## TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2025

### STRUCTURE, GOVERNANCE AND MANAGEMENT

Global Commission Partners (Europe) commenced operations on 1 March 2012 and is registered as a Charity in the UK and governed under its Trust Deed dated 18 October 2012.

The Trust Deed requires between three and seven trustees to serve at any one time. New trustees are appointed by resolution at meetings of existing trustees. Names of the Director and Trustees who served during the year are set out on the preceding page.

### OBJECTIVES AND ACTIVITIES

The objective of the Trust is set out in the Trust Deed, namely the advancement of the Christian faith by supporting indigenous ministries working among ethnic groups of the world who have not yet heard the good news of Jesus Christ. This is achieved through raising awareness, raising financial support for overseas projects and individuals, and prayer.

### ACHIEVEMENTS AND PERFORMANCE DURING THE YEAR

Fundraising continued in UK and Switzerland, mainly from our existing donor base. Over £24,000 (2024: £32,000) was disbursed to relief and mission projects during the year.

After a lifetime of service in mission leadership in Africa and the UK, our Director Dr David Carling was called home to his Lord on 13 February 2025. A service of thanksgiving for his life and ministry was held in Lancaster and the hundreds who gathered were testament to the esteem in which he was held. Shirley McLellan has assumed the role of Interim Director for now, as we consider the future.

The Trustees have had full consideration of the Charity Commission's guidance on Public Benefit in determining the activities carried out in achievement of the Trust's objectives and exercising any powers or duties to which the guidance is relevant.

We continue to work closely in partnership with Global Commission Partners (US) in fulfilling our key objectives, especially in relation to overseas projects. Most project administration is outsourced, enabling a significant reduction in office and travel costs. Other operating costs are minimal.

### RESERVING POLICY

Restricted funds are used solely for specific projects and sponsorship. Separate funds are maintained for each project and for each sponsored individual. Project funds are remitted on a periodic basis.

Unrestricted funds are used to cover project administration and other operational costs. The Trust seeks to maintain sufficient funds to cover its likely operational expenses for 12 months plus an additional contingency reserve. The Trustees keep this policy under review and consider it remains appropriate.

## TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

### STRUCTURE, GOVERNANCE AND MANAGEMENT

Global Commission Partners (Europe) commenced operations on 1 March 2012 and is registered as a Charity in the UK and governed under its Trust Deed dated 18 October 2012.

The Trust Deed requires between three and seven trustees to serve at any one time. New trustees are appointed by resolution at meetings of existing trustees. Names of the Director and Trustees who served during the year are set out on the preceding page.

### OBJECTIVES AND ACTIVITIES

The objective of the Trust is set out in the Trust Deed, namely the advancement of the Christian faith by supporting indigenous ministries working among ethnic groups of the world who have not yet heard the good news of Jesus Christ. This is achieved through raising awareness, raising financial support for overseas projects and individuals, and prayer.

### ACHIEVEMENTS AND PERFORMANCE DURING THE YEAR

Fundraising continued in UK, Switzerland and Germany, mainly from our existing donor base. Over £52,000 (2020: £45,000) was disbursed to relief and mission projects during the year.

The Trustees have had full consideration of the Charity Commission's guidance on Public Benefit in determining the activities carried out in achievement of the Trust's objectives and exercising any powers or duties to which the guidance is relevant.

We continue to work closely in partnership with Global Commissions Partners (US) in fulfilling our key objectives, especially in relation to overseas projects. Most project administration is outsourced, enabling a significant reduction in office and travel costs. Other operating costs are minimal.

### RESERVING POLICY

Restricted funds are used solely for specific projects and sponsorship. Separate funds are maintained for each project and for each sponsored individual. Project funds are remitted on a periodic basis.

Unrestricted funds are used to cover project administration and other operational costs. The Trust seeks to maintain sufficient funds to cover its likely operational expenses for 12 months plus an additional contingency reserve. The Trustees keep this policy under review and consider it remains appropriate. As the fund balance available exceeded the policy requirement the Trustees approved the transfer of £1,500 from the Unrestricted Fund to Restricted Funds for the disbursement towards project expenditure.
