Structure, governance and management

The Trustees of Madina Mercy (Previously Planet Mercy) present their report together with the charity's financial statements for the year ended 31/03/2025.

Governing document

Madina Mercy is constituted as a charitable trust registered with the Charity Commission in December 2012 under charity number 1150069. It is governed by a deed of trust last updated in July 2000.

Organisational structure

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

Our objectives

Madina Mercy exists to relieve poverty, advance education, and improve the wellbeing of vulnerable individuals and families in the UK and internationally. Guided by the principles of compassion, dignity, and service, the charity aims to support communities facing hardship by providing essential aid, development opportunities, and long-term support that fosters independence and resilience.

Activities and Achievements During the Year

During the year, the charity continued to deliver a range of humanitarian, welfare, and community-development projects. Key activities included:

- Emergency Food and Basic Needs Support: Distribution of food parcels, hygiene kits, clothing, and emergency assistance to individuals and families experiencing poverty or crisis.
- Community Support and Outreach: Ongoing support for local communities through wellbeing initiatives, educational workshops, and engagement activities aimed at reducing social isolation and improving quality of life.
- Youth and Educational Initiatives: Providing learning support, mentoring, and skills-building opportunities to young people to enhance personal development and future opportunities.

These activities have directly supported many beneficiaries, helping to alleviate hardship and improve living conditions for those most in need.

Use of Volunteers

Volunteers are an important resource in both our faith and community work. Volunteers are involved in most of our faith and community activities. All our trustees give their time freely. We encourage all members of our charity to be involved in voluntary activities and to share their skills with others.

Public Benefit

The Trustees confirm that they have complied with their duty to have regard to the Charity Commission's guidance on public benefit, ensuring that all activities undertaken during the year were in line with the charity's objects and provided clear benefit to the public.

Docusign Envelope ID: E3853AA5-348A-4228-9BD8-2A7B17C4943A

Use of Resources

The charity's resources have been applied carefully and responsibly to maximise impact. Funds raised during the year were allocated to charitable activities, project delivery, and essential operational costs that enable the organisation to function effectively. All expenditure was monitored to ensure value for money, and all projects were assessed to ensure they furthered the charity's aims.

A combination of volunteer contributions, community fundraising, grants, and donations allowed the charity to maintain and expand its services. The Trustees are grateful to all supporters, volunteers, and partners whose contributions make the charity's work possible.

Conclusion

The Trustees are satisfied that during the year Madina Mercy has continued to fulfil its mission of supporting vulnerable individuals and transforming communities through compassion-driven charitable work. The charity remains committed to increasing its reach, strengthening its projects, and ensuring that resources are used effectively to support those most in need.

Madina Mercy

Statement of Trustees' responsibilities

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 1993, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees for the purposes of charity law who served during the period up to the date of this report are set out on page 1.

Approved by the trustees and signed on its behalf by:

Structure, governance and management

Governing document

Planet Mercy is constituted as a charitable trust registered with the Charity Commission in December 2012 under charity number 1150069. It is governed by a deed of trust last updated in July 2000.

Organisational structure

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

Objectives and activities

Our aims

The objects of the charity are set out in the charity's trust deed and are summarised as follows:

- To develop the capacity and skill of the members of the socially and economically excluded and / or disadvantaged community of Greater Manchester in such a way that they are better able to identify, and help meet, their needs so that they may participate more fully in society. (the trustees in furthering this object are required to work for the benefit of all but in line with the teachings of Islam)

- To further such other charitable purposes as the trustees see fit from time to time (in furthering this object the trustees are required to work for the benefit of all but in line with the teachings of Islam).

Our objectives

Our objectives are set to reflect our faith and community aims. Each year our trustees review our objectives and activities to ensure they continue to reflect our aims. In carrying out this review the trustees have considered the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

Use of Volunteers

Volunteers are an important resource in both our faith and community work. Volunteers are involved in most of our faith and community activities. All our trustees give their time freely. We encourage all members of our charity to be involved in voluntary activities and to share their skills with others.

Planet Mercy

Report of the Trustees
for the Year Ended 31 March 2021

Structure, governance and management

Governing document

Planet Mercy is constituted as a charitable trust registered with the Charity Commission in December 2012 under charity number 1150069. It is governed by a deed of trust last updated in July 2000.

Organisational structure

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

Objectives and activities

Our aims

The objects of the charity are set out in the charity's trust deed and are summarised as follows:

- To develop the capacity and skill of the members of the socially and economically excluded and / or disadvantaged community of Greater Manchester in such a way that they are better able to identify, and help meet, their needs so that they may participate more fully in society. (the trustees in furthering this object are required to work for the benefit of all but in line with the teachings of Islam)
- To further such other charitable purposes as the trustees see fit from time to time (in furthering this object the trustees are required to work for the benefit of all but in line with the teachings of Islam).

Our objectives

Our objectives are set to reflect our faith and community aims. Each year our trustees review our objectives and activities to ensure they continue to reflect our aims. In carrying out this review the trustees have considered the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

Use of Volunteers

Volunteers are an important resource in both our faith and community work. Volunteers are involved in most of our faith and community activities. All our trustees give their time freely. We encourage all members of our charity to be involved in voluntary activities and to share their skills with others.

Planet Mercy

Statement of Trustees' responsibilities

The charity trustees are responsible for preparing an annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 1993, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees for the purposes of charity law who served during the period up to the date of this report are set out on page 1.

Approved by the trustees and signed on its behalf by:
