### **TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2025**

The trustees present their report and the financial statements for the year from 01 January 2025 to 31 December 2025.

#### **Trustees**

The trustees named on page 1 have served throughout the year except where stated. Appointment of trustees is governed by the constitution of the charity. The Board of Trustees is authorised to appoint new trustees to fill vacancies arising through resignation or death of an existing trustee.

#### **Constitution, Objects and Policies**

The objects are to enhance the development and education of girls aged 11-18 by the provision of a school (schools) and by providing facilities for the benefit of the community in furtherance of the main objective.

#### **Activities and Achievements**

This year has been an interesting and at times a challenging year. In setting our objectives and planning our activities our Governors have given careful consideration to the Charity Commission's public benefit guidance.

Our key objective for the year included:

- to broaden our academic curriculum
- to increase pupil numbers
- to enhance the IT systems at the school
- encourage leadership opportunities through school activities
- to provide a safe environment that complies with legislation and statutory guidance in regards to child protection
- to enhance the spiritual, social, cultural, health and economic experiences of students
- to support under achieving students and those whose first language is not English

The school has worked hard to meet objectives and in doing so has provided benefits to the public in advancing children's education and preparing them for the future.

The school has:

- enhanced its offering of subjects to include Art and Crafts
- provided support for children with learning difficulties
- significantly increased GCSE results
- improved the infrastructure of the school

#### **Statement of Trustees' Responsibilities**

The trustees are required under the constitution of the charity to prepare financial statements for each financial year

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Reserves**

The majority of funds are sourced from school fee and voluntary contributions. The trustees consider that the reserves held are sufficient to continue the support of the School in future years.

#### **Risk**

The trustees actively review the major risks which the charity faces on a regular basis and have also examined other operational and business risks faced by the charity. The trustees confirm that they have established systems to mitigate the significant risks.

#### **Approval**

**This report was approved by the trustees on 06 April 2026 and signed on their behalf by**
