#### (iv) Income recognition

- the charity has entitlement to the funds
- receipt of the income is considered probable

# His Grace Evangelical Outreach

## **Notes to the accounts for the year ended 21/08/2024**

- the amount can be measured reliably.

The following specific policies are applied to particular categories of income:

- Donated goods, services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.
- For legacies, entitlement is taken as the earlier of the date on which either:
  - the charity is aware that probate has been granted, the estate has been finalised and notification has been made to the charity that a distribution will be made, or
  - when a distribution is received from the estate.Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, the legacy is treated as a contingent asset and disclosed if material.
- Government grants are recognised when receivable unless performance-related conditions apply to them; in which case they are recognised when the performance-related conditions are met.
- Investment income is recognised on an accruals basis.
- Income received in advance of the charity becoming entitled to it is deferred until such time as the services have been provided.

### (v) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

- Costs of raising funds comprise the costs associated with attracting voluntary income and activities for generating funds.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the statement of financial activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis using a combination of staff numbers and staff time.

## 2 Accounting policies (cont'd)

### (vi) Fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation. The cost of minor additions or those costing below £500 are not capitalised. Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life. The expected lives used are as follows:

computers, fixtures and fittings      3 years      freehold land and buildings      50 years

# His Grace Evangelical Outreach

## Notes to the accounts for the year ended 21/08/2024

Investments held as fixed assets are revalued at mid-market value at the balance sheet date and the gain or loss taken to the statement of financial activities.

(vii) Pensions

The charity's employees are able to make contributions into a defined contribution pension scheme. Eligible employees are automatically enrolled unless they have exercised their right to opt out of scheme membership. Employees may choose to contribute 4% or more of their salary and the charity contributes 4%.

(viii) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

(ix) Current asset investments

Current asset investments include deposits held with a maturity of between three and twelve months.

(x) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

(xi) Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

(xii) Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

### **(i) Basis of preparation**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. #### (iv) Income recognition

Income is recognised and included in the accounts when all of the following criteria are met:

- the charity has entitlement to the funds
- receipt of the income is considered probable
- the amount can be measured reliably.

The following specific policies are applied to particular categories of income:

- Donated goods, services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.
- For legacies, entitlement is taken as the earlier of the date on which either:
  - the charity is aware that probate has been granted, the estate has been finalised and notification has been made to the charity that a distribution will be made, or
  - when a distribution is received from the estate.

Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, the legacy is treated as a contingent asset and disclosed if material.

- Government grants are recognised when receivable unless performance-related conditions apply to them; in which case they are recognised when the performance-related conditions are met.
- Investment income is recognised on an accruals basis.
- Income received in advance of the charity becoming entitled to it is deferred until such time as the services have been provided.

#### (v) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

- Costs of raising funds comprise the costs associated with attracting voluntary income and activities for generating funds.
- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the audit fees and costs linked to the strategic management of the charity.
- All costs are allocated between the expenditure categories of the statement of financial activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis using a combination of staff numbers and staff time.

### **2 Accounting policies (cont'd)**

(vi) Fixed assets

Tangible fixed assets are stated at cost less accumulated depreciation. The cost of minor additions or those costing below £500 are not capitalised. Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life. The expected lives used are as follows:

computers, fixtures and fittings	3 years
freehold land and buildings	50 years

Investments held as fixed assets are revalued at mid-market value at the balance sheet date and the gain or loss taken to the statement of financial activities.

(vii) Pensions

The charity's employees are able to make contributions into a defined contribution pension scheme. Eligible employees are automatically enrolled unless they have exercised their right to opt out of scheme membership. Employees may choose to contribute 4% or more of their salary and the charity contributes 4%.

(viii) Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

(ix) Current asset investments

Current asset investments include deposits held with a maturity of between three and twelve months.

(x) Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

(xi) Creditors

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

(xii) Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

Summary of the main activities:

His Grace Evangelical Outreach carried out several activities this year, which includes but not limited to, Biweekly evangelism and Church Service, 14<sup>th</sup> Annual Bespoke Relationship and Family Empowerment Seminar where we brought people of different faith and ethnicity together for a whole day online event with various engaging activities.

