in dark ink, reading "Julia Cleverdon". The signature is written in a cursive, flowing style.

TEACH FOR ALL NETWORK

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TEACH FOR ALL NETWORK

Year ended 30 September 2025

Opinion

We have audited the financial statements of Teach For All Network (the "charitable company") for the year ended 30 September 2025 which comprise the statement of financial activities, balance sheet, statement of cash flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 30 September 2025 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

TEACH FOR ALL NETWORK

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TEACH FOR ALL NETWORK (CONTINUED)

Year ended 30 September 2025

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the Trustees report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Trustees' responsibilities statement set out on page 4, the Trustees (who are also directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

TEACH FOR ALL NETWORK

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TEACH FOR ALL NETWORK (CONTINUED)

Year ended 30 September 2025

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We gained an understanding of the legal and regulatory framework applicable to the charitable company by considering, amongst other things, the sector, jurisdictions in which it operates, and considered the risk of acts by the charitable company that were contrary to applicable laws and regulations, including fraud. We designed audit procedures to respond to the assessed level of risk, but recognised that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

We focused on laws and regulations which could give rise to a material misstatement in the financial statements, including, but not limited to, UK Company Law, UK tax legislation and UK Charity Law.

Our tests included agreeing the financial statement disclosures to underlying supporting documentation, enquiries with management and enquiries of third party tax advisers.

As in all our audits, we also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by management that represented a risk of material misstatement due to fraud.

There are inherent limitations in the audit procedures described above and, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. We did not identify any key audit matters relating to irregularities, including fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charitable company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charitable company's Trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's Trustees as a body, for our audit work, for this report, or for the opinions we have formed.

1. Accounting policies

Basis of preparation

The accounts are prepared on a historical cost basis, in accordance with the Statement of Recommended Practice applicable for charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) – Charities SORP (FRS 102), the Financial Reporting Standards applicable to the UK and Republic of Ireland (FRS 102), the Companies Act 2006 and the Charities Act 2011.

The Teach For All Network meets the definition of a public benefit entity under FRS 102.

Preparation of the accounts on a going concern basis

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. As a result, the accounts have been prepared on a going concern basis.

The financial statements are presented in Sterling, being the functional currency of the charity, and are rounded to the nearest £.

Incoming resources and resources expended

Donations receivable are recognised once the charity has entitlement to the donations, it is probable that the donations will be received and the monetary value of the donations can be measured with sufficient reliability.

Donations and grants payable are included in the Statement of Financial Activities when approved by the Trustees and agreed with the donee.

All other income and expenditure is recognised on an accruals basis.

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors

Creditors are recognised where the charity has a present obligation resulting from past events that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Restricted funds are donations which the donor has specified are to be solely used for a particular area of the charity's work.

Foreign currency transactions

Monetary assets and liabilities denominated in foreign currencies are translated into Sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate of exchange ruling at the date of the transaction. Exchange differences arising on transactions in the year are taken to the Statement of Financial Activities.
