## Structure, Governance and Management

The charity is an unincorporated association of parents, guardians, carers, staff and teachers governed under the constitution adopted on 25th May 2012.

The trustees are appointed for the forthcoming year by the members of Parents, Teachers and Friends Association during the Annual General Meeting (AGM) held in the autumn term each year.

## Objectives and Activities

The objectives of the charity are:

- To raise funds for extra facilities, activities and equipment at Joseph Hood Primary School, and to allocate those funds to projects conforming to objectives set by the committee of the charity.
- To enhance the school experience outside of normal educational spending and to meet further objectives set at the AGM each year where possible.
- To develop effective relationships between the staff, parents and other associated with the school.

The Executive Committee, as trustees of the charity, confirm that they have complied with their duty to conduct the affairs of the charity with due regard to the Charity Commission's guidance on public benefit.

## Achievements and Performance

We have raised slightly less of fund in the year ended 30 September 2024 to those raised in the previous year. The number of people engaging in this collective endeavour is reducing each year. We rely on a loyal and determined group of individuals to ensure the success of the charity. The charity remains dependent upon parents, teachers, friends and trustees to make the charity successful. We are very grateful to these people for continuing to give up their time in order to organise and run the events.

The main activities for the year 2023- 2024 were the annual Christmas fete, Christmas Bazaar and Summer Fetes, Plus the Fun run, a Les Mills sponsored workout, and a number of smaller community events including discos, cake sales and quizzes.

The profit achieved has allowed the PTFA to put aside money for a number of projects which will benefit the school community.

In addition to this the charity continues to help to bring the school community together for a shared purpose and is valued for the social opportunities it provides.

## Financial Review

Receipts during the year totalled £29,519.66 (2023: £39,028.48) which represents a decrease on last year's receipts. This decrease is due to a correction in 2023 which has inflated those figures. Takings across all of our major events is consistent.

## Statement

The trustees have had regard to the guidance issued by the Charity Commission on public benefit. All activities that the charity provides have the sole objective of raising funds to contribute to the school for the enhancement of the pupil's education. Alongside this the charity aims to contribute to building a strong school community both with the parents and carers of the school as well as locally with the community and local businesses.

## Achievements and Performance

We have raised broadly consistent amounts of funds in the year ended 30 September 2023 to those raised prior to the COVID pandemic. The number of people engaging in this collective endeavour remains broadly constant. We rely on a loyal and determined group of individuals to ensure the success of the charity. The charity remains dependent upon parents, teachers, friends and trustees to make the charity successful. We are very grateful to these people for continuing to give up their time in order to organise and run the events.

The main activities for the year 2022- 2023 were the annual Christmas fete, Christmas Bazaar and Summer Fetes, a new Fun Run open to the local community, and a number of smaller community events including discos, cake sales and quizzes.

The profit achieved has allowed the PTFA to put aside money for a number of projects which will benefit the school community. It is anticipated that in the year ended 30 September 2024 there will be purchases of new playground equipment.

In addition to this the charity continues to help to bring the school community together for a shared purpose and is valued for the social opportunities it provides.

## Financial Review

Receipts during the year totalled £37,631.17 (2022: £25,476.07) which represents an 30% increase on last year's receipts. Income from donations has increased, as well as matched funding. The new fun run event was a success, and takings across all of our major events is consistent.
