Immanuel Christian School
(A company limited by guarantee)
Trustees Annual Report

The trustees who are also the directors for the purposes of company law, present their report and the unaudited financial statements of the charity for the period ended 31st December 2024.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Immanuel Christian School is a company limited by guarantee governed by its Memorandum and Articles of Association dated 23 December 2011 and registered as a charity with the Charity Commission for England and Wales from 19 December 2012.

Appointment of trustees

New trustees are selected and appointed directly by the existing trustees, for an indefinite period of service.

Organisational structure

The company is controlled by the governors, all of whom are trustees and directors.

Risks

The major risks to which the charity is exposed, as identified by the trustees, have been reviewed and systems or procedures have been established to manage those risks. The school does not believe the imposition of VAT on school fees will put the school at risk of closure.

OBJECTIVES AND ACTIVITIES

Objectives and activities

The objects and charitable purposes of the Company are to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing, by establishing, maintaining, carrying on, managing and developing one or more schools with a religious character offering a broad and balanced curriculum conducted in accordance with the principles, practices and tenants of the Statement of Beliefs both generally and in particular in relation to arranging for religious education and daily acts of worship.

Achievements and performance

The school has continued to grow and flourish. Full time pupil numbers at the end of the year were fifty-six (up from forty-nine the previous year). Further pupils are signed up to join in future years with the school fully subscribed for the next three years. Two pupils successfully completed their GCSE exams and left the school to progress into KS5 in other schools and colleges. The school has identified new premises into which to expand in 2025/26. During this financial year the funds have been raised for the purchase of the premises which is expected to complete in Q2 2025.

Public benefit

In planning and undertaking these activities the trustees have taken note of the Charity Commission guidance on public benefit.

Immanuel Christian School
(A company limited by guarantee)
Trustees Annual Report

Public benefit (continued)

The school aims to educate children to a high standard, in preparation for contemporary society, in a supportive and happy environment which caters for the needs of the individual.

The school is non-selective and is committed to small class sizes which enables education to be provided for pupils with a range of educational needs.

The school is run as a non-profit making organisation with fees kept to a minimum to ensure widest possible access. The school offers financial assistance to those unable to meet the full fees payable. In 2024 nine pupils were assisted in this way. Further, the school actively seeks ways to establish itself as an integral part of the local community in which it is based. It was involved in a number of community initiatives in the village in which it is situated and nearby town.

FINANCIAL REVIEW

Income for the year was by way of voluntary donation and school fees totalling £473,452 (up from £232,788) with expenditure of £223,215 (up from £200,750). The unrestricted operating fund represents the charity's free reserves. At the end of the year this was £138,597.

THE ROLE OF VOLUNTEERS

The school benefits from a high level of parental involvement and volunteer support. This provides a strong support base from which the school can efficiently function. The role of Headteacher in the school is currently undertaken by a volunteer. The value to the school in terms of the cost to fund a replacement is in the region of £49,000 per annum.

PLANS FOR FUTURE PERIODS

The charity will focus on seeking additional premises to expand the pupil numbers in the school.

RESERVES POLICY

The trustees will aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to allow the charity to continue in an orderly manner whilst seeking additional sources of funds. For the period reported the unrestricted funds stand at £138,597.

RESPONSIBILITIES OF THE TRUSTEES

The trustees (who are also the directors of Immanuel Christian School Limited for the purpose of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources

and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are also responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the board on 27/08/2025.

Independent examiner's report to the trustees for the period ending 31st December 2024.

Respective responsibilities of trustees and examiner.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Independent examiner's report to the trustees for the period ending 31st December 2023.

Respective responsibilities of trustees and examiner.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the accounts

Note 1 Basis of preparation

1.1 Basis of accounting

The company was incorporated on 23 December 2011 and registered as a charity with the Charity Commission for England and Wales from 19 December 2012. These financial statements are presented for the period from 1 January 2023 to 31 December 2023.

