STAFFORDSHIRE WINTER SPORTS CLUB LIMITED

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE PERIOD ENDED 31 DECEMBER 2021

The trustees present their annual report and financial statements for the Period ended 31 December 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

Purposes and Aims

Our charity's purposes as set out in the objects contained in the company's memorandum of association are to:

For the benefit of the public in Staffordshire and surrounding area:

- 1) The preservation and protection of good health and the promotion of community participation in healthy recreation through sport and physical fitness.
- 2) To advance in life and relieve needs of young people through:
 - (a) The provision of recreational and leisure time activities provided in the interest of social welfare, designed to improve their conditions of life;
 - (b) Providing support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals.
- 3) To relieve the needs of people with disabilities as the trustees shall determine.
- 4) Such charitable purposes for the public benefit as are exclusively charitable according to the laws of England and Wales as the trustees may from time to time determine

All business decisions are made having given reference to the objects of the charity.

Ensuring our work delivers our aims

We review our aims, objectives and activities each year. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help. The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

The focus of our work

Our main objectives for the year, prior to lockdown due to COVID, was the promotion and prevention of health, educational, recreational and sporting activities. The strategies we used to meet these objectives included:

- Providing a range of educational programmes aimed at people of all ages, genders, ethnicity, ability, sexuality or ability which account for the majority of facility use at our ice rinks.
- Focusing upon providing pathways from our educational programmes into regular participation in activities that promoted good health, social interaction and personal development
- Provide educational opportunities for young people in the communities we work in through the introduction of apprenticeships.
- Continue to focus on reducing energy usage across our facilities to limit the impact on the environment.

How our activities deliver public benefit

Our main activities and who we engage with are described below. All our charitable activities focus on the provision of leisure, health, sports and educational activities and are undertaken to further our charitable purposes for the public benefit. These activities were suspended from March 2020 due to COVID and whilst the facilities were able to partially reopen, under restrictions, they are not open fully as at the end of May 2021.

Who used and benefited from our services?

The members confirm that they have complied with the duty in Section 4 of the Charities Act 2006 to have regard to the Charity Commission's general guidance on public benefit and have used this information when devising our aims and objectives and planning future activities.

The Charity is committed to providing affordable leisure and recreational programmes for the communities it works with and will achieve this by robust management, allowing prices to be kept affordable, and by reinvesting in new and existing activities. The Charity recognises that in order to successfully deliver its objectives it must also provide a high-quality experience for each and every service user. The monitoring of this is achieved using monthly independent mystery visits supported by a robust, transparent user engagement programme. The Charity works with a range of other charities and community groups to extend its impact and benefit to the wider community. An example of this is the provision of free educational ice skating and ice hockey programmes and the provision for structured social interaction activities for young people undergoing "home schooling".

Staffordshire Winter Sports Club strives for equity of access and works with local authority partners in delivering Council led initiatives at our centres. We undertake proactive research into grant funding to support the provision of activities for disadvantaged groups and provide free educational programmes. In our site in Uttoxeter we also provide special screenings of films in an environment for people with sensory related disabilities.

As a charity we work with local disability groups across our operating area to run activities and sessions for various ages and ability levels as well as providing educational programmes aimed specifically at those with a disability.

In order to support our local communities, we work with the various National Governing Bodies of sport to encourage people to either start, or return to, sports participation and we run open days offering free or very low-cost activities. Additionally, we work with local charities assisting them with fund raising and making facilities available for their use.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

Trading conditions have continued to be difficult, but the charity has managed its businesses well and has seen a steady income from its activities whilst open.

During lockdown the charity received financial support from several sources including local government, Sport England and the British Film Institute.

When possible during COVID, we opened our facilities for permitted activities and do so following the government COVID secure guidelines.

The charity made use of the government Furlough scheme which enabled the charity to retain and support its staff, where feasible, during the pandemic.

During the year we transferred Altrincham Ice rink, Widnes Ice rink, Coventry Ice rink and Solihull Ice Rink to operating under the charity.

Financial review

During lockdown the charity received financial support from several sources including local government, Sport England and the British Film Institute. Use of the government Furlough scheme enabled the charity to retain and support its staff, where feasible, during the pandemic.

The executive management team prepare the annual operational budget for the charity and this is approved by the board of management prior to the commencement of the financial year.

The board of management receive quarterly reports on the financial performance of the charity. These reports include an income and expenditure statement and balance sheet, both compared to budget and last year for the month and year to date.

All funds are generated through receipts from customers, from grants or from funding provided by our local authority partners. The majority of funds are spent on subsidising participation in activities.

Expenditure of these funds supports the key community objectives of the charity and the continued investment in improved services and facilities for the community.

Reserves Policy

The Board have agreed a minimum cash reserves policy equal to two months trading to protect against poor trading conditions or unexpected expenses. Currently the reserves have been utilised to meet the needs of the organisation during the pandemic.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Plans for future periods

We strive to continue to deliver high quality community programmes and to develop and expand our programmes into new communities.

Development of new facilities is also an on-going focus - identifying new opportunities that meet the needs of the community and also fulfil our charitable objectives.

