**TRUSTEES' REPORT  
FOR THE YEAR ENDED 31 MARCH 2023**

---

The trustees present their annual report together with the audited financial statements of Denville Hall 2012 (the "charity") for the year ended 31 March 2023. The annual report serves the purposes of both a trustees' report and a directors' report under company law. The trustees confirm that the annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) effective 1 January 2019.

**Structure, governance and management****a. Constitution**

Denville Hall is governed by a Scheme dated 17 March 1979 as amended by the Schemes dated 3 April 1992 and 15 November 2001. With effect from 1 October 2012 it is governed by the Articles of Association of Denville Hall 2012.

Denville Hall 2012 was formed as a limited company, number 8174255 on 9 August 2012 and as a registered charity, number 1148968. On 1 October 2012 all the responsibilities, assets and liabilities were transferred to Denville Hall 2012 under a transfer agreement. The new charity and company continue to be known as Denville Hall.

The trustees are responsible for governance, strategy and finance, for ensuring compliance with the Care Quality Commission (CQC) criteria, and for business planning. The House Committee is responsible for the support of the Registered Manager of Denville Hall, and for assessing the eligibility within our remit of those applying to us for care. The House Committee is dedicated to connecting the residents themselves to the world of theatre in which committee members still work, bringing into the house as they do vivid descriptions of the life and experiences they can share. Wilma Thomson, Manager, is the designated representative, known as the Nominated Individual with the CQC.

The trustees of Denville Hall are, as stipulated by our Articles of Association, made up of a percentage of those from the theatrical profession, many of whom have had long association with the charity, and of others having been recruited for their financial expertise. The current Trustees are: Joanne Benjamin (Chair), Malcolm Sinclair (Vice Chair), Louisa Rix, Derek Lamden, Michael Shelton, Lisa Bowerman, James Hope, Diana Howard, James Coombes, Michael Nathan Colins and Susannah Kraft.

Denville Hall was founded in 1926 by Alfred Denville, in memory of his son who was killed in the Great War. The home was registered with the Charity Commission on 31 October 1962, when Richard and Sheila Attenborough were asked by Prince and Norah Littler to take on Denville's administration following their successful work with Noel Coward for the Actors' Orphanage.

Denville Hall is a member of the Combined Theatrical Charities, known now as "Acting for Others", an umbrella organisation chaired by Sir Stephen Waley-Cohen, consisting of sister charities representing the performing arts including ballet and opera, actors' children, backstage staff, and performers in all parts of the world.

**b. Method of appointment or election of trustees**

Trustees are appointed on the basis of the skills they bring to the board and their willingness to serve. At any one time there may be no less than 3 trustees and no more than 12, of which 2 should be members or former members of the acting profession.

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2023**

---

**Structure, governance and management (continued)**

**c. Policies adopted for the induction and training of trustees**

New trustees undergo an orientation day to brief them on: their legal obligations under charity and company law, the Charity Commission guidance on public benefit, and inform them of the content of the Memorandum and Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the charity. During the induction day they meet key employees and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

We continue a program of training for staff, volunteers, committee members and trustees, in awareness of our legal requirements to protect and safeguard the vulnerable adults in our care. We have had positive pharmacy audits including a full review of medication practices. We have established links with the Community Matron, the Palliative Care team, SALT and Rapid Response. We also have links with Mount Vernon Cancer Centre for palliative care training. There have been audits of Health and Safety and Fire and risk assessment. All mandatory training for staff by an external trainer is up to date.

**d. Pay policy for senior staff**

The pay of the charity's key management personnel is reviewed annually and normally increased in accordance with average earnings. Remuneration is also bench marked with Nursing Homes of a similar size and activity to ensure that the remuneration set is fair and not out of line with that generally paid for similar roles.

**Strategic report**

**Objectives and activities**

**a. Policies, objectives and strategies for achieving objectives**

The formal objective of the charity is to maintain and support Denville Hall as a residential, nursing and dementia care home for elderly actors and other members of the theatrical profession. Denville Hall also offers short stay respite and convalescent care and works closely, when required, with the palliative care team in our area. Where an applicant does not meet our criteria, we will always do our best to advise on alternative sources of help.

