Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Furthering the Objectives The charity requires that all bona fide members must be born again Christians, who publicly and openly profess to have consciously and willingly accepted Jesus Christ as Lord and Saviour of their lives. The charity shall be maintained and operated by means of contributions from members, private individuals, organisations or associations who share the objectives and aspirations of the charity and from revenues derived from its assets or business. All donations and contributions are non-refundable and shall be disbursed as the trustees see fit. A member may be dismissed or excluded at any time if it is in the interest of the charity. On the dismissal or exclusion of a member, the latter cannot make claims to any of the charity's assets, possessions or funds no matter the extent or amount of donations and contributions ever made to the charity. The charity requires that all members believe that all activities of their lives must be guided and directed aright by the Word of God, which is the Bible. Every member of the charity shall be free to leave the charity at any time. All leaders of any kind or occupying whatsoever position shall have a higher requirement and responsibility and must fulfil the following five (5) rules for leadership within the charity. They must:- - be unambiguous bona fide born again Christians; - be filled with the Holy Ghost and speak in Tongues; - demonstrate a character above reproach, - believe in and adhere to the Founding Ideals, via the Vision, Doctrines, Principles, Philosophy, Practices, Standards, and Spirit of the Ministry of the charity, and - have unflinching loyalty to the charity. The charity aims to achieve its objective of preaching the Word of God through regular Sunday church meetings as well as one-mid-week service. There are also special one-off programmes such as conventions where visiting ministers are invited to preach and minister the Word of God. Members are also trained to live morally upright lives and be good examples in the communities in which they live. The charity serves to provide a means through which people can seek God and lead lives based on sound Christian doctrine. The main church has a choir that spreads the Gospel

		of Jesus Christ through Gospel concerts and singing during regular Church services Thanks be to God for the year 2024 / 25. It's was quite a productive year in the House of God. By His grace we maintained our fellowship times and have moved more to online services. It's was a year full of activities. Apart from regular outreach duties where every department in our church was encouraged to reach out to a lost soul. We also had numerous community programmes and the feeding of the poor and homeless. This year our monthly woman mentoring clinic was opened as usual to the needy and this very ministry partners with St. Leonards Church where the homeless are feed locally. We also made substantial amount of money as contribution to the Shutter in Basildon and Special Needs And Parents (SNAP) in Brentwood There were other volunteering exercises within our local community where some ladies cooked in turns for the homeless. All in all we thank the Lord God for making all these and many more possible. To His Glory. Worship and Prayer The church normally hosts one worship on a Sunday morning at 10.00 am. Occasionally on special occasions, two services are held, one in the morning and another late afternoon to cater for the increase in worshippers. A weekly class meeting or Bible Study is held on a Wednesday evening, and a bible school is held on Tuesday night where participants can gain a certificate in bible studies. On alternate Saturdays, free music school is provided for the youth, where different training in musical instruments playing are given. During school holidays and half term, trips are planned for the youth. This helps the deprived youth, who would not go anywhere exciting during such times the opportunity to do so. The venues are planned by the youth through meetings arranged for them. The regular congregations are a mixture of age groups, nationalities and backgrounds and everyone who comes through the doors is afforded a friendly welcome. Service books, hymn books and new Bibles are provided as well as printed sheets when appropriate. Audio visual projection is also used and all appropriate copyright licences are held. Average attendance is 45 with many housebound or infirm and others not attending regularly because of work or family commitments. A tape and video recording of each service is made available for the housebound. The Church Premises The Church premises are extensively used by
--	--	---

		the local community as well as by Church members. The main halls at both sites are available at weekends for children's birthday parties. We have been running a food bank for the community since August 2012. This has been very successfully staffed by volunteers from among the church membership as well as non members. It is open daily on request to enable member to pray. Cleaning of the church is carried out by volunteers but Maintenance of the premises is always an ongoing expense. Outreach Weekly evangelism is every Saturday. We also hold praise night from time to time as a way of Outreach Mission The Church supports Mission in Britain as well as Mission in the Wider World. These funds are well supported by the members of the church as well as other charities Various other charities are supported annually both local and worldwide e.g. Orphanage in Ghana, Thailand other community causes. Over £7,000 was distributed to other charities during the year.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.
