

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31st DECEMBER 2022

Introduction

On behalf of the Trustees, I am pleased to present our annual report and financial statements for the year ended 31st December 2022.

Structure, Governance and Management

Kingdom-Life Assembly, Brighton is a member of the Redeemed Christian Church of God – a worldwide mission with parishes in more than 198 countries of the World. RCCG, Kingdom life Assembly as a charity is governed by two documents namely a Deed of Trust and Agreement of Common Purpose which regulates her conduct with the central body.

The trustees set and monitor the fundamental goals of the Charity but delegates authority to the Pastor and the management team to carry out the day-to-day operations.

Objectives and Activities of the Charity

The main objectives of the charity are:

1. The advancement of the Christian Religion
2. Elimination of poverty by social and economic inclusiveness.

In furtherance of the above objectives, the activities of the Charity are classified under the following themes:

[a] Christian worship where uplifting and inspired music is offered continually to God.

[b] Provide Bible-based teachings and counselling to members and the public.

[c] Teaching the value of prayer and praying for the neighbourhood, City and nations of the world particularly the United Kingdom.

[d] Play active roles in social action that impacts the Community. For example, offering projects and programmes that promotes social inclusion and complimentary educational facility to children and young adults in the community and city at large.

[e] Forster unity and love among people of different races and nationalities such as networking with other Christian organisations to promote societal cohesion and inter-faith unity.

Developments, Activities and Achievements in the Year

The Trustees are pleased to report that the charity had made appreciable progress across all departments of the organisation in the year under review.

However, the loss of our worship building at Fishersgate was a major setback to the steady growth we had experienced over the years. The Ministry had to relocate back to the hotel for worship meetings after several years of opportunities at a permanent building which had secured approvals as a place of Worship and a Marriage Registry in

England & Wales. Despite this incidence, the Trustees were able to manage successfully the unfortunate situation which is now yielding positive results.

For instance, additional House Fellowship Centres were established in 2022 such as 'The Brighton House Fellowship' and 'The Southwick House Fellowship' which serves to bring the gospel of Jesus to the doorsteps of the locals. It also helps to meet prayer and other needs of the respective communities.

Strategic prayers for individuals, the church and the nations particularly UK, was also in the front burner of our activities during the year.

There were several joint programmes organised at Easter & Christmas and other festive periods with members of our local community. We are pleased to report that these programmes have further improved the social cohesion between the church and other groups. It is also a thing of joy to report that increasing University students are benefiting from the work of the charity. Mentorship, spiritual, social, moral, educational and cultural enrichments are provided from time to time. The charity also impacted positively the lives of many people from Brighton, Hove, Postlade, Southwick and Fishersgate through her different conferences and seminars held during the year 2022. Our regular events of Worship, Prayer, Bible study continue to provide spiritual nourishment to people from all walks of life. Similarly, the Annual Single' Seminar and 'Men of

Valour Conference drew participants from far and near. Couples' Programme that offers support to married couples was also held and it recorded a huge success in 2022.

Risk Management

The Trustees are quite satisfied with the management of the finances to fulfil the charity objectives despite the limitations.

Future Developments

The trustees hold the opinion that the management should persevere in search for a more suitable location for worship and operation of the charity.

It is also the resolve of the charity to make better contribution to mission work in the coming year while we continue to pursue our church planting drive with increased zeal.

1.2 Change in basis of accounting

There has been no change to the accounting policies

Note 2**Accounting policies**

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES**Recognition of incoming resources**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Contractual income and performance related grants

This is only included in the SoFA once the related goods or services have been delivered.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income

This is included in the accounts when receivable.

Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES**Liability recognition**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS**Tangible fixed assets for use by charity**

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Stocks and work in progress

These are valued at the lower of cost or market value.

Respective responsibilities
of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's
statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
