His Grace Evangelical Outreach is a ministry with Christian objectives with focus on Mission, Evangelism, Outreach, Community Engagement, Training and Teaching, Personal and Spiritual Development and Humanitarian work which includes addressing the issues of Food Poverty, Child Hunger and Food Waste which we deliver to the community through our His Grace Food Bank and Food Hub. We are part of The Movement for Recovery London which focus on post COVID programme, under this initiative His Grace Evangelical Outreach delivers and run our weekly Safe Space Café with focus on Good Mental Health.

The aim of the charity is to advance Christian faith, Reach out to the community, empower individual to fulfil their purpose and strengthen families for a better society. This is reflected in the delivery of our programs and projects across the board. His Grace Evangelical Outreach depends on the freewill donations from members, partners, and friends as well as grant funding to deliver on Community Projects, School Holiday Club. Youth Projects, Gospel Outreaches and Mission programs. We are always very prudent both in Administrative Management and Operational deliveries to always ensure value for money.

The Trustees of His Grace Evangelical Outreach confirms that the development, financial results and position in their opinion the financial statements with accompanying notes give a true and fair view of the financial performance for 2021/22 and the financial position as at 31st of August 2022. The ministry's normal depreciation is essentially the difference between the entity's cash flow and the accounting profit.

Taxation: His Grace Evangelical Outreach is established as a charitable ministry and is tax exempt as the organisation does not receive income that does not qualify for tax relief or spent any income on noncharitable purposes.

His Grace Evangelical Outreach's Work Environment: The current work environment is good and those who are employed, or volunteer are satisfied with their working environment. There have been no accidents or injuries in 2021/22 and volunteers / employee sick leave recorded.

The ministry has not implemented or planned any special measures in this area in 2021/22, beyond such measures as are necessary under laws and regulations to ensure compliance with applicable environmental requirements this includes HGEO's weekly visit to Croydon recycle centre.

**Equality:** His Grace Evangelical Outreach aims to have a workplace with diverse and equality of opportunity for both men and women. The ministry had 5 employees (temp and part time) and 30 volunteers (22 women and 8 men), most of who work within the His Grace Holiday Food and Fun Activities, His Grace Food Bank, Croydon/ London Gospel Festival, and other areas of mission and humanitarian projects.

**Disclosure of Financial Risk:** In the Trustee's opinion, there is no significant market risk or risk of losses for the ministry in the immediate future.

**Summary of the main activities:**

His Grace Evangelical Outreach carried out several activities this year, which includes but not limited to, Biweekly evangelism and Church Service, 14<sup>th</sup> Annual Bespoke Relationship and Family Empowerment Seminar where we brought people of different faith and ethnicity together for a whole day online event with various engaging activities.

We have seen a major increase in our activities because of increase in demand, During the Cost of Living and Energy Crisis we provided Energy and Food support to over 32,000 people throughout the year, we ran the 15<sup>th</sup> Annual Croydon Gospel Festival Hope on The Street where we encourage the bereaved and motivate those who are feeling disheartened as a result of Cost of Living Crisis and many gave their lives to Jesus. This was a major event for us as we worked together with other churches on this and other projects.

His Grace Evangelical Outreach moved our mid weekly Prayer Meeting, Bible studies including our Youth Club and Children's Church are held in person, We also kept the doors of His Grace Food Bank and Food Hub, His Grace Over 60 Club, His Grace Safe Space Cafe as we continue to repurpose our Church premises into a Community Food Hub delivering both Food Parcel, His Grace Mental Health support group and cooked meal to over 600 families each week. Supporting Vulnerable Individuals and Families by going beyond Food provision for the most vulnerable in society as we address the issues of Food Poverty especially for children on free school meals during school holidays and providing Healthy Food Supplies to those struggling to make ends meet. And also rebuilding community confidence through various outreach work.

We continue to provide Telephone Helpline and befriending networks for those in Isolation and to those in supported accommodation and struggling families and young people. HGEO delivered various In-House Project working with Parents and workshops to support Parents, young people and Children. We did some major work around violence reduction among young people.

We delivered various Community-based Projects during the year Included Call and Care, Safe Space Café with focus on Mental Health, Parents Class, Over 60's Weekly Club, Youth Designed to Excel Project, Our 14<sup>th</sup> Annual Bespoke Relationship Seminar. We held a regular community and Leaders meeting in Croydon with providing support on Outreach and Community engagement as well as providing other Ministerial Supports.

We held our Annual Christmas dinner, and we are grateful for the input of the leadership team, volunteers and members in not only supporting financially but also in becoming Frontline Key Worker as we serve the community.

Our Main Achievements are: 1) remains, adding new souls to the church 2) continuing our trilingual service in English, Spanish and Portuguese and 3) being able to support thousands of families Post COVID 19 lockdown providing various levels of support beyond Food provision which includes personal care and hygiene products, 4) securing funds to support and provide Energy Relief to over 700 people as well providing School Uniforms, children and men's clothe, Kitchen utensils.

We also saw a significant rise in the participation and membership from different ethnic and religious believes as we introduce our services in Spanish and Portuguese. Our work with deprived communities has increased as we engaged the hard-to-reach community groups and were able to provide workshops, individual opportunities and discussion groups and 1:1 support to address issues that affect our community. We aim to continue this great work we as we strengthen our infrastructure and increase our capacity and impact,

**3. ACCOUNTING POLICIES**

**Accounting convention**

The financial statements have been prepared under the historical cost convention and applicable accounting standards, and in accordance with the Charities Act and the Statement of Recommended Practice issued by the Charity Commissioners in 2005. The church has taken advantage of the exemption conferred by Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds of its size.

**Incoming Resources**

**Recognition of Incoming Resources**

Incoming resources are recognised in the period in which the charity is entitled to receipt once the amount can be measured with reasonable certainty. Income is deferred only where the donor has imposed restriction on the resources which amount to pre-conditions for example the receipt in advance of a grant for expenditure in a future accounting period.

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resource and related expenditure are reported gross in the Statement of Financial Activities (SOFA).

**Donations and Gifts**

These are included in the SOFA when the Charity has unconditional entitlement to the resources and are accounted for when received.

**Volunteer Help**

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

**Investment Income**

This is included in the accounts when receivable.

**Expenditure and Liabilities**

**Liability Recognition & Resources Expended**

Resources expended are included in the Statement of Financial Activities (SoFA) on an accruals basis and are recognised at the point when a legal or constructive obligation arises.