We have seen a major increase in our activities because of increase in demand, During the Cost of Living and Energy Crisis we provided Energy and Food support to over 32,000 people throughout the year, we ran the 15<sup>th</sup> Annual Croydon Gospel Festival Hope on The Street where we encourage the bereaved and motivate those who are feeling disheartened as a result of Cost of Living Crisis and many gave their lives to Jesus. This was a major event for us as we worked together with other churches on this and other projects.

His Grace Evangelical Outreach moved our mid weekly Prayer Meeting, Bible studies including our Youth Club and Children's Church are held in person, We also kept the doors of His Grace Food Bank and Food Hub, His Grace Over 60 Club, His Grace Safe Space Cafe as we continue to repurpose our Church premises into a Community Food Hub delivering both Food Parcel, His Grace Mental Health support group and cooked meal to over 600 families each week. Supporting Vulnerable Individuals and Families by going beyond Food provision for the most vulnerable in society as we address the issues of Food Poverty especially for children on free school meals during school holidays and providing Healthy Food Supplies to those struggling to make ends meet. And also rebuilding community confidence through various outreach work.

We continue to provide Telephone Helpline and befriending networks for those in Isolation and to those in supported accommodation and struggling families and young people. HGEO delivered various In-House Project working with Parents and workshops to support Parents, young people and Children. We did some major work around violence reduction among young people.

We delivered various Community-based Projects during the year Included Call and Care, Safe Space Café with focus on Mental Health, Parents Class, Over 60's Weekly Club, Youth Designed to Excel Project, Our 14<sup>th</sup> Annual Bespoke Relationship Seminar. We held a regular community and Leaders meeting in Croydon with providing support on Outreach and Community engagement as well as providing other Ministerial Supports.

We held our Annual Christmas dinner, and we are grateful for the input of the leadership team, volunteers and members in not only supporting financially but also in becoming Frontline Key Worker as we serve the community.

Our Main Achievements are: 1) remains, adding new souls to the church 2) continuing our trilingual service in English, Spanish and Portuguese and 3) being able to support thousands of families Post COVID 19 lockdown providing various levels of support beyond Food provision which includes personal care and hygiene products, 4) securing funds to support and provide Energy Relief to over 700 people as well providing School Uniforms, children and men's clothe, Kitchen utensils.

We also saw a significant rise in the participation and membership from different ethnic and religious believes as we introduce our services in Spanish and Portuguese. Our work with deprived communities has increased as we engaged the hard-to-reach community groups and were able to provide workshops, individual opportunities and discussion groups and 1:1 support to address issues that affect our community. We aim to continue this great work we as we strengthen our infrastructure and increase our capacity and impact,

**3. ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and applicable accounting standards, and in accordance with the Charities Act and the Statement of Recommended Practice issued by the Charity Commissioners in 2005. The church has taken advantage of the exemption conferred by Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds of its size.

Incoming resources are recognised in the period in which the charity is entitled to receipt once the amount can be measured with reasonable certainty. Income is deferred only where the donor has imposed restriction on the resources which amount to pre-conditions for example the receipt in advance of a grant for expenditure in a future accounting period.

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resource and related expenditure are reported gross in the Statement of Financial Activities (SOFA).

**Donations and Gifts**

These are included in the SOFA when the Charity has unconditional entitlement to the resources and are accounted for when received.

**Volunteer Help**

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

**Investment Income**

This is included in the accounts when receivable.

**Expenditure and Liabilities**

**Liability Recognition & Resources Expended**

Resources expended are included in the Statement of Financial Activities (SoFA) on an accruals basis and are recognised at the point when a legal or constructive obligation arises.

The aim of the charity is to advance Christian faith, Reach the community and empower individual to fulfil their purpose and strengthen families for a better society destiny. This is reflected in the delivery of our programs and projects across the board. His Grace Evangelical Outreach depends on the freewill donations from members, partners, and friends as well as grant funding to deliver on Community Projects, Youth Projecting, Gospel Outreaches and Mission programs. We are always very prudent both in Administrative Management and Operational deliveries to always ensure value for money.

