

# **Trustee Report**

**2021 - 2022**

The Trustees of Cats in Crisis are satisfied that the Charity has fulfilled its aim over the past year.

We have continued to trap stray, abandoned and injured cats throughout which all have received the necessary veterinary care needed. Where possible, the cats have been rehabilitated and re-homed.

We also successfully trapped 15 adults and 16 kittens over a 6-week period which were living between two empty properties. This has a huge impact on budgeting funds, as the cost runs into thousands, and is usually required across a short time period of time, although this is still ongoing with veterinary care.

Our small group of amazing volunteers continue to fundraise through our Charity Store, Ebay, jumble sales and, where possible, outside events. As well as raising money, this spreads the word about our Charity. As always, we are very grateful of the support received.

Cats in Crisis has supported many cat owners, giving advice and support with their own cats welfare, also members of the public with lost and found. We remain keen to continue to aid directly and indirectly with the welfare of cats across Lincoln and the surrounding villages.
