### Winchester Open Meet

Following member feedback we invited a group of swimmers to the Winchester Open Meet and integrated them into our Nationals Training protocol. This has increased the number of young people having the opportunity to train for longer into the season and at a higher level.

### Sport Psychology

2024 - 25 saw the introduction of GCSC employing a Sport Psychologist. This has allowed our club culture to be communicated through squads while also developing a deeper understanding of what it takes to grow as a person.

### Officials

We have worked extensively to recruit officials. We took 14 officials to the Windsor Open Meet. The most we have ever sent and the most Windsor have ever had from one club. Our Officials now meet socially, enjoy the training and are actively encouraging the next generation of GCSC officials.

### Financial review

#### Principal funding sources

Review of Income and Expenditure for the year ended 31 Mar 2025

Total Income for the year amounted to £1,443,754, a decrease of £6 thousand on 2024. The principal funding sources are: membership income and training fees (£998 thousand); Coaching and Development fees charged for the Learn to Swim programme, camps, clinics and University of Surrey student training (£361 thousand); £51 thousand from GCSC Open meets.. Our income from Gift Aid was 3 thousand.

Total Expenditure of the Charity was £1,460 thousand, an increase of £23 thousand on 2024 with the main expenditure being the costs of coaching, teaching and administrative staff; and the hire of pool and land training facilities. Governance costs were £32 thousand (£31 thousand 2024).

### Net Assets

The Charity's Net Assets at 31 March 2025 were £127 thousand. This represents an decrease of £17 thousand compared to 2024. Net Current Assets were £125 thousand and Fixed Assets £2 thousand.

### Reserves policy

Financial Strategy and Reserves

In the absence of unforeseen circumstances, the Charity aims to increase reserves in the region of £30 thousand each year until it reaches the agreed reserves target set by the Trustees. The reserves target at 31 March 2025 was set at £250 thousand. The reserves target is set at a level where the Charity can continue to cover short term commitments should income from members suddenly cease.

### STRUCTURE, GOVERNANCE AND MANAGEMENT

#### Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The liability of the members is limited to a sum not exceeding £10 per member on winding up.

#### Recruitment and appointment of new trustees/directors

Following the identification of the present skills and expertise of the current Trustees, the desired additional skills required are identified and potential new Trustees are invited to submit a CV and a letter to the club administrator covering their suitability and experience. They then attend an interview with at least 3 Trustees and at least 4 members of the Management Team to determine suitability. Account will be taken of welfare issues etc.

### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

#### **Organisational structure**

The directors shall be responsible for the management of the Charity, for which purpose they may exercise all the powers of the Charity, and they shall have the sole right of appointing and determining the terms and conditions of service of employees of the Charity, and of dismissing them. The directors shall appoint a Management Team which will comprise a minimum of 4 and up to 6 persons and shall act under delegated powers of the directors. The Management Team shall not be directors of the charity but will be members of the charity. The directors shall authorise the Management Team to be responsible for the day to day management of the charity. The directors shall not refuse to follow the recommendations of the Management Team unless there is good cause.

The directors shall be responsible for ensuring that the accounts of the Charity for each financial year be independently audited, such auditor to be appointed by the members in a general meeting.

The directors shall have the power to make regulations and to settle disputed points not otherwise provided for in the Articles of Association after recommendations by the Management Team. Any meeting of directors at which a quorum is present at the time the relevant decision is made, may exercise all the powers exercisable by the directors.

Subject to the Articles and any restriction imposed by the Companies Act or any special resolution, the directors, after recommendation by the Management Team, may change any rule about how they take decisions, and about how such rules are to be recorded or communicated to the members.

The directors shall be entitled to an indemnity out of the assets of the Charity for all expenses and other liabilities properly incurred by them in the management of the affairs of the Charity, to the extent permitted by sections 232 to 234 of the Companies Act.

The club administrator shall maintain an accident and incident record on behalf of the directors regarding club members at swimming related activities. Details of such accidents and incidents shall be reported to the relevant Swim England/insurance department. The Charity shall make an annual return to Swim England in the prescribed form.

No alteration of the Articles or any special resolution shall have retrospective effect to invalidate any prior act of the directors.

