Trustees' Annual Report

Year ended 31 December 2022

The trustees present their report and the unaudited financial statements of the charity for the year ended 31 December 2022.

Reference and administrative details

Registered charity name	NARAYAN SEVA SANSTHAN UK
Charity registration number	1149630
Principal office	68-76 Belgrave Road London SW1V 2BP

The trustees

Mr B.P. Patel
Mr B Krishen
Dr P Patel (Retired 26 November 2022)

Independent examiner Mr K Patel (FCCA)

Structure, governance and management

Governing Document

The Charity is an unincorporated organisation governed by a Trust Deed dated 1st October 2012. The Trust was created by three Trustees.

Recruitment and Appointment of Board of Trustee

The power of appointing new or additional Trustees is vested in the Original Trustee who seeks to ensure a good mix of skills from the business, social and voluntary sectors. The number of Trustees shall be not less than two and not more than five.

Trustee Induction and Training

The Charity has a comprehensive trustee induction program that covers all aspects of responsibilities, policy and procedures.

Organisational Structure

The trustees manage day to day operations and have overall responsibility for the strategic direction, policy, human and financial resources of the charity.

NARAYAN SEVA SANSTHAN UK

Trustees' Annual Report *(continued)*

Year ended 31 December 2022

Objectives and activities

The objects of the charity are:

- a.) To relieve financial hardship, distress and suffering among poor people, widows, orphans, refugees, victims of natural disasters and other people in need, by means of, but not exclusively, making grants or loans for providing or paying for items, equipment, services and facilities, including the provision of food, water, clothing, medical treatment, rehabilitation and accommodation for the said persons;
- b.) To advance education for the benefit of the poor, the underprivileged and people in need by (but not limited to), the assistance in the provision of educational activities and facilities such as literacy centres;
- c.) To relieve sickness and to preserve good health among poor people, orphans, widows, the blind, the disabled and people in need, by means of, but not exclusively, the provision of facilities or services for treatment, financial assistance, support, education, practical advice and counseling;
- d.) The relief of financial need and suffering among victims of natural or other kinds of disaster in the form of money (or other means deemed suitable) for persons, bodies, organisations and/or countries affected including the provision of medical aid;
- e.) Any such other purposes deemed charitable by the law of England and Wales as the trustees shall from time to time determine.

Achievements and performance

Key achievements of the charity has been:

Education

- a.) Additional facilities acquired for the training of people in carpentry, black-smith trade and leather work.
- b.) Provision of tools and raw materials.
- c.) Provision of children school clothing, books and stationary.
- d.) Organising expositions on Ramayana, puranas etc with the purpose of spreading the message of humanity.

Health

- a.) Maintaining a mobile medical care unit equipped with all the necessary modern facilities that is ready to go at any time.
- b.) Providing medications and vaccinations such as polio vaccines to the most rural areas.

Community development

- a.) Over 600 children have been taken care and sent back to the main social stream.

NARAYAN SEVA SANSTHAN UK

Trustees' Annual Report *(continued)*

Year ended 31 December 2022

Financial review

Principal funding sources

The principal funding sources for the charity are currently by way of individual donations via standing orders or cash and cheque payments.

Aside from retaining a prudent amount in unrestricted funds each year most of the charity's funds are sent to its partner organisation in India called Narayan Seva Sansthan Udaipur in furtherance of the charity and supporting its key objectives.

The trustees are satisfied that the charity's assets are available and adequate to fulfil its obligations. The trustees consider the financial performance by the charity during the year to have been satisfactory. Net incoming resources and the financial position of the charity are as per pages 6 and 7.

Plans for future periods

The charity aims to create more training facilities to cope with the ever more increasing demand as more people are introduced to the organisation from hospitals and rehabilitation facilities.

It also wants to purchase a few more mobile medical care units as demand for its services is increasing rapidly and to reach further rural areas.

The trustees' annual report was approved on 30 November 2023 and signed on behalf of the board of trustees by:

Mr B.P. Patel
Trustee

Mr B Krishen
Trustee

NARAYAN SEVA SANSTHAN UK

Independent Examiner's Report to the Trustees of NARAYAN SEVA SANSTHAN UK

Year ended 31 December 2022

I report to the trustees on my examination of the financial statements of NARAYAN SEVA SANSTHAN UK ('the charity') for the year ended 31 December 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

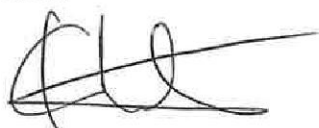

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Mr K Patel (FCCA)

NARAYAN SEVA SANSTHAN UK

Notes to the Financial Statements

Year ended 31 December 2022

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 68-76 Belgrave Road, Victoria, London, SW1 2BP.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

NARAYAN SEVA SANSTHAN UK

Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings	-	25% reducing balance
-----------------------	---	----------------------

NARAYAN SEVA SANSTHAN UK

Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

3. Accounting policies *(continued)*

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

NARAYAN SEVA SANSTHAN UK

Notes to the Financial Statements *(continued)*

Year ended 31 December 2022

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.