The charity serves elderly members of a particular profession, one where financial security is, in many cases, far from being the norm. Financial support is given through a general subsidy by us to all of our residents, and in particular, additional subsidy to those in greatest need. A potential beneficiary is never turned away for purely financial reasons – we deny access to services only when required to do so on medical and professional criteria agreed with the CQC as part of the charity's registration, or when there is no available bed. The trustees have had due regard to the guidance on public benefit published by the Charity Commission.

The trustees have reviewed the application of the Charity Governance Code, which was introduced in July 2017 in so far as it is applicable to the charity. The trustees apply areas of the code within the governance arrangements of the charity and are reviewing how elements of the code can be applied successfully.

As ever, our aim at Denville Hall is to enable our highly individual residents to live with dignity and freedom of choice amid surroundings that are physically and mentally comfortable. Within the nursing and residential area of the home we aim to preserve maximum independence and will help each person to choose, as much as is possible, what level of care he or she needs, consulting with them directly. We respect their decisions and abide by them, intervening only where absolutely necessary in the interests of safety and guided by professional recommendations.

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

---

#### Strategic report (continued)

##### Objectives and activities (continued)

We care for our dementia patients in Jeanne's Wing with dignity and respect, aiming to allow as much freedom as possible within safety constraints and in an atmosphere which is relaxed, stimulating and supportive. All those residents with dementia and who are deemed vulnerable are safeguarded within the Mental Capacity Act 2005, Deprivation of Liberty, in order to protect them from harm.

We strive to provide a varied and fulfilling life for all our residents, continually endeavouring to improve care, entertainment, nourishment, rest, and spiritual and artistic satisfaction. We work with each individual resident to identify wishes and hope to create a supportive and stimulating environment. Two members from the House Committee chair a well attended monthly Residents' Meeting, which gives residents an opportunity to voice any concerns or preferences and to make suggestions for improvements.

We continue to achieve a five star Food Safety and Hygiene rating.

Denville Hall received "Good" ratings for all domains from the CQC at their last visit in June 2019. This was a great reward for the work and dedication of management and staff at Denville Hall.

Regular audits are being carried out in Health and Safety, Pharmacy, Fire Safety along with supervision of staff and staff training which has helped the operation of Denville Hall run smoothly and efficiently.

The Hall successfully managed to weather then Covid-19 outbreak and since the lifting of restrictions, Wilma has been tireless in continuing to keep the residents at Denville Hall safe. With her many years of experience in care homes and her proven skills in infection cases in the home have been minimal, but these were dealt with by the staff and did not spread. The residents continue to have vaccinations regularly as provided by the government.

Live Streaming, through the National Theatre's generous donation of NTLive, continues to be a source of great joy, bringing as it does the world of live theatre directly to Denville Hall. We subscribe for Digital Theatre which records theatre productions, musicals and opera from theatres all over the UK. These productions can be accessed at any time, this has proved to be a great source of entertainment for everybody at Denville Hall. We are delighted that live concerts have restarted this year and bring a great deal of pleasure to all the residents.

Weekly activities and regular trips, including exercise classes and visits from a physiotherapist and chiropodist continued throughout the year. Our Events Manager, Ben Harlow, continued to provide regular outings and entertainments, and classes for our residents, organised by him. Unfortunately he has decided to leave us and we are currently recruiting for a successor.

We were sorry to say goodbye to Fazly Wahab, our finance manager, who left early in 2023, but he has been ably replaced by Greta Keane, who has been welcomed to the Hall and continues to manage the finances admirably.

Regular visits by family and friends are now back to normal. Wilma continues to make sure that she does all she can to keep the residents and staff safe at all times.

Our small 'corner shop' within Denville Hall, known as "Prompt Corner" is accessible to both the main house and Jeanne's Wing residents and continues to be very popular.