#### **CONFLICT OF INTEREST**

A director must declare the nature and extent of any interest, direct or indirect, which he or she has in a proposed transaction or arrangement with the Charity or in any transaction or arrangement entered into by the Charity which has not previously been declared. A director must absent himself or herself from any discussions of the directors in which it is possible that a conflict will arise between his or her duty to act solely in the interests of the Charity and any personal interest (including but not limited to any personal financial interest).

If a conflict of interest arises for a director because of a duty of loyalty owed to another organisation or person and the conflict is not authorised by virtue of any other provision in the Articles, the unconflicted directors may authorise such a conflict of interest where the following conditions apply:

- (a) the conflicted director is absent from the part of the meeting at which there is discussion of any arrangement or transaction affecting that other organisation or person;
- (b) the conflicted director does not vote on any such matter and is not to be counted when considering whether a quorum of directors is present at the meeting; and
- (c) the unconflicted directors consider it is in the interests of the Charity to authorise the conflict of interests in the circumstances applying.

In this Article a conflict of interest arising because of a duty of loyalty owed to another organisation or person only refers to such a conflict which does not involve a direct or indirect benefit of any nature to a director.

#### **VALIDITY OF ACTS OF DIRECTORS**

Subject to Article 13.2, all acts done by a meeting of directors shall be valid notwithstanding the participation in any vote of a director:

- (a) who was disqualified from holding office;
  - (b) who had previously retired or who had been obliged by the constitution to vacate office;
  - (c) who was not entitled to vote on the matter, whether by reason of a conflict of interests or otherwise;
- if without:

- (d) the vote of that director; and
  - (e) that director being counted in the quorum;
- the decision has been made by a majority of the directors at a quorate meeting.

Article 13.1 does not permit a director or connected person to keep any benefit that may be conferred upon him or her by a resolution of the directors if, but for Article 13.1, the resolution would have been void.

#### **DISQUALIFICATION AND REMOVAL OF DIRECTORS**

A director shall cease to hold office if he or she:

- (a) ceases to be a director by virtue of any provision in the Companies Act or is prohibited by law from being a director;
- (b) is disqualified from acting as a trustee by virtue of sections 178 and 179 of the Charities Act (or any statutory re-enactment or modification of that provision);
- (c) ceases to be a member of the Charity or Swim England;
- (d) has a bankruptcy order made against them and it remains undischarged, or they have entered into a voluntary arrangement with their creditors;

Each Management Team member attending shall be entitled to one vote save for the Chair in the circumstance described above. The Secretary, or in his absence a member of the Management Team, shall take minutes and the Management Team shall ensure that the Charity keeps a record, in writing, for at least 10 years from the date of the decision recorded, of every unanimous decision or majority decision taken by the Management Team.

### **OFFICERS AND HONORARY MEMBERS**

The Management Team may elect any person as an honorary member of the Charity (President, Vice-Presidents, Honorary Life Vice-President or other), for such period as it thinks fit and they shall be entitled to all the privileges of membership except that they shall not be entitled to vote at meetings and serve as directors or on the Management Team unless they fulfill the criteria set for such positions in the Articles and any such person is elected in addition to his ordinary membership of the Charity. The Welfare Officer must be not less than 18 years of age, should have an appropriate background for the role and should be prepared to undertake appropriate training as required by Swim England Child Protection Policy and Procedures. The directors shall invite the Welfare Officer to attend meetings of the directors and/or meetings of the Management Team, at the directors' discretion, but the Welfare Officer shall not have the power to vote.

### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

Nominations for election of members to the Board of Trustees and Directors shall be made in writing by the proposer and seconder to the Secretary not less than 14 days and no more than 35 days before the date of the annual general meeting. The nominee shall be required to indicate in writing on the nomination form his willingness to stand for election. A member may be proposed for more than one office, but may not be elected or appointed to more than one.

### **ADMISSION OF MEMBERS**

The Charity must keep a register of members as required by the Companies Act.

The membership of the Charity, by category, or in total, may not be limited other than by decision of the directors whose decision shall be determined by the availability of resources (principally water time), teachers and/or coaches.

All persons who assist in any way with the Charity's activities shall become members of the Charity and hence of Swim England and the relevant Swim England Membership Fee shall be paid accordingly. Assisting with the Charity's activities shall include, but not be restricted to, administrators, associate members, voluntary instructors, teachers and coaches, Management Team members, helpers, honorary members, life members, officers, patrons, Presidents, technical and non-technical officials, temporary members, Vice Presidents and verifiers or tutors of Swim England's educational certificates.

