**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 JUNE 2022**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 30 June 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are the preservation and protection of human life, in particular but not exclusively, by the education of the public in the dangers of automatic gates and barriers and the education of installers and users of automatic gates and barriers of preventative measures required to ensure safe operation.

Significant activities

To the year ending 30th June 2022 we trained 367 delegates with our IOSH approved Gate Safe Aware Distance Learning. Due to the success of the distance learning programme, we offered course four days week and in-house training has resumed for any companies who require GSSC Ltd to attend their premises to accommodate larger group bookings.

GSSC Ltd provides desk and site assessments on the conformity and safety of the automated gates and barriers for commercial, residential and domestic property owners. Schools remain part of our key focus to ensure that gates are safe, reliable and fit for purpose by offering free of charge desk-based risk assessments through one of our supporters, Clear Safety.

GSSC Ltd was also called upon by Trading Standards to act as an expert witness for a serious automated gate accident, providing a detailed report on the gates safety issues and conformance with the required UK legislation.

GSSC Ltd continues to provide regular content to a European trade publication targeting the gate installer community, supplying advice and guidance on a monthly basis via a dedicated Gate Safe column.

GSSC Ltd also engaged in podcast activity with technical trade magazines to continue to raise awareness of the importance of automated gate safety.

Significant time was allocated to the review and updating of a range of advisory documents supplied to installers who have successfully passed the Gate Safe training, and who therefore have access to the members area.

Gate Safety seminars were regularly hosted to provide interactive guidance on a wide range of technical issues.

Gate Safe will continue to hold cash reserves to ensure the longevity of its business in the uncertain economic times.
