Report of the Trustees
for the Year Ended 31 December 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

WITNESSING: NURTURING: MENTORING

TTT pursues a united and growing vision for God's work with young people. It is committed to working together with young people to be witnesses to them, to nurture them in faith and mentor them. It does this by providing a consistent Christian presence and role models for young people in local secondary schools, local churches and across our community. It works with people of all faiths and none providing a broad range of activities, both Christian and secular.

Public benefit

The review of activities and highlights included below sets out how TTT's work provides significant benefit to the public. This work has been and is consistently praised by local councillors, the heads, and teachers at local schools where TTT works, our local MP (and former Chancellor of the Exchequer) the Police and other local bodies. This work is also highly regarded by the young people that TTT serves.

In its decision making the Board of TTT is mindful of and complied with its duty to have due regard to the Charities Commissioner's public benefit guidance when it has exercised any powers or duties to which this guidance is relevant.

Charitable activities

The Churches Together in Godalming and District formed the Trinity Trust Team in the late 1990's with the vision to deliver Christian led activities and positive role modelling for the young people in the Godalming area through church, school, and community-based programmes.

In January 2013, TTT was established as a Charitable Company and continues to meet the needs of the young people in the area through a wide range of inclusive groups, programmes and activities delivered through the established operating areas of school, church, and community settings.

TTT enjoys excellent working relationships with the town's two secondary schools, Rodborough, and Broadwater and local junior and primary schools that receive regular visits from the team as they deliver assemblies and workshops.

TTT also plays an influential role regarding community cohesion and is often invited to join multi-agency working parties relating to youth provision and youth related anti-social behaviour by local statutory bodies such as Surrey Police and Town Council. It was the consultation TTT delivered to one such working party that informed the local Town Council's decision to create a dedicated youth hub and employ a team to run it.

The Trust was awarded a five-year grant from the National Lottery in 2020 to support its work with children and young people in local communities. The National Lottery praised TTT for how it adapted its offer to comply with government restrictions on Out of School Settings during various lockdowns. From the spring/summer term 2022, TTT was able to fully resume all programmes in-person and run its popular Summer Activities Programme during the first week of the school summer holidays.

We thank the many individuals, churches and grant giving bodies for their ongoing financial support. In particular, we are most grateful to The National Lottery 'Reaching Communities' fund, the Erica Leonard Trust, and the John Bean Trust.

ACHIEVEMENT AND PERFORMANCE

Some highlights of 2023

Outreach: For over a decade, TTT has had a presence in the Aaron's Hill area, an area recognised as of 'high need' (due to issues such as unemployment, low income, and social housing) and has become accepted and valued by local families and young people who also see us in schools. Every Friday afternoon and evening through spring and summer, we organise outdoor activities on the green in the centre of the estate, during the winter, we partner with the Godalming Youth Service mobile provision so we can maintain engagement with the young people. Consistency of presence is a rock on which much of what TTT does is built; over 20 years of faithfully serving local young people.

Friday Night Social: One aspect of TTT's work is to create partnerships with local organisations, and the Friday Night Social is one such partnership new in 2023. The newly formed Godalming Minster draws two CofE parishes into one and comprises four churches. TTT runs Friday Night Social with the Minster youth team having also partnered with them to deliver a Christian Union into one of the town's two secondary schools. Each Friday evening young people of secondary age enjoy games, peer-social time, a tuck shop, and there are plans to grow this provision in 2024.

Summer Activities: TTT was delighted to offer another affordable and accessible activities programme in 2023, during the first week of the school summer holidays. Funding from National Lottery Reaching Communities is key and the team were able to take young people, (many from disadvantaged backgrounds) to outward bounds and activities centres, to enjoy karting, paintballing, a theme park and aqua park, all for highly subsidised rates. This highly anticipated programme remains a highlight for young people and staff alike.

Moving On Workshops: The team delivers a highly valued 'transition programme' in local schools that comprises Moving On workshops for Year 6 pupils and Induction sessions ahead of Year 7. The Year 6 workshops tackle practical issues around adapting to a new school site and managing the challenges of getting to the right place at the right time with the right resources using interactive games and activities. The team is then on hand to help welcome the students into secondary schools on their intake day team bonding sessions. The support TTT offers staff and students at this pivotal touchpoint in the educational cycle is widely regarded and highly valued.

School assemblies/RE Days: For over 20 years, TTT has delivered high quality assemblies to local junior and secondary schools and 2023 has been no exception. At Easter, we delivered the 'Three Trees', adapted from a children's fable and at Christmas, we delivered our 'Angel's Story' viewing the events surrounding the nativity through the eyes of the angel's involved. After both these assemblies at Godalming Junior School, we stayed on for the morning to facilitate lessons in each of the Year 3-6 classes based on an Easter or Christmas theme. The staff are so appreciative regarding our preparation and delivery on these days and the pupils remember the dramas for years afterwards.

FINANCIAL REVIEW

Financial position

We are pleased to report that, in terms of 2023, funding levels remained supportive of this vision as the activities of the Charity returned to more normal levels following the COVID pandemic. We are most grateful for the support of many individuals and organisations who have contributed to this work.

Reserves policy

TTT receives its core funding from local churches. Each year, it starts with a deficit in relation to its budget and it sets out to bridge this gap through voluntary contributions and fund raising. The unrestricted reserves of TTT are approximately £75,000, representing over twelve months of operating income or over twelve months of budget deficit. The Directors do not consider these reserves to be excessive and are committed to using these funds if the annual budget deficit cannot be met from other sources. Should it become apparent that a combination of reserves and current income are no longer sufficient to support the charity on an ongoing basis, the Directors act to close down the charity in an orderly fashion.

FUTURE PLANS

The focus of the Trustees of TTT for 2024 is to continue to fund the vision of the charity so that its work may continue and the TTT team to continue its excellent work. The direction of the charity will continue to be led by prayer and a commitment for the team to go where God wishes them to go. The team remains committed to bringing the love of Jesus Christ into the lives of young people. The Trustees are committed to searching for further grants and other forms of financial support for TTT.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