Paid instructors, teachers and coaches who are not members of the Charity must be members of a body which accepts that its members are bound by Swim England's Code of Ethics, Swim England's Child Safeguarding Policy and Procedures and those parts of the Judicial Code and procedures necessary for their implementation and whilst engaged in activities under the jurisdiction of Swim England shall be subject to all the constraints and privileges of the Judicial Code.

Any person who wishes to become a member of the Charity must submit a signed application to the Secretary (and in the case of a junior swimmer the application must be signed by the swimmer's parent or guardian). Election to membership shall be determined by the Membership Applications sub-committee but other person(s) authorised by the directors may make recommendation as to the applicants' acceptability. The Membership Applications sub-committee shall be required to give reasons for the refusal of any application for membership. Any person refused membership may seek a review of this decision before a review panel appointed by the directors comprised of not less than three members (who may or may not be directors). The panel shall (wherever practicable) include one independent member nominated by Swim England through Swim England South East Region. The person refused membership shall be entitled to make representations to the Review Panel. The procedures for review shall be at the discretion of the Review Panel whose decision shall be final and binding.

The Charity shall not refuse an application for membership on discriminatory grounds, whether in relation to ethnic origin, age, sex, religion, disability, political persuasion or sexual orientation.

The Charity may refuse membership only for good and sufficient cause, such as conduct or character likely to bring the Charity or the sport of swimming into disrepute, or, if acting reasonably and properly, it is considered to be in the best interests of the Charity to refuse the application.

The membership of the Charity shall consist of:

- (a) the directors for the time being;
- (b) all employed staff;
- (c) all adult members;
- (d) all junior members;
- (e) all persons who assist with the Charity's activities;
- (f) any honorary members who become members of the Charity in accordance with Article 16.1.

Membership shall not be transferable.

### **SUBSCRIPTION AND OTHER FEES**

The annual member's subscription and coaching fees (as applicable) shall be determined from time to time by the directors and the directors shall in so doing make special provision for different classes of membership as it shall determine.

The annual subscription, coaching, Swim England membership fee and entrance fee (if any) shall be due on joining the Charity and thereafter on such dates as determined by Swim England (for membership fees) or the Charity as determined by the Management Team. Parents of junior members shall be responsible for the fees applicable to the junior member.

Any member whose applicable fees remain unpaid by the date falling 30 days after the due date for payment may be suspended by the Management Team from some or all Charity activities from a date to be determined by the Management Team until such payment is made. In coming to a decision as to the suspension of a member under this Article, the Management Team shall follow the Charity's bursary policy and shall have the discretion to waive fees if they consider it to be in the best interests of the Charity or of a beneficiary of the Charity.

### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

The directors shall, from time to time, have the power to determine the annual membership subscription and other fees following consultation with the Management Team (and the directors shall not refuse to follow the recommendation of the Management Team unless for good cause) and shall have the power in special circumstances to remit the whole or part of the fees, including Swim England's membership fees, to address issues of social inclusion. This shall include the power to make such increase in the subscription and shall, where the Charity pays the individual Swim England membership fees to Swim England on behalf of members, be consequential upon an increase in individual Swim England membership fees. Any increase in subscriptions shall be advised to the members in writing with the reasons for any increase to be reported to the members at the next annual general meeting.

### **RESIGNATION**

Membership is terminated if:

- (a) the member dies, or, if it is an organisation, ceases to exist;
- (b) the member gives to the Membership Administrator written notice of his resignation unless, after the resignation, there would be fewer than two members.
- (c) a member's applicable subscription fees are more than two months in arrears. The period for determining arrears shall commence from the date of the relevant subscription invoice, or the start of any club term, whichever is the later. Where the membership of a member shall be terminated in this way he shall be informed in writing that he is no longer a member.

No member of the Charity is entitled to any refund of applicable fees on ceasing to be a member for any reason.

Swim England membership department shall be informed should a member resign when still owing money or goods to the Charity.

### **EXPULSION OR OTHER DISCIPLINARY ACTION**

The directors, following consultation with the Management Team, shall have power to expel a member when, in their opinion, it would not be in the interests of the Charity for him to remain a member. The Charity in exercising this power shall comply with the provisions of the Articles.

