### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

**Year ended 31 March 2024**

#### **Structure, governance and management**

##### **Governing document**

The organisation is a charitable company limited by guarantee, incorporated on 17 February 2012 and registered as a charity on 10 September 2012. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed by its Articles of Association. The subscribers to the memorandum, who are also the trustees of the charitable company, are the first members of the charity. Membership is open to other individuals or organisations who apply in the form required by the trustees. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

##### **Recruitment and appointment of trustees**

The directors of the company are also trustees for the purpose of charity law. The trustees are appointed for a fixed term of three years. They shall retire from office, but they may stand for re-election. The appointments shall be staggered to ensure that no more than one third of members shall be required to resign from office at each annual general meeting.

##### **Trustee induction and training**

The trustees of the charity are trained in accordance with guidance set out by the Charity Commission.

##### **Organisation**

The board of trustees, which shall be no less than three but not subject to any maximum, administers the charitable company. The board meets monthly to discuss the continuing development, membership and finance of the company.

##### **Related parties**

The charitable company is the parent and ultimate holding company of its 100% owned subsidiary Shelley Community Football Limited, a company incorporated in England & Wales. Mr C A Leslie, a trustee and director of the charitable company is also a director of Shelley Community Football Limited. The company rents property to Shelley Community Football Limited in order that they may continue its activities.

##### **Risk Management**

The trustees annually review the risks that the charity faces. The trustees have identified a few minor risks including health and safety and food hygiene. A key element in the management of financial risk is the setting of a reserves policy and its regular review by the trustees.

### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

**Year ended 31 March 2024**

#### **Objectives and activities**

The charitable company was set up to house donations from a trustee and grants from other grant making organisations to assist with sporting facilities in the area.

The charity works in conjunction with Shelley Community Football Club, who provide footballing activities to the general public. The club runs a number of Senior and Junior teams at their headquarters Storthes Hall Park, Huddersfield. The football club, which is a subsidiary of the charity, will donate any future profits from their activities to the charity.

The charity will continue to develop the site at Storthes Hall Park as and when funds are available.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aims and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

#### **Achievements and performance**

The 2023/24 Financial Year has been another challenging one for the Foundation, unsurprisingly against a tough UK economic backdrop generally.

In particular increasing Utility costs remain our biggest headache and in particular a “spurious” water bill for ten times our usual annual use still being disputed with our water provider. Obviously a major worry for myself and the Trustees, but with support from our local MP and Councillor we hope to resolve the problem.

However, the year did see progress at the Foundation on many fronts:

- Work was completed on the new Multi-Sport Pitch with improved lighting.
- Large scale maintenance works were done on the 5 grass pitches which had not been possible or affordable since before the Covid closures.
- Huddersfield Dragons Hockey enjoyed their first full season at their new home meaning the Clubs future was now secure.
- Member numbers across Football and Hockey increased steadily, particularly within the Juniors sections.
- A highlight of the year was to be invited to No 10 Downing Street to meet Michael Gove the Minister for Levelling Up Grants of which we were one of the recipients to talk about our wonderful Facility. This demonstrated the significance of our Charity now and just how important it is to the Community in West Yorkshire.

Looking forward, we hope to continue to improve the Facility on all fronts and as there is large scale housing planned within walking distance of us (circ 500 dwellings) we feel confident that membership will continue to grow and our biggest challenge will be to try and accommodate this accordingly.

Finally as ever I must pay tribute to Ashley Berry and his amazing Team of volunteers especially - Stuart Crank, Robert Hardy and John Walsh who keep the Facility in its impeccable condition and without which we simply could not operate.

### **Trustees' Annual Report (Incorporating the Director's Report) *(continued)***

#### **Year ended 31 March 2024**

##### **Financial review**

During the year to 31 March 2024 the Charitable company had income of £241,252 (2023: £195,368) and spent £177,172 (2023: £116,020) leaving net outgoing resources for the year of £64,080 (2023: £79,348). At 31 March 2024 funds to carry forward amounted to £638,937 (2023: £574,857) of which £293,285 (2023: £130,000) were for restricted purposes.

##### **Reserves policy**

The trustees continually review the charity's reserves policy. It is their aim to make the charity and its subsidiary self-sufficient. At present the charity and its subsidiary rely on a trustee to fund the facility and its activities as required.

The trustees aim to have sufficient reserves at the end of each football season to cover expenses during the off-season and for pre-season football costs such as League Registration fees and insurance.

