Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The principal purpose of the church is the advancement of the Christian faith according to the principles of the Baptist denomination. The Church may also advance education and carry out other charitable purpose in the United Kingdom and/or other parts of the world.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Victory Baptist Church Trustees (VBCT) are committed to ensure that people from different backgrounds are welcome to worship with us and to become part of our church community. The VBCT ensures that our evangelistic (outreach) services are as inclusive as possible to encourage all groups of people from different backgrounds and ages to be part of the church community.

VBCT have considered the Commission's guidance on public benefit and the specific guidance on charities for the advancement of religion. We strive to support ordinary people to live out their faith as part of our church community through:

1. **Worship and prayer**, learning about the Gospel, and developing their knowledge and trust in Jesus. Regular Sunday services, communion service on first Sunday of each month, Bible studies and prayer meeting each week.
2. Provision of **pastoral care** for people, who are members of the church. Contact anyone who attends for the first time by phone call and or email, as well as regular members who may need visits from time to time. Support members where necessary in diverse ways, for example newly married couples, families/single parents with new babies, the bereaved and/or homeless.
3. **Missionary work**. Annual contributions to Baptist Union of Great Britain and London Baptists. Ad hoc donations to individual charities in the local community and/or national/international charities.
4. **Outreach work**. Evangelistic activities to create an awareness of God's kingdom in the community. Invite members of the community to actively participate in such activities.

It is important that we maintain the material well-being of Victory Baptist Church as a true Bible-filled church to ensure the duties listed above are maintained.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Contributions made by Volunteers

We rely heavily on volunteers. We pay our Senior Pastor a part-time allowance. Our Assistant Pastor also receives a small allowance for visitations.

All services and activities are carried out by volunteers. This is a significant contribution to the church as we save on staff salaries and wages.

The continued reliance on volunteers is what has sustained the church financially to date. We couldn't carry on without their immense contributions.

Savings

We have a savings account London Baptist Property Board (LBPB) as we believe we will buy our own place of worship in future. We have not been able to add to our savings as our membership numbers have reduced and therefore tithes and offerings have reduced as well.

Summary of the main achievements of the charity during the year

Worship and Prayer

- Regular Sunday church service (in person and via Facebook)
- Wednesday Bible Studies (virtual via telephone conference)
- Friday Prayer meeting – interceding on behalf of the church, the individual needs, the local community and London in general.

Family Life and Pastoral Care

- Generally, we encourage members to call each other by phone and in person to help create fellowship and bonding, and to be each other's keeper.
- We have a main WhatsApp platform for the whole church, used as a notice board to convey messages to all. As new people join us we add them to this platform so they are not left out.
- We have separate WhatsApp platforms for men, women and young adults. These are used to communicate information that are relevant to the particular group members. Because these are smaller platforms, we ensure that we are in touch with one another.
- Members have open door access to our pastors and leaders and are encouraged to talk to someone whenever they need to.
- We have corporate fasting periods, beginning of January and the last week of each month. This helps in our spiritual growth.
- We have feasts like Thanksgiving dinner, Christmas dinner, Valentine dinner. Such feasts bring us together in informal settings and we are able to invite friends and family along. The women in the church are largely responsible for the cooking.

Mission and Evangelism

We also carried out these activities:

- **Compassion UK** - Church members continue to support this international charity to be able to help others who are less fortunate than we are. Several members sponsor children in poor countries around the world. They do so by direct debit from their individual bank accounts.
- We made our annual subscriptions to **Baptist Union of Great Britain** and **London Baptist Association**.
- In August, the Women's Fellowship made a **donation to The Leanne Pero Foundation**.
- We had a few outdoor evangelic activities outside Tooting Broadway Tube Station, sharing the Word of God and inviting people to join our church fellowship if they wanted to.

Children and Youth

Our young adults meet once a week and the numbers are slowly but steadily growing. These meetings help them discuss and learn about life skills and Christian principles that are relevant to them.

Section E

Brief statement of the charity's policy on reserves

General funds represent the funds of the Church that are not subject to any restrictions regarding their use and they are available for application for the general purpose of the Church.

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

- Our principal sources of funds are through donations, tithes and offerings, as well as special thanksgiving service (last Sunday in November) and Gift Aid claim. We encourage tax-paying members/attendees to sign up the gift-aid declaration.
- We continue to hold our savings account with London Baptist Property Board (LBPB) with a hope to buy our own place of worship in future, however due to our low numbers we have not been able to make new deposits since the lockdown.
