The Football Association set policies and standards for its Charter Community Standard clubs to ensure they are well run and sustainable.

All volunteers are required to have a DBS disclosure check to ensure that they are safe to work with children and young adults. These checks are also evaluated every three years in accordance with FA policy.

The Football Association also has a Child Protection Policy in place that the club is required to adhere to.

First Aid training for all volunteers is also required, which has to be refreshed every three years.

## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

The charity's object is the promotion of community participation in healthy recreation by the provision of facilities for people of all ages to play football.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

The club provides playing facilities, coaches and all the necessary equipment to enable participation in football activities between the ages of 4 and 18. This covers weekly training and team participation for all levels of ability.

The club also currently operates two open age womens teams.

The club continues to encourage the participation of girls in football with particular emphasis at the younger age groups, with the aim of introducing new teams each season.

The committee/trustees keep in mind the Charity Commission guidance on public benefit when planning the club's activities during their meetings.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

All trustees, managers and coaches are volunteers, receiving no remuneration or other benefits.

Without the work of these volunteers, the club would not be able to achieve its aims and objectives.

These volunteers give up many hours both in providing coaching to the young people, facilitating matches and also attending the relevant courses that are required to achieve and maintain their status as qualified coaches within the Football Association framework.

All funds raised that are not immediately required are placed on deposit and invested for the club's future.

**Summary of the main achievements of the charity during the year**

The trustees and volunteers within the club have continued to work tirelessly during the year to once again maintain its status as an FA Charter Standard Community Club, which is the highest of the three levels of FA Charter Standard awards.

This demonstrates the club's standing as a well run, sustainable club, which prioritises:

- Child Protection
- Quality Coaching
- Implementation of The FA respect programme

The club continues to develop, especially via initiatives at the younger age groups, such as the weekly fun club for 4 to 7 year olds and the Wildcats programme which facilitates the development of girls football.

## Section E Financial review

### Brief statement of the charity's policy on reserves

All funds raised are re-invested in the club to continually develop the facilities and to provide the best possible equipment for its members.

Funds that are not immediately required are held on deposit as unrestricted funds for when needed.

### Details of any funds materially in deficit

N/A

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