These accounts have been prepared on the basis of historic cost (except that investments are shown at market value) in accordance with:

- Accounting and Reporting by Charities – Statement of Recommended Practice (SORP 2005);
- and with*

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Trustees Annual Report

The trustees who are also the directors for the purposes of company law, present their report and the unaudited financial statements of the charity for the period ended 31st December 2021.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Immanuel Christian School is a company limited by guarantee governed by its Memorandum and Articles of Association dated 23 December 2011 and registered as a charity with the Charity Commission for England and Wales from 19 December 2012.

Appointment of trustees

New trustees are selected and appointed directly by the existing trustees, for an indefinite period of service.

Organisational structure

The company is controlled by the governors, all of whom are trustees and directors.

Risks

The major risks to which the charity is exposed, as identified by the trustees, have been reviewed and systems or procedures have been established to manage those risks.

OBJECTIVES AND ACTIVITIES

Objectives and activities

The objects and charitable purposes of the Company are to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing, by establishing, maintaining, carrying on, managing and developing one or more schools with a religious character offering a broad and balanced curriculum conducted in accordance with the principles, practices and tenants of the Statement of Beliefs both generally and in particular in relation to arranging for religious education and daily acts of worship.

Achievements and performance

The school has continued to grow and flourish. Full time pupil numbers have increased to forty-two (up from thirty-nine the previous year). Further pupils are signed up to join in future years with the school fully subscribed for the next three years. The new examination centre was completed in 2022 and is fully operational giving two rooms plus an office. Two additional toilets and shower were also added to the main building.

Public benefit

In planning and undertaking these activities the trustees have taken note of the Charity Commission guidance on public benefit.

Immanuel Christian School
(A company limited by guarantee)
Trustees Annual Report

Public benefit (continued)

The school aims to educate children to a high standard, in preparation for contemporary society, in a supportive and happy environment which caters for the needs of the individual.

The school is non-selective and is committed to small class sizes which enables education to be provided for pupils with a range of educational needs.

The school is run as a non-profit making organisation with fees kept to a minimum to ensure widest possible access. The school offers financial assistance to those unable to meet the full fees payable. Further, the school actively seeks ways to establish itself as an integral part of the local community in which it is based. It was involved in a number of community initiatives in the village in which it is situated and nearby town.

FINANCIAL REVIEW

Income for the year was by way of voluntary donation and school fees totalling £210,622 (down from £276,118) with expenditure of £254,492 (up from £247,241). The unrestricted operating fund represents the charity's free reserves. At the end of the year this was £105,011.

THE ROLE OF VOLUNTEERS

The school benefits from a high level of parental involvement and volunteer support. This provides a strong support base from which the school can efficiently function. The role of Headteacher in the school is currently undertaken by a volunteer. The value to the school in terms of the cost to fund a replacement is in the region of £46,000 per annum.

PLANS FOR FUTURE PERIODS

The charity will focus on seeking additional premises to expand the pupil numbers in the school. The school also anticipates receiving an inspection during 2023.

RESERVES POLICY

The trustees will aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to allow the charity to continue in an orderly manner whilst seeking additional sources of funds. For the period reported the unrestricted funds stand at £105,011.

RESPONSIBILITIES OF THE TRUSTEES

The trustees (who are also the directors of Immanuel Christian School Limited for the purpose of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources

Immanuel Christian School

Responsibilities of the trustees (continued)

and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are also responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the board on 20/09/2023.

Independent examiner's report to the trustees for the period ending 31st December 2022.

Respective responsibilities of trustees and examiner.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

Trustees Annual Report

The trustees who are also the directors for the purposes of company law, present their report and the unaudited financial statements of the charity for the period ended 31st December 2021.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

Immanuel Christian School is a company limited by guarantee governed by its Memorandum and Articles of Association dated 23 December 2011 and registered as a charity with the Charity Commission for England and Wales from 19 December 2012.

Appointment of trustees

New trustees are selected and appointed directly by the existing trustees, for an indefinite period of service.

Organisational structure

The company is controlled by the governors, all of whom are trustees and directors.

Risks

The major risks to which the charity is exposed, as identified by the trustees, have been reviewed and systems or procedures have been established to manage those risks.

