History

Over ten years ago, locally elected councillors saw the need for a physical local point to provide a resource for community activities within the Kingswood community. This focal point was to assist members of the community to deliver enhancement of others' quality of life through coordinated endeavour.

To support this aim, a lease on a the flat on the Kingsmeadow Estate (Estate) was offered by South Gloucestershire Council (SGC), who owned the Estate at that time. Ownership of Estate (and other SGC housing was subsequently acquired by Merlin Housing Society (now known as Bromford). Merlin/Bromford continued to support the activities of K@M4E staff, volunteers and trustees as well as the residents on the Estate who became members of K@M4E.

K@M4E moved into its current premise in April 2018 following a Community Asset Transfer of the site from South Gloucestershire Council. Since this move, K@M4E has been working hard with the community to establish a sustainable Community Wellbeing Hub at the Made Forever site by continuing to identify needs, developing and shaping its services and activities accordingly. More people from the community have joined in this cause as they recognise the value, taking on different roles such as volunteers, service users, partners, supporters, all working together to enhance the lives of people and the wellbeing of the community.

Community Learning Courses: We work closely in partnership with SGC Community learning to ensure a variety of skills development and wellbeing courses responding to the needs of residents are run throughout the year.

Forever Friends Café: A welcoming, open, community cafe providing low-cost quality food, facilities such as pool/board games, opportunities to engage with others, have access to community news / events, and explore a variety of wellbeing activities and support services available at the hub. Our Café also provides volunteering and work placement opportunities including training and support. Focused groups café sessions provide opportunities and first steps for targeted groups (who may not usually go out to socialise) such as people struggling with anxiety. The Café serves as an access point to our crisis, personalised support and other services at the hub. Staff and volunteers build positive relationship with people, identify when someone needs further support and help them to engage. The Café also helps to generate income to fund our charitable activities. However, Covid-19 crisis has had a knock down effect on this.

Community Charity Shop: We sell donated items, produce from the community garden, items made in the Refurbishment and Recycling Workshop, and items made by some wellbeing group activities such as the Wellbeing Knitting. All income generated from the shop is used to fund our charitable activities. The shop also provides volunteering and work placement opportunities including training and support.

Community Information Service: We Coordinate and produce a Quarterly Newsletter with updates on services, activities, news and events in Kingswood and surrounding areas. The newsletter is distributed door to door to residents and communal areas such as public libraries and leisure centres. Electronic copies are also distributed widely to a variety of services to reach their service users. We provide updated information on services, health and wellbeing awareness, work and apprenticeship opportunities beneficial to local people on K@M4E Community Hub notice boards and provide leaflets for people to take along. The many people from all backgrounds who visit our Community Hub daily have direct access to this information. This service is particularly important for people who are digitally excluded.

Collaboration with other services using Hub as a resource: We work closely with other organisations to extend capacity and increase access to other services needed by the residents of the local community. This helps to eliminate access barriers associated with distant services. Services such as SGC Social Care Services, SGC Mentoring, Developing Health and Independence, Future Bright Employment support, Bromford Housing and National Star College meet and support their service users from the hub. It is a friendly, relaxed and welcoming environment with facilities that encourages engagement. This is particularly useful for people who struggle with their mental wellbeing. The local Police Beat and the Councillor's surgeries are held in our Community Hub.

Open Community Events: We provide festive events open to the community to encourage community cohesion. Festive events such as Easter, Halloween and Christmas are delivered yearly. As part of our Christmas event, we give out free Christmas presents to children from disadvantaged families. We also host other events such as Community Happiness Day, Table-top sales events, etc.

While looking to increase sales in our community café, we are determined to ensure we keep everything affordable for our community. We are committed to keeping our costs down, including using produce from our community garden in the café.

We are working on the development of our community charity shop encourage footfall. We continue to benefit from charity retail consultancy support with the shop development.

We continue to actively fundraise to support our core charitable activities, both through applications to trusts and foundations, and community fundraising events.