The Trustees of His Grace Evangelical Outreach confirms that the development, financial results and position in their opinion the financial statements with accompanying notes give a true and fair view of the financial performance for 2019/20 and the financial position as at 31st of August 2020. The ministry's normal depreciation is essentially the difference between the entity's cash flow and the accounting profit.

Taxation: His Grace Evangelical Outreach is established as a charitable ministry and is tax exempt as the organisation does not receive income that does not qualify for tax relief or spent any income on noncharitable purposes.

His Grace Evangelical Outreach's Work Environment: The current work environment is good and those who are employed, or volunteer are satisfied with their working environment. There have been no accidents or injuries in 2019/20 and volunteers / employee sick leave recorded.

The ministry has not implemented or planned any special measures in this area in 2019/20, beyond such measures as are necessary under laws and regulations to ensure compliance

with applicable environmental requirements this includes HGEO's weekly visit to Croydon recycle centre.

**Equality:** His Grace Evangelical Outreach aims to have a workplace with diverse and equality of opportunity for both men and women. The ministry had 5 employees (temp and part time) and 30 volunteers (22 women and 8 men), most of who work within the His Grace Holiday Food and Fun Activities, His Grace Food Bank, Croydon/ London Gospel Festival and other areas of mission and humanitarian projects.

**Disclosure of Financial Risk:** In the Trustee's opinion, there is no significant market risk or risk of losses for the ministry in the immediate future.

**Summary of the main activities:**

His Grace Evangelical Outreach carried out several activities this year, which included Biweekly evangelism and church service, 11<sup>th</sup> Annual Bespoke Relationship and Family Empowerment Seminar where we brought people of different faith and ethnicity together for a whole day online event with various engaging activities.

We have seen a major increase in our activities because of increase in demand, In COVID we ran our 12<sup>th</sup> Annual Croydon Gospel Festival Hope on The Street where we encourage the bereaved and motivate those who are feeling disheartened as a result of COVID 19 and hundred, and eleven people gave their lives to Jesus. This was a major event for us as we worked together with twelve other churches on this.

During COVID 19 His Grace Evangelical Outreach moved our main weekly church services including our Youth Club and Children's Church online whilst we kept the doors of His Grace Food Bank and Food Hub open 6 days a week as we repurpose our Church premises into a Community Food Hub delivering both Food Parcel and cooked meal to over 500 families each week. Supporting Vulnerable Individuals and Families by providing and preparing Food for the most vulnerable in our community and address the issues of Food Poverty especially for children on free school meals during school holidays and providing Healthy Food Supplies to those struggling to make ends meet.

This year we provided Telephone Helpline and befriending networks for those in Isolation and to those in supported accommodation. HGEO delivered various In-House Project working with Parents and workshops to support Parents and Children.

We delivered various Community-based Projects during the year Included Call and Care, Safe Place Café with focus on Mental Health, Parents Class, Youth Designed to Excel Project, Our 11<sup>th</sup> Annual Bespoke Relationship Seminar. We held a regular daily meeting with other Church Leaders in Croydon with focus on Mission and Ministerial Supports.

We held our Annual Christmas and we are grateful for the input of the leadership team and members in not only supporting financially but also in becoming Frontline Key Worker in COVID.

Our Main Achievements are: 1) adding new souls to the church 2) starting our trilingual service in English, Spanish and Portuguese and 3) being able to support thousands of families during COVID 19 lockdown providing various levels of support beyond Food provision which includes personal care and hygiene products, supply of Gas and Electricity

through our partnership with Croydon Council and other VCS as well providing School Uniforms, children and men's clothe, Kitchen utensils.

We also saw a significant rise in the participation and membership from different ethnic and religious believes as we introduce our services in Spanish and Portuguese. Our work with deprived communities has increased as we engaged the hard-to-reach community groups and were able to provide workshops, individual opportunities and discussion groups and 1:1 support to address issues that affect our community. We aim to continue this great we as we strengthen our infrastructure and increase our capacity and impact,
