STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The board of trustees actively reviews the major risks facing the charity on a regular basis and ensures that measures are put in place to safeguard the charity's funds and assets. The trustees also ensure that legal advice is sought when necessary on crucial issues concerning the ministry.

ACHIEVEMENT AND PERFORMANCE

Objectives, activities and future plans

We are a Christian Charitable Company limited by guarantee and bound by law to write a yearly report/projection.

As a Christian Organisation, we are committed to the effective spread of the Gospel of Christ, particularly in Southend on Sea, Essex UK and in general to the rest of the UK and Northern Ireland and to the rest of the world. Our motto is 'transforming lives equipping men' and our mandate is summed up in 3'D's- Discovery, Discipleship & Deployments.

We provide support through the inspiration of the Holy Ghost, to assist people to discover their purpose in life and in God, to disciple and mentor such individuals and to deploy them profitably in areas of their spiritual gifts and skills.

We are evangelical in belief, and as such we hold in high esteem, an effective and sound teaching of the Holy Scriptures.

We have continued an intensive believer's class on Sundays where new Christians and old are mentored and equipped in the basic knowledge of the Bible. At this meeting, there are questions and practical sessions where scriptures become alive, practical and relevant to individual needs and to empower believers in confronting life challenges and demands.

Leadership programmes are in place to identify potential leaders and give them opportunities to become effective and proficient departmental and House group fellowship leaders. We continue to have 3 house group fellowships at three different locations in the town, with the aim of introducing God to the people at the street level and at the neighbourhood level.

We have also in place leaders to coordinate the children's church and the Youth Church on Sundays.

We have also continued with Prayer meetings, praying to God on behalf of the church and standing in the gap for our land, families, country and national government; so that the will of God will be done through us, by us and for us.

Church On The Rock Dominion Centre

Report of the Trustees

Charitable activities and future plans (continued)

When the COVID-19 pandemic broke out, we followed strict Government guidance on Public health and our own infection prevention control policy, including closing congregations access to the church during the 18-months COVID-19 lockdown and restrictions to places of worship. And while restrictions were being eased, we put health and safety measures in place prior to re-opening of the church following the guidelines. We bought several boxes of recommended face masks/face shields including hand sanitisers, wall and floor one-directional posters and signs to direct passage of people via a one-way system and a different route to exit the church. Much of the work were done over a period of time including the fixing of hand-gels brackets/holders on the wall, upstairs and downstairs and posters that tells people the direction to go while leaving the toilets areas. There were crowd control ropes in place to cordoned off different seating areas/bubbles, allowing members of same families as opposed to others who are not of the same bubble to sit together. We also provided food items and other psychological and emotional support to older individuals amongst us, especially, those living alone where we provided basic food items and toiletries especially, when food shelves and supermarket shelves at the time were empty because of panic buying. Members gave their time and money, both personally and collectively to rally round support to a host of people, some of whom at the time had their incomes sliced. We are in the recovery phase at the moment, as some are still not back in the church, albeit the church has been opened. We are praying that the church will revert back to pre-pandemic attendance and even more

We have carried out improvements to the sound system in the church, and continue to review the accessibility of the building.

We pray that the church will continue to grow in strength and in leaps and bounds this year and subsequent years in Jesus' name.

FINANCIAL REVIEW

The trustees continue to work towards maintaining unrestricted funds at a level which equates approximately three months of unrestricted expenditure.

The largest financial commitment of the charity was the mortgage on Dominion Centre, which was fully repaid in the year.

Please refer to the annexed accounts for a review of the finances of the Charity.

Review of financial position

At the balance sheet date the charity had total funds of £122,755 (2021 £118,885), all of which were unrestricted. That total includes £15,460 (2021 £13,125) held in a bank account. All funds are unrestricted.

Report of the Trustees

STATEMENT OF TRUSTEES'/DIRECTORS' RESPONSIBILITIES

The trustees (who are also the directors of Church On The Rock Dominion Centre for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charitable company will continue its operations.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the accounts comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees submit their report and financial statements for the period which comply with current statutory requirements and the governing documents of the charity.

The trustees are also responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation on the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Small company provisions

This report has been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime.

This report was approved by the board on 31 October 2022 and signed on its behalf.

Church On The Rock Dominion Centre
Independent Examiner's Report
for the year ended 31 January 2022

I report on the accounts of Church On The Rock Dominion Centre for the period ended 31 January 2022, which are attached.

Respective responsibilities of trustees and examiner

The charity's trustees (who are also directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to an audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act), and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

- 1 which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with Sections 386 and 387 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of Sections 394 and 395 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice; Accounting and Reporting by Charities;have not been met; or
- 2 to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