The trustees also aim to build up reserves to fund contingencies such as maintenance costs at the facility should they be required.

##### **Plans for future periods**

2024/25 we aim to complete the much needed drainage work at the clubhouse along with additional changing facilities.

##### **Trustees' responsibilities statement**

The trustees, who are also directors for the purposes of company law, are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the incoming resources and application of resources, including the income and expenditure, for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Independent Examiner's Report to the Trustees of The Leslie Sports Foundation**

**Year ended 31 March 2024**

I report to the trustees on my examination of the financial statements of The Leslie Sports Foundation ('the charity') for the year ended 31 March 2024.

#### **Responsibilities and basis of report**

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 March 2024 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

### **Notes to the Financial Statements**

**Year ended 31 March 2024**

#### **1. General information**

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Unit 1B Denby Dale Business Park, Wakefield Road, Denby Dale, Huddersfield, HD8 8QH.

#### **2. Statement of compliance**

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)(Charities SORP (FRS 102)), the Companies Act 2006 and the Charities Act 2011.

#### **3. Accounting policies**

##### **Basis of preparation**

The Leslie Sports Foundation meets the definition of a public benefit entity under FRS 102. The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities.

The financial statements are prepared in sterling, which is the functional currency of the entity.

##### **Going concern**

There are no material uncertainties about the charity's ability to continue. Mr C A Leslie, a trustee, has confirmed his support to the charity in respect of the loan included in note 17.

##### **Disclosure exemptions**

The trustees have taken advantage of the exemption in FRS 102 Section 1A from including a cash flow statement in the financial statements on the grounds that the charitable company is small.

##### **Consolidation**

The charity is not required to prepare consolidated accounts in accordance with the Charities Act 2011, and has taken advantage of the option not to prepare consolidated financial statements contained in Section 398 of the Companies Act 2006 on the basis that the charity and its subsidiary undertakings comprise a small group.

##### **Judgements and key sources of estimation uncertainty**

The most significant areas of adjustment and key assumptions that affect items in the accounts are to do with the uncertainty as to the level of grants and the income from the hire of the facilities which will be received in the future.

There is also uncertainty over the level of donations the charity will receive from its subsidiary trading company which will depend on the income and profits generated in that company.

### **Notes to the Financial Statements** *(continued)*

#### **Year ended 31 March 2024**

#### **3. Accounting policies** *(continued)*

##### **Fund accounting**

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### **Incoming resources**

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- income from the hiring of facilities which is included in charitable activities is recognised when the event takes place.

##### **Resources expended**

Expenditure has been charged to the statement of financial activities on an accruals basis inclusive of VAT that cannot be recovered, and is reported as part of the expenditure to which it relates:

Costs of generating funds comprise the costs associated with attracting voluntary income and activities associated with generating funds including the hiring of the charity's facilities.

##### **Tangible assets**

All fixed assets are initially recorded at cost. Fixed assets are capitalised and the relevant expenditure is incurred on an accruals basis. The costs of minor additions or those costing below £250 are not generally capitalised.

##### **Depreciation**

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Long leasehold property	-	2% straight line
Fixtures and fittings	-	10% straight line
Equipment	-	25% straight line

**The Leslie Sports Foundation**  
**Company Limited by Guarantee**  
**Notes to the Financial Statements** *(continued)*  
**Year ended 31 March 2024**

**3. Accounting policies** *(continued)*

**Investments**

Fixed asset investments are initially recorded at cost, and subsequently stated at cost less any accumulated impairment losses.

**Investments in associates**

Investments in associates accounted for in accordance with the cost model are recorded at cost less any accumulated impairment losses.

Investments in associates accounted for in accordance with the fair value model are initially recorded at the transaction price. At each reporting date, the investments are measured at fair value, with changes in fair value taken through income or expenditure. Where it is impracticable to measure fair value reliably without undue cost or effort, the cost model will be adopted.

Dividends and other distributions received from the investment are recognised as income without regard to whether the distributions are from accumulated profits of the associate arising before or after the date of acquisition.

**Cash at bank and in hand**

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity such as a current or similar account.

**Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in a transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount allowing for any trade discounts due.

**Financial instruments**

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

For all financial assets that are individually significant, these are assessed individually for impairment.

### Notes to the Financial Statements *(continued)*

#### Year ended 31 March 2024

#### 3. Accounting policies *(continued)*

##### Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

#### 4. Limited by guarantee

The company does not have a share capital being a company limited by guarantee. Individual trustee's liability is limited to a maximum of £10.
