AREA OF BENEFIT	: Grant making charity. The trustees intend to focus their support upon three main areas: 1) <u>Environment and conservation</u> Specifically the protection of wildlife habitat and systems conservation rather than individual species. The trustees are interested in the social issues which are leading to the habitat destruction but they are more likely to be interested in smaller scale, localised issues rather than global sustainability issues relating to policy making, economics etc. 2) <u>Education</u> Focussed on tackling points of disadvantage and providing opportunity for merit/ability to overcome disadvantage. 3) <u>Health</u> Similar principles apply as those guiding the other areas. Medical research is of particular interest.
INVESTMENT POWERS	: Wide - nothing in the Trust Deed restricts or excludes the exercise by the trustees of the powers given by the Trustee Act 2000 as regards investment.
APPOINTMENT OF TRUSTEES	: Trustees (by resolution).
RISKS	: The Charity is exposed to fluctuations in the stock market. In selecting investments the trustees follow advice given by Ruffer LLP, subject to their scrutiny of each half yearly report.
FUTURE PLANS	: The Charity will continue to make grants in accordance with the objects of the constitution.

The objects of the charity

To apply the income and all or such part or parts of the capital at such times and in such manner to or for the benefit of such exclusively charitable objects and purposes (regarded as charitable under the laws of England and Wales) in any part of the world as the trustees think fit. The funds are for general distribution and there are no endowments.

Policies and organisation of the charity

In practice, it is the policy of the trustees to expend the income and capital of the trust for such charitable purposes.

Public benefit

The trustees have made grants out of the income of the trust in fulfilment of the objects of the trust. During 2022 grants were made to various charities. The trustees have paid due regard to the Charity Commission's guidance on public benefit in deciding what activities the Halpin Trust should undertake.

Material changes in the charity's policies and organisation during the year

There were no material changes in the charity's policies and organisation during the year.

Investment policy and performance

Investment activities are managed in line with the requirements of the Trustee Act 2000. The trustees have continued to appoint Ruffer LLP as investment manager allowing them to manage the portfolio using their discretion. The trustees' investment policy is biased towards income and to provide equilibrium between capital growth and income.

There is currently a holding of 74,400.742 L F Ruffer Total Return Fund as at 31 December 2022.

The value of the portfolio has decreased to £266,654.00 representing a decrease of 12.7% on like for like basis.

Ruffer LLP review the portfolio on an ongoing basis and report to the trustees twice a year and as and when appropriate.

Financial position of the charity

Ruffer LLP have continued to advise the trustees on the trust portfolio, which has been reviewed by them on a half yearly basis, and as and when the need arises.

Review of the accounts for the year ending 31st December 2022

The financial statements comply with the Charities Act 2011, the Companies Act 2006 and the Accounting and Reporting by Charities, Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Trustees' responsibilities

The Charity trustees are responsible for preparing the trustees' report and the financial statements in accordance with the applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Law applicable to charities in England and Wales requires the trustees to prepare the Trustees Annual Report and financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing financial statements the trustees are required to:

- (i) Select suitable accounting policies and then apply them consistently.
- (ii) Observe the methods and principles in the Charities SORP.
- (iii) Make judgements and estimates that are reasonable and prudent.

- (iv) State whether applicable accounting standards have been followed, subject to any material departures and explained in the financial statements.
- (v) Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011, the charity (accounts and reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

YEAR ENDED 31 DECEMBER 2022

Independent examiner's report to the trustees of "The Halpin Trust"

I report on the accounts of the Trust for the year ended 31 December 2022, which are set out on pages 4 to 8.

Respective responsibilities of trustees and examiner

The Charity's trustees are responsible for the preparation of the accounts. The Charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to: examine the accounts under section 145 of the 2011 Act; to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1) which gives me reasonable cause to believe that in any material respect the requirements: to keep accounting records in accordance with section 130 of the 2011 Act; and to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or

2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