Denville Hall is supported by generous gifts from individuals, and with grants from trusts and other organisations. We are deeply grateful to the Combined Theatrical Charities and their Acting For Others grants, and to the Sir Terence Rattigan Foundation for their generous, ongoing support.

We continue a program of training, in accord with our legal requirements to protect and safeguard the vulnerable adults in our care, and to support our staff in their continued growth within the sector. We are very

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 MARCH 2023**

---

**Strategic report (continued)**

**Objectives and activities (continued)**

proud of the uniqueness of Denville Hall and are eternally grateful for the support we get from our profession. During the year ended 31 March 2023, the trustees agreed to commence plans to redevelop the additional properties held by Denville Hall into assisted living accommodation.

It is with sadness that we record the deaths in the year ending 31 March 2023 of Jane Briers, Bernard Cribbins and Tony Branch who passed away in hospital. Annie Briers, Christopher Ball, Maggie Lulham, David Warner, John Bolland, Jo Tewson, Veronica Hurst, Eve Dewhurst, Sylvia Sims, and Patti Love all passed away at home.

**Financial review**

**a. Going concern**

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. The trustees have considered the twelve months from the date of signing of the financial statements and are satisfied that the charity can meet its commitments as they fall due based on the ability to draw down on the investment portfolio as required. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2023**

---

**b. Principal risks and uncertainties**

Denville Hall has on going processes, which operated throughout the financial year for identifying, evaluating and managing the principal risks and uncertainties faced by the charity in undertaking its activities. When it is not able to address risk issues using internal resources, the charity takes advice from external experts with specialist knowledge.

The Finance and General Purposes Committee, which was originally formed to monitor the finances during a period of uncertainty, was disbanded during this financial year as finances are now stable and have continued to be so for the past few years. Finances are now monitored by the main Trustee Board which assesses risks, the manager and heads of department meet regularly to review health and safety issues. Training courses are available to members of staff to enhance their skills in risk related areas.

The principal risk and uncertainties identified by the trustees are:

- Ensuring continued operational efficiency with the ability to fund the increasing levels of operating expenditure is paramount
- CQC requirements and our compliance with them are vital to the care and safety of our residents themselves and to the running of the business.
- Uncertainty surrounding public funding of residents necessitates a focused approach to ensuring sufficient funds from other quarters. We work closely with our sister charities, with individual supporters and indeed with local authorities where help is available.
- Investment returns are of course always subject to market fluctuations. We are confident, given our long association with them and overall impressive track record, of the experience and expertise of our investment managers at Sarasin & Partners LLP. Denville Hall's participation in their funds ensures a far wider spread of our investments that we could ever manage as an individual charity, and has proven itself a good decision that has buffered us against some of the inevitable ups and downs of the world of finance.

The trustees have ultimate responsibility for managing the risks faced by charity, they have given consideration to the major risks to which the charity is exposed and has concluded that adequate systems are in place to manager these risks. It is recognised that systems can provide only reasonable but not absolute assurance that major risks have been managed.

**TRUSTEES' REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 MARCH 2023**

---

**c. Review of the year and reserves policy**

The financial statements present the accounts of the charity including all operating income and expenditure, donations and investment income, assets and liabilities.

The major sources of recurring income for the charity are fees for residential care, investment income, and donations. Income for the year from residents' fees was £2,285,361 (2021/22: £2,318,647), a 2.9% increase on the previous year. The increase was due to increased occupancy levels. Total expenditure for the year was £2,698,511 (2022/22: £2,658,298), an increase of 1.5%. The major item of direct expenditure continues to be staff costs.

The charity received £134,415 in donations, grants and legacies (2021/22: £157,872).

We acknowledge with immense gratitude the support of many generous donors, including Acting for Others (£30,000) and Equity Charitable Trust (£2,500).

The net surplus before investment losses was £18,808 (2021/22: gain of £112,125).

Investment losses for the year were £639,494 (2021/22: loss of £1,213,088).