In order to address the seasonal economic variations, we have experienced in relation to the ice rinks we intend to look to expand our provision into non-winter sports activities such as Netball or healthy lifestyle education programmes.

Structure, governance and management

The charity is controlled by its governing document, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The trustees, who are also the directors for the purpose of company law, and who served during the Period and up to the date of signature of the financial statements were:

The Charity has a two-year licence granted by The Ice Rink Company Limited to operate as Altrincham Ice rink and Widnes Ice Rink. The charity operates the rinks under the brand name Planet Ice.

The Charity has a two-year licence granted by PI Property (Leisure) Limited to operate Cinebowl and iSkate In Uttoxeter as well as Coventry Ice rink and Solihull Ice rink. The charity operates iSkate, Coventry Ice rink and Solihull Ice rink under the brand name Planet Ice.

The Charity has a two-year licence granted by Blackburn Ice Arena Limited to operate Blackburn Ice Rink. The charity operates the rink under the brand name Planet Ice.

The Charity has a two-year licence granted by Nice Leisure Limited to operate Leeds Ice Rink. The charity operates the rink under the brand name Planet Ice.

The Charity is affiliated as required to the National Governing Bodies for the sports it provides.

Risk management

The members of the Board have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The Board members confirm that the major risks to the charity have been reviewed and that systems or procedures have been established to manage those risks.

TRUSTEES REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE PERIOD ENDED 31 DECEMBER 2021

Statement of trustees responsibilities

The trustees, who are also the directors of Staffordshire Winter Sports Club Limited for the purpose of company law, are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that Period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

In accordance with the company's articles, a resolution proposing that Kinnaird Hill be reappointed as auditor of the company will be put at a General Meeting.

The trustees report was approved by the Board of Trustees.

STAFFORDSHIRE WINTER SPORTS CLUB LIMITED

INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES OF STAFFORDSHIRE WINTER SPORTS CLUB LIMITED

Opinion

We have audited the financial statements of Staffordshire Winter Sports Club Limited (the 'charity') for the Period ended 31 December 2021 which comprise the statement of financial activities, the balance sheet, the statement of cash flows and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2021 and of its incoming resources and application of resources, for the Period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

STAFFORDSHIRE WINTER SPORTS CLUB LIMITED

INDEPENDENT AUDITOR'S REPORT (CONTINUED)

TO THE TRUSTEES OF STAFFORDSHIRE WINTER SPORTS CLUB LIMITED

Responsibilities of trustees

As explained more fully in the statement of trustees responsibilities, the trustees, who are also the directors of the charity for the purpose of company law, are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

Identifying and assessing risks related to irregularities

We assessed the susceptibility of the charity's financial statements to material misstatement and how fraud might occur, including through discussions with the Trustee, discussions within our audit team planning meeting, updating our records of internal controls and ensuring these controls operated as intended. We evaluated possible incentives and opportunities for fraudulent manipulation of the financial statements. We identified laws and regulations that are of significance in the context of the charity by discussions with the Trustee and updating our understanding of the sector in which the charity operates.

Laws and regulations of direct significance in the context of the charity include the Charities Act 2011.

Audit response to risks identified

We considered the extent of compliance with these laws and regulations as part of our audit procedures on the related financial statement items including a review of financial statement disclosures. We reviewed the charity's minutes of meetings to identify potential misstatements arising. We discussed the charity's policies and procedures for compliance with laws and regulations with members of management responsible for compliance.

During the planning meeting with the audit team, the engagement partner drew attention to the key areas which might involve non-compliance with laws and regulations or fraud. We enquired of management whether they were aware of any instances of non-compliance with laws and regulations or any actual, suspected or alleged fraud. We addressed the risk of fraud through management override of controls by testing the appropriateness of journal entries and identifying any significant transactions that were unusual or outside the normal course of business. We assessed whether judgements made in making accounting estimates give rise to a possible indication of management bias. At the completion stage of the audit, the engagement partner's review included ensuring that the team had approached their work with appropriate professional scepticism and thus the capacity to identify non-compliance with laws and regulations and fraud.

There are inherent limitations in the audit procedures described above and the further removed the non-compliance with laws and regulations is from the events and transactions in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD ENDED 31 DECEMBER 2021

1 Accounting policies

Charity Information

Staffordshire Winter Sports Club Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is Muckley Corner House Walsall Road, Muckley Corner, Lichfield, Staffordshire, WS14 0BG.

1.1 Reporting period

The Charity has changed its reporting period during the year and the annual financial statements are presented for a period longer than one year. This is to bring the year end date in line across all ice rinks. For this reason, the comparative amounts presented in the financial statements are not entirely comparable.

1.2 Accounting convention

The financial statements have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.3 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.4 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.5 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE PERIOD ENDED 31 DECEMBER 2021

1 Accounting policies

(Continued)

1.6 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.7 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Plant and equipment	20% reducing balance
---------------------	----------------------

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.8 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.9 Stocks

Stocks are stated at the lower of cost and estimated selling price.

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

1.11 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE PERIOD ENDED 31 DECEMBER 2021

1 Accounting policies

(Continued)

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

1.12 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.13 Retirement benefits

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