OBJECTIVES AND ACTIVITIES

Objectives and activities

The objects and charitable purposes of the Company are to advance for the public benefit education in the United Kingdom, in particular but without prejudice to the generality of the foregoing, by establishing, maintaining, carrying on, managing and developing one or more schools with a religious character offering a broad and balanced curriculum conducted in accordance with the principles, practices and tenants of the Statement of Beliefs both generally and in particular in relation to arranging for religious education and daily acts of worship.

Achievements and performance

The school has continued to grow and flourish. Full time pupil numbers have increased to thirty-nine (up from thirty-five the previous year). Further pupils are signed up to join in future years with the school fully subscribed for the next three years. The school laid the foundations of a new examination centre and began construction of the building in the final quarter of the year. The building will be completed in the first quarter of 2022.

Public benefit

In planning and undertaking these activities the trustees have taken note of the Charity Commission guidance on public benefit.

Immanuel Christian School
(A company limited by guarantee)
Trustees Annual Report

Public benefit (continued)

The school aims to educate children to a high standard, in preparation for contemporary society, in a supportive and happy environment which caters for the needs of the individual.

The school is non-selective and is committed to small class sizes which enables education to be provided for pupils with a range of educational needs.

The school is run as a non-profit making organisation with fees kept to a minimum to ensure widest possible access. The school offers financial assistance to those unable to meet the full fees payable. Further, the school actively seeks ways to establish itself as an integral part of the local community in which it is based. It was involved in a number of community initiatives in the village in which it is situated and nearby town.

FINANCIAL REVIEW

Income for the year was by way of voluntary donation and school fees totalling £276,118 (up from £199,497) with expenditure of £247,241 (up from £154,862). The unrestricted operating fund represents the charity's free reserves. At the end of the year this was £148,740.

THE ROLE OF VOLUNTEERS

The school benefits from a high level of parental involvement and volunteer support. This provides a strong support base from which the school can efficiently function. The role of Headteacher in the school is currently undertaken by a volunteer. The value to the school in terms of the cost to fund a replacement is in the region of £46,000 per annum.

PLANS FOR FUTURE PERIODS

The charity will focus on seeking additional premises to expand the pupil numbers in the school. The school also anticipates receiving an inspection during 2022.

RESERVES POLICY

The trustees will aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to allow the charity to continue in an orderly manner whilst seeking additional sources of funds. For the period reported the unrestricted funds stand at £148,740.

RESPONSIBILITIES OF THE TRUSTEES

The trustees (who are also the directors of Immanuel Christian School Limited for the purpose of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources

Immanuel Christian School

(A company limited by guarantee)

Trustees Annual Report

Responsibilities of the trustees (continued)

and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are also responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report was approved by the board on 07/09/2022.

Independent examiner's report to the trustees for the period ending 31st December 2020.

Respective responsibilities of trustees and examiner.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

The school offers financial assistance to those unable to meet the full fees payable. Further, the school actively seeks ways to establish itself as an integral part of the local community in which it is based. It was involved in a number of community initiatives in the village in which it is situated and nearby town.

FINANCIAL REVIEW

Income for the year was by way of voluntary donation and school fees totalling £199,497 (up from £120,112) with expenditure of £154,862 (up from £106,323). The unrestricted operating fund represents the charity's free reserves. At the end of the year this was £116,450.

THE ROLE OF VOLUNTEERS

The school benefits from a high level of parental involvement and volunteer support. This provides a strong support base from which the school can efficiently function. The role of Headteacher in the school is currently undertaken by a volunteer. The value to the school in terms of the cost to fund a replacement is in the region of £46,000 per annum.

PLANS FOR FUTURE PERIODS

The charity will focus on extending its premises to facilitate an application to become an exam centre.

RESERVES POLICY

The trustees will aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to allow the charity to continue in an orderly manner whilst seeking additional sources of funds. For the period reported the unrestricted funds stand at £116,450.

RESPONSIBILITIES OF THE TRUSTEES

The trustees (who are also the directors of Immanuel Christian School Limited for the purpose of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources

Trustees Annual Report

Responsibilities of the trustees (continued)

and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgments and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are also responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report to the trustees for the period ending 31st December 2020.

Respective responsibilities of trustees and examiner.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.