Net assets were £16,245,277 (2021/22: £16,865,963) of which £10,267,934 (2021/22: £10,881,160) are invested.

The trustees continue to exercise firm control over costs and to seek additional income via existing and new income generating activities. It is evident that the charity is highly dependent upon its investment income and on the donations and legacies it receives each year. The trustees' aim is to ensure the charity can reach an operational break even point over the short to medium term.

**Investments**

The charity's investment objectives are to balance current and future beneficiary needs by:

- maintaining (at least) the value of the investments in real terms;
- producing a consistent and sustainable amount to support expenditure; and
- delivering these objectives within acceptable levels of risk.

The charity's long term investments are managed by Sarasin & Partners LLP, maintaining diversification across a wide range of asset classes in order to produce an appropriate balance between risk and return. The investments are held in three funds managed by Sarasin & Partners LLP so as to spread the investment risk. The investment strategy, policy and performance is monitored by the Finance Committee. At 31 March 2023 investments totalled £10,267,934 (2022: £10,881,160). The total return on investments for the year was £297,543 (2021/22: £260,808) representing a yield of 2.8% (2021/22: 2.4%).

**Income generation**

The charity raises funds from fees levied on residents, grants from certain established benefactors and its investment portfolio. It does not fundraise from the general public so the trustees do not believe that the Fundraising Code is applicable.

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 31 MARCH 2023**

---

**Reserves**

The charity's reserves policy is to maintain sufficient free reserves to enable it to meet its short term financial obligations in the event of an unexpected revenue shortfall and to allow the charity to be managed efficiently and provide a buffer that would ensure uninterrupted services. The trustees can call upon cash reserves held within the investment portfolio of approximately £0.5 million which equates to three months' expenditure to cover any shortfall in income.

**Plans for future periods**

We continue with recruitment, training, refurbishment and all relevant work on compliance, while maintaining strict control on costs.

Plans continue for future development of the adjacent two properties, and the garden. The trustees are exploring various options to develop the site with a view to not only improving facilities for residents, but also generating additional revenue. We have received Planning Permission for this development and Business plans are being drawn up and the Trustees are planning fund raising strategies to be in place starting this year.

The trustees acknowledge their responsibility to identify, assess and manage risks and have systems and processes set up to do so.

**Disclosure of information to auditor**

Each of the persons who are trustees at the time when this trustees' report is approved has confirmed that:

- so far as that trustee is aware, there is no relevant audit information of which the charity's auditor is unaware, and
- that trustee has taken all the steps that ought to have been taken as a trustee in order to be aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

**Auditor**

We are delighted to say that we are very happy with our choice of auditor, Blick Rothenberg Audit LLP, who continue to serve us well and enthusiastically, working alongside our Finance Manager, Margareta Keane, in timely and efficient fashion.

Approved by order of the members of the board of trustees and signed on their behalf by:

**Joanne Benjamin**  
Chairperson

Date: 7 December 2023

**STATEMENT OF TRUSTEES' RESPONSIBILITIES  
FOR THE YEAR ENDED 31 MARCH 2023**

---

The trustees (who are also the directors of the charity for the purposes of company law) are responsible for preparing the trustees' report including the strategic report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year. Under company law, the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DENVILLE HALL 2012**

---

**Opinion**

We have audited the financial statements of Denville Hall 2012 (the 'charitable company') for the year ended 31 March 2023 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DENVILLE HALL 2012 (CONTINUED)**

---

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's opinion thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**Opinion on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the trustees' report have been prepared in accordance with applicable legal requirements.

**Matters on which we are required to report by exception**

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**Responsibilities of trustees**

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DENVILLE HALL 2012 (CONTINUED)

---

**Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the charity through discussions with trustees and other management, and from our commercial knowledge and experience of the charity and care sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the charity, including the Charities Act 2011, taxation legislation and data protection, and health and safety legislation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested a sample of journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining accounting estimates; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation;
- reading the minutes of meetings of those charged with governance; and
- enquiring of management as to actual and potential litigation and claims.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DENVILLE HALL 2012 (CONTINUED)

---

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2023**

---

**1. General information**

The charity is a company limited by guarantee and is incorporated and registered in England and Wales. Its registered office and principal place of business is Denville Hall, 62 Ducks Hill Road, Northwood, Middlesex, HA6 2SB.