The Charity shall adopt and comply with the Swim England Guidelines for handling internal disputes ("the Guidelines") as the same may be revised from time to time.

Where a member is expelled by the directors under Article 10.1 the resolution removing the member may only be a) passed if the member has been given 21 days notice in writing of the meeting of the directors and Management Team at which the resolution will be proposed and the reasons why it is to be proposed and (b) the member or, at the option of the member, the member's representative, (who need not be a member of the Charity) has been allowed to make representation to the meeting. A member may not be permanently expelled unless the member has been temporarily suspended by the Management Team as under Article 10.4.

Where suspension is approved it shall take immediate effect and shall apply for the period specified. Where expulsion is approved the member shall cease to be a member with immediate effect in accordance with Article 10.5.

The Administrator or Head of Safeguarding, who shall be members of the Management Team, may temporarily suspend or exclude a member from particular training sessions and/or wider club activities, when in their opinion, such action is in the interests of the Charity. Where such action is taken the complaint will thereafter be dealt with in accordance with Swim England Laws and the provision of Article 10.6.

### STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees (who are also the directors of Guildford City Swimming Club for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and

## **Report of the Independent Auditor to the Members of Guildford City Swimming Club**

---

### **Opinion**

We have audited the financial statements of Guildford City Swimming Club (the 'charitable company') for the year ended 31 March 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2025 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditor thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Report of the Trustees has been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Report of the Trustees.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

## **Report of the Independent Auditor to the Members of Guildford City Swimming Club**

---

### **Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

### **Our responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditor that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We performed risk assessment procedures and obtained an understanding of the Charity and its environment, the applicable financial reporting framework, the applicable laws and regulations, the Charity's system of internal control and the fraud risk factors relevant to the Charity that affect the susceptibility of assertions to material misstatement due to fraud. We made enquiries with management regarding actual or suspected fraud, non-compliance with laws and regulations, potential litigation and claims. The engagement partner led a discussion among the audit team with particular emphasis on how and where the Charity's financial statements may be susceptible to material misstatement due to fraud, including how fraud might occur. The engagement partner assessed that the engagement team collectively had the appropriate competence and capability to identify or recognise non-compliance with laws and regulations. We considered the Charity Act 2011, UK Companies Act 2006 and UK GAAP as the key laws and regulations which non-compliance with could directly lead to material misstatement due to fraud at the financial statement level. We evaluated whether the selection and application of accounting policies by the Charity may be indicative of fraudulent financial reporting. Our audit procedures responsive to assessed risks of material misstatement due to fraud at the assertion level included but were not limited to:

- Testing the appropriateness of manual journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements;
  - Making inquiries of individuals involved in the financial reporting process about inappropriate or unusual activity relating to the processing of journal entries;
  - Selecting and testing journal entries and other adjustments made at the end of a reporting period and throughout the period;
  - Reviewing accounting estimates for biases that could represent a risk of material misstatement due to fraud;
- There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditor.

**Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## Notes to the Financial Statements for the Year Ended 31 March 2025

---

### 1. PRESENTATION CURRENCY

The whole of this report is presented in GB pounds.

### 2. ACCOUNTING POLICIES

#### Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

#### Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Where amounts received and receivable in the year relate to future periods they are carried forward as deferred income. Where amounts relating to the current period are received and receivable after the year end they are included as accrued income.

#### Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

#### Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- 33% on cost
Fixtures and fittings	- 20% on cost

Tangible fixed assets are initially measured at cost. Cost is measured as the purchase price plus any additional costs incurred in bringing the asset into use in the charity's activities. Tangible fixed assets are subsequently measured at cost less any impairment.

#### Stocks

Stock comprises swimming badges not yet sold and vouchers for officials not yet used. These are valued at purchase price.

#### Taxation

The charity is exempt from corporation tax on its charitable activities.

#### Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

#### Financial instruments

The financial instruments of the charity comprise financial assets, cash and financial liabilities.

##### Financial assets

The charity's financial assets comprise trade debtors. The accounting policy for trade debtors is described in the income accounting policy note.

##### Cash and cash equivalents

Cash and cash equivalents are balances held with banks.

##### Financial liabilities
