Organisational Structure

The trustees meet regularly and have responsibility for the general, legal and fiscal oversight of the charity.

The day to day work of the Trust is delegated to the church leaders and both paid and voluntary staff. This work is led by the Elders Andrew Simpkins, James Noble, Paul Harrison, Matt Clayton (until 1st May) and Simon Brown (from 18th September).

Three of the Elders are on the staff of the Church; Andrew Simpkins, who leads the team, James Noble, who oversees day to day operations of the church, the mid-week Church groups which meet in the community and runs Coventry's Motofest weekend and Paul Harrison, who leads on Stoke site Sunday mornings and young adults work.

The Church is part of the Catalyst Network of Churches. The Church leaders meet regularly with other leaders from the network both in the UK and overseas. The Catalyst Network of Churches is part of the Newfrontiers International family of Churches.

Trustee Appointment, Induction and Training

Trustees are required to agree with the Church's statement of faith. Trustee induction includes briefing with the Chair of Trustees and one of the Elders on the role of Trustees. It also includes the provision and review of the charity commission material on the role of the trustee. The need for further Trustee training is kept under review by both Elders and the Chair of Trustees.

Risk Management

The Trustees have established a system of risk management that considers both the strategic and operational risks to the charity. Action plans have been put in place to manage key risks and there are documented risk assessments for all key areas of Church activities including working with children and health and safety issues.

Objectives and Activities

Jubilee Church derives its name and purpose from a chapter in the Bible; Isaiah 61, with the year of the Lords favour being his Jubilee.

"The Spirit of the Lord God is upon me, because the Lord has anointed me to bring good news to the poor; he has sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to those who are bound; to proclaim the year of the Lord's favour, and the day of vengeance of our God; to comfort all who mourn; to grant to those who mourn in Zion— to give them a beautiful headdress instead of ashes, the oil of gladness instead of mourning, the garment of praise instead of a faint spirit; that they may be called oaks of righteousness, the planting of the Lord, that he may be glorified."

Trustees Report cont'd

For the Year Ended 31 December 2022

Aims

To enjoy and proclaim the year of the Lords favour.
To make disciples – we want to become more like Jesus and teach and show others to do likewise.
To plant Churches – in both the local area and overseas.
To reach other nations – we are part of a worldwide family of Churches. We are committed to supporting other Churches which are part of this network.

How Our Activities Deliver Public Benefit

Jubilee Church holds weekly meetings in Coventry on a Sunday at the Henry Fry Centre in Coventry city centre and simultaneously in the Stoke area of the city. There are dedicated children's groups for 3 to 18 years. During the university term times there is a weekly Church prayer meeting; Powerhouse, on a Sunday evening.

The majority of people within Jubilee are part of a small group. These small groups are designed to provide a context for community in the Church where people can get to know each other better. We consider this to be more and more important as the Church grows.

Jubilee Church support to the Church in Cambodia finished during 2022. Jubilee Church has continued to develop its relationship with churches in Bosnia & Herzegovina and Croatia. During 2022 Andrew Simpkins was able to visit Croatia, however the majority of support was financial support by funding some of the expenses of one of the in country leaders as he serves Churches in that area.

Jubilee Church continues to provide services for the benefit of those in the city of Coventry this is mainly in the form of Motofest and direct grants to Hope Coventry where Andrew Simpkins is a trustee. The Motofest event was due to take place in September 2022. Unfortunately the sad death of HM Queen Elizabeth was announced on the day before the event was due to take place and the festival was therefore postponed until spring 2023. However, Motofest was able to make a significant contribution towards the salary costs of James Noble as he dedicated more of his time to planning the events for this and future years.

Achievements and Performance

Jubilee continues to be a healthy and vibrant Church attended by around 200 people, who have been able to continue to worship God, learn more about him and tell others about him.

The church in Cambodia that we have been supporting for many years has suffered through the Covid pandemic. Once public meetings were eventually permitted to recommence in Phnom Penh it was felt the church group was no longer viable. The church was closed and the £ 10,450 cash balances they held were transferred back to Jubilee Church Coventry. These are now being held in a separate fund to be used for future church planting projects in Cambodia.

During the autumn of 2022 we were successful in the purchase of St Columba's, a closed church building close to the City Centre of Coventry. It is held on a long lease (1,000 years from 1664). The total purchase price including acquisition costs was £563k. This was funded from the building fund and general reserves. An offering was held for the refurbishment costs of the building and £140k was raised which is now held in the building fund. The refurbishment will commence during 2023, in line with available funds.

Trustees Report cont'd

For the Year Ended 31 December 2022

Financial Review

Jubilee Church made a surplus of £175k during 2022. This is a £14k surplus on unrestricted funds and £161k surplus on restricted funds.

Restricted funds are mainly due to gifts received (and the associated gift aid) for building refurbishment, our work with the poor and the closed work in Cambodia.

Investment Policy

Surplus funds are reviewed on a regular basis and where available invested within interest bearing bank accounts. The aims of the investment policy are to maximise the returns achieved subject to minimal risk and the requirement to maintain short term availability of all funds.

Grants Policy

Jubilee is not primarily a grant giving charity. However, the Church does seek to be generous and support a number of other organisations with similar aims and objectives. Jubilee gave regularly to the Catalyst Network of Churches, to Hope Coventry and to support the work of the Church in Cambodia and Bosnia & Herzegovina.

Reserves Policy

Jubilee Church aims to hold the equivalent of three months expenditure as general reserves.

Related Parties

Jubilee Church is involved in the work of the Catalyst Network of Churches and has given financially to this work. Andrew Simpkins is a Trustee of the Catalyst Network of Churches and Jubilee Church, Coventry.

Jubilee Church is involved in running Coventry Motofest by supporting through employee and volunteer time. James Noble and Andrew Simpkins are Directors of Coventry Motofest Ltd and Jubilee Church, Coventry.

Jubilee church makes small grants to Hope Coventry. Chris Edwards is employed by Hope Coventry and a Director of Jubilee Church Coventry. Andrew Simpkins is a director of Hope Coventry and Jubilee Church Coventry.