The financial statements are presented in Sterling (£).

The formal objective of the charity is to maintain and support Denville Hall as a residential, nursing and dementia care home for elderly actors and other members of the theatrical profession.

**2. Accounting policies**

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) and the Companies Act 2006.

Denville Hall 2012 meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 Going concern**

The trustees have considered the twelve months from the date of approving the financial statements and are satisfied that the charity can meet its commitments as they fall due, based on the ability to draw down on the investment portfolio as required. The trustees are taking steps to increase income and reduce costs so that the charity becomes operationally secure which will enable free reserves to be restored to the desired level. On this basis, the trustees have therefore concluded that it is appropriate to prepare the financial statements on a going concern basis.

**2.3 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2023**

---

**2. Accounting policies (continued)**

**2.4 Income**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income from residents' fees is recognised over the period in which the service is provided.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the charity has sufficient evidence that a gift has been left to it (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the charity, can be reliably measured. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Investment income is recognised when receivable and the amount can be reliably measured. This is normally when the investment managers are notified for the interest receivable by the banks or dividends are declared and notification has been received of the dividend due.

Grants, including those from local and central government, are included in the statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

**2.5 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation. These costs include costs related to statutory audit.

All expenditure is included in the statement of financial activities on an accruals basis. Irrecoverable VAT is allocated to the relevant expenditure as incurred.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2023**

---

**2. Accounting policies (continued)**

**2.6 Tangible fixed assets and depreciation**

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

At each reporting date the charity assesses whether there is any indication of impairment. If such indication exists, the recoverable amount of the asset is determined to be the higher of its fair value less costs to sell and its value in use. An impairment loss is recognised where the carrying amount exceeds the recoverable amount.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Freehold property	-	2% straight line
Fixtures and fittings	-	10% straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the statement of financial activities.

**2.7 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at their fair value at the balance sheet date. Investment gains and losses, whether realised or unrealised, are combined and presented as 'gains/(losses) on investments' in the statement of financial activities.

**2.8 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

**2.9 Operating leases**

Rentals paid under operating leases are charged to the statement of financial activities on a straight line basis over the lease term.

**2.10 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments represent amounts paid in advance for which the services or goods had not been received at the balance sheet date, measured at their recoverable amounts.

---

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2023**

---

**2. Accounting policies (continued)****2.11 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.12 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities, including trade and other creditors and accruals, are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the statement of financial activities as a finance cost.

**2.13 Financial instruments**

Financial assets and financial liabilities are recognised when the charity becomes party to the contractual provisions of the instrument.

Financial liabilities are classified according to the substance of the contractual arrangements entered into.

The charity's policies for its major classes of financial assets and financial liabilities are detailed in its accounting policies.

**2.14 Pensions**

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 MARCH 2023**

---

**17. Funds**

Unrestricted Funds comprise those funds which the trustees are free to use in accordance with the charitable objects. The trustees have been made designations out of the unrestricted funds.

The Unrestricted General Fund comprises the income and expenditure incurred in operating Denville Hall 2012, the care home.

The Unrestricted Income Fund comprises those investments, which are managed by Sarasin & Partners LLP, from which funds are transferred to the General Fund (shown as 'Transfers' in note 17) to support the charity's activities.

The Unrestricted Capital Fund comprises the property of Denville Hall, from which the care home is run, and the two adjacent properties, which were transferred from investment properties to fixed assets during the year.

The Restricted Fund represents grants from The London Borough of Hillingdon to meet additional costs arising from the Covid-19 pandemic.

**18. Reconciliation of net movement in funds to net cash flow from operating activities**

	2023 £	2022 £
Net expenditure for the year (as per Statement of Financial Activities)	<b>(620,686)</b>	(1,100,963)
