

Good evening everyone,

I would like to take this opportunity to highlight the amazing things we've been up to at Hanworth with Gunton Memorial Hall over the last couple of years.

First of all, let's think back to our 2021 Harvest Supper. It was a fantastic evening and we were so lucky to have MP Duncan Baker come and speak to us about his first year in Parliament. His talk was both moving and inspiring, and it was a great way to bring us all together.

Our Remembrance Sunday Services were a poignant and moving tribute to those who have served our country. We were honoured to host this event and show our respects.

The Carol Services at Christmas was a real highlight of each year. The festive atmosphere and beautiful singing made each a truly special night.

Let's not forget about the Charity Fun Runs, which were a huge success. It was amazing to see so many people turn out to support a good cause. Special thanks to Simon Barclay and his amazing efforts.

The popular Quiz Nights were a great way to put our brains to the test and have a good time, whilst raising much needed funds for the Hall.

Cakes on the Common this year, was also a delicious way to bring us all together and raise funds for the Memorial Hall.

In June this year we celebrated our late Queen's Jubilee with a special event that brought the much of the community together to mark this significant and historic occasion.

This winter the Hall has hosted a 'warm hub' on Wednesday afternoons, following a successful grant application for funds to do so, by Gill Wilton. It's a place for the community to meet, play carpet bowls, share a lunch and socialise. We're thrilled to offer this to our neighbours and it's been very popular this winter, so far.

We've made some important upgrades to the Hall too - a defibrillator has been fitted, so the whole village can be prepared for any emergencies, and we've installed some solar panels, which is better for the environment and will save us money on energy costs.

We're excited to announce that we've piloted sitting pilates classes at the Memorial Hall. Early indications are that this will be a popular activity and we hope it will go from strength to strength.

Last but not least, the renovations are almost complete. Thanks to everyone who has supported us and helped raise funds, including those who've spent many hours on grant applications. You all make this Hall a special place and we couldn't have done it without you.

All in all, it's been a fantastic couple of years and I can't wait to see what we'll get up to in the future. So, here's to another successful year and to the continued success of Hanworth with Gunton Memorial Hall!

Thank you,

A handwritten signature in black ink, appearing to be 'D. Baker', written in a cursive style.

David Attew
