THE ATTWOOD EDUCATION FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2023

The trustees present their annual report together with the financial statements of the company for the year 1 April 2022 to 31 March 2023. The Annual report serves the purposes of both a trustees' report and a directors' report under company law. The trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

Objectives and activities

a. Policies and objectives

The principal objects of the charity are the advancement of education for the public benefit in the United Kingdom in such ways as the trustees think fit and in particular by:

- Providing grants and scholarships to school;
- Providing strategic support and governance to schools;
- Providing facilities, resources or service to schools;
- Supporting research into the provision of education in schools and universities; and
- Providing funding to support vulnerable children to advance with education.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives of the charity and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

b. Activities for achieving objectives

The Trust supports Bexhill Academy in Bexhill-on-Sea, East Sussex (which is a school for boys and girls aged between 11-16). It provides a scholarship to Bexhill Academy's most able student to attend Battle Abbey School for the sixth form. It will support the leadership of Bexhill to grow the Attwood Academies Trust into a multiacademy trust based in East Sussex and Kent. In addition it intends to invest this year in the creation of a chain of special schools building on the experience and expertise of the Ian Mikardo Academy in Tower Hamlets.

c. Grant making policy

The aims of the charity are to provide support for education of young people in local schools in Kent, East Sussex and London, as well as supporting schools elsewhere in the United Kingdom. The charity also provides scholarships to further the education of students in Greece. These aims, objectives and activities are reviewed each year.

THE ATTWOOD EDUCATION FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Achievements and performance

a. Review of activities

In pursuance of its charitable objects the charity has continued to support Bexhill Academy this year with donations of £2,000. In addition, the charity made donations of £7,693 to support the education of young people in Corfu.

In addition, the charity has made significant grants to the following:

- National Theatre (£25,000)
- Education Policy (£30,000)

Financial review

a. Going concern

Having considered post year end financial results, investments and cash reserves, and after making enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future being a period of not less than 12 months from the date the financial statements were approved. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

b. Reserves policy

At the year end the charity had significant liquid assets. The level of uninvested funds has been determined to enable the charity to meet the current planned charitable expenditure and foreseeable operating costs as they fall due.

As at 31 March 2023 the trust had unrestricted funds of £720,083 (2022: £808,432), of this all could be considered free reserves. The trustees do not consider that there is any optimal level of free reserves applicable to the charity given it has no ongoing commitments or operational activities. Therefore the trustees have not set a formal reserves policy.

Structure, governance and management

a. Constitution

The company was incorporated as a company limited by guarantee on 15 March 2012 and was registered as a charity on 24 October 2012.

b. Methods of appointment or election of trustees

The management of the company is the responsibility of the trustees who are elected and co-opted under the terms of the Trust deed.

c. Risk management

The trustees have assessed the major risks to which the company is exposed, in particular those related to the operations and finances of the company, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Trustees' responsibilities statement

The trustees (who are also directors of The Attwood Education Foundation for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period, in preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence or taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2023

Independent examiner's report to the trustees of The Attwood Education Foundation ('the company')

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 March 2023.

Responsibilities and basis of report

As the trustees of the company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the company's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the company's trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's trustees as a body, for my work or for this report.

1.3 Going concern

Having considered post year end financial results, investments and cash reserves, and after making enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future being a period of not less than twelve months from the date of approval of these financial statements. 1.4 Income

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. 1. Accounting policies (continued)

1.6 Investments

Loans to these entities are included in investments where they are of a long-term nature.

1.7 Financial instruments

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.8 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.
