## **TRUSTEES' REPORT**

The Trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 December 2021.

### **Structure, governance and management**

#### ***Nature of governing document***

Relational Mission is an incorporated charity controlled by its governing document dated 6 December 2012. It was registered as a Charity on 24 January 2013.

#### ***Recruitment and appointment of Trustees***

The management of the company is the responsibility of the Trustees who are elected and co-opted under the terms of the Articles of Association.

#### ***Organisational structure***

Four Trustees have run Relational Mission over this period (five Trustees from November 2021), each with differing backgrounds and expertise that can contribute to the delivery of the charity's objectives. Every Trustee that is appointed is inducted in line with guidance laid down by the Charity Commission.

The policy and key operating decisions are the responsibility of the Trustees, who meet regularly to monitor the activities of the charity, having regard to advice from the Apostolic Team. The Apostolic Team (Mike Betts, Stefan Liston & Maurice Nightingale), as well as providing spiritual oversight and direction, oversee day to day operations, together with Jon Beardon (co-ordination).

Relational Mission has a defined pay scale and bandings based on level of responsibility and experience. This forms the basis for Trustee decisions over the pay for key management personnel.

The apostles and by extension the Relational Mission Charity are affiliated to Newfrontiers. While this affiliation is important from a historical, relational, and maintaining values perspective it has limited impact on day-to-day operations. However, Relational Mission continues to partner with Newfrontiers ([newfrontierstogether.org](http://newfrontierstogether.org)) in terms of apostolic leadership and is responsible for a family of approximately 75+ churches, church plants and pioneering situations in 18+ nations across the world, helping in excess of 5,000 individuals.

The period up to 31 December 2021 has seen some activity that continues to fortify relationships amongst churches and their leadership teams. At the same time, the Trustees and management teams have been refining the model of operation and structure for Relational Mission to ensure momentum and financial sustainability are in place for the long term, and there have been important changes to the shape of Relational Mission.

## **RELATIONAL MISSION**

### **TRUSTEES' REPORT**

*One family, one vision - three apostles*

In 2011 Terry Virgo handed over the leadership of Newfrontiers (one family of churches), entrusting it into the hands of emerging apostles, so that they too could have their own families of churches; still part of the big family of Newfrontiers, but each new family of churches forming its own identity, name and team. One of those emerging apostles was Mike Betts, who formed Relational Mission with the team he was then working with, bringing together a number of churches to form a new family which has grown and multiplied over the last 10 years.

God's church is a family. Families expand and mature and grow and develop in all sorts of different ways. We build locally but we think globally and carry the nations in our hearts.

Back in 2018 Mike Betts was beginning to recognise that Maurice Nightingale and Stefan Liston, who had been working closely alongside him for some years, were emerging in their own right as apostolic ministries with their own apostolic calling. Helpfully at the same time, Mike received a prophetic word from a fellow apostle in another Newfrontiers sphere, which was a picture of a mono-hull yacht, representing the mono-hull of Mike's apostolic ministry that Relational Mission had begun with, but the picture changed to become a trimaran – a three-hulled yacht that's held together with one structure but it has three hulls. God was going to restructure Relational Mission into a trimaran from a mono-hull yacht.

At our COURAGE Conference in 2018 Maurice Nightingale and Stef Liston were formally recognised as fellow apostles, co-leading our family of churches together alongside Mike, and in 2019 the three of them launched Relational Mission's expansive vision to be globally fruitful, crossing all boundaries to reach the nations, make disciples and plant locally led churches.

We believe God has said that we can expect to achieve more in 20 years than many have in 50 and we asked our family of churches to imagine with us...

- establishing 5 multiplying churches in each continent of the world by 2030 (GLOBAL 5:30)
- stimulating a fresh wave of church planting into UK cities, towns, and villages 100 by 2040 (UK 100:40)
- planting 20 churches in each of the other 50 European nations by 2050 (EUROPE 20:50).

During the latter part of 2020 and into 2021 the apostles of Relational Mission have been prayerfully evaluating what is required to drive us towards the fulfilment of the vision that God has laid on our hearts, including how our operation might change now that the team of apostles has grown from one to three. Through careful consideration of New Testament practice and insightful prophetic wisdom, we have become convinced that the operational vehicle that has served Relational Mission so well in its formation is not the only vehicle that will help us deliver this cross-cultural world-wide vision in the future.

# **RELATIONAL MISSION**

## **TRUSTEES' REPORT**

During 2021 we began reorganising ourselves away from one central organisation serving the Relational Mission family to a new shape where we are empowering each of the three apostles to begin to pursue the unique calling, gifting and contribution that each of them is making. There is still a core of activity that they are doing altogether, and the Relational Mission family of churches still sits under the Relational Mission charity banner, but additionally each apostle is now breaking into new fields of mission, creating new teams and bases of support around them, and expanding into different activities all at once.

### *One sphere - many communities*

The apostles have also appointed Relation Mission Community Leaders, currently a team of seven delegates with real translocal ability, to bring leadership and care to groups of churches within the Relational Mission family, called 'Communities'. The men leading these Communities will do delegated apostolic tasks on behalf of Mike, Maurice and Stef, enabling them to go on to fresh pioneering situations and breaking new ground.

Many churches, especially in the UK, are now part of a Relational Mission Community. These groups of churches regularly join together for corporate prayer, leaders' meetings and pioneering activities. In the past year many will have taken part in a local ENOUGH prayer night with others in their RM community.

### *RM Staff Changes*

Reflecting the developments in the way Relational Mission is working more recently, there have been big changes affecting our staff team, with three roles being made redundant during the year. We are so grateful to them all for how they have served us over the years and most recently for how they have navigated an uncertain few months, as each apostle has developed structures for enabling their mission and raising the support that this requires.

There is still a core of activity that we are doing altogether which is staffed by a now smaller central team. With all these changes there is often a time of adjustment, but we are truly hope-filled and excited for the next step of our journey as a family on mission.

### ***Risk management***

The Trustees have reviewed and continue to review the major strategic, business, and operational risks, which a small charity with few employees is likely to be exposed to. A framework has been established and procedures are in place to identify, monitor and review these risks on a regular basis.

All major insurable risks have been covered by the charity's insurance coverage. Contracts and associated risks are reviewed before being finalised to ensure they do not significantly impact negatively upon the charity's ability to fulfil its objectives.

The charity has all required policies in place (as per Charity Commission guidelines) and no significant material issues arose during the year in relation to these policies.

# **RELATIONAL MISSION**

## **TRUSTEES' REPORT**

### **Objectives and activities**

#### ***Objects and aims***

As detailed in the constitution the charity has three core charitable objectives:

1. to advance the Christian faith in accordance with the Statement of Beliefs in such parts of the United Kingdom and the world as the Trustees may from time to time think fit;
2. to relieve sickness and financial hardship and to promote and preserve good health by the provision of funds, goods or services of any kind including through the provision of counselling and support in such parts of the United Kingdom and the world as the Trustees may from time to time think fit; and
3. to advance education in such ways and in such parts of the United Kingdom and the world as the Trustees may from time to time think fit.

#### ***Objectives, strategies and activities***

In order to achieve its stated charitable objectives, Relational Mission works with and through a family of churches to:

- support churches and their elders
- establish new churches
- work directly with or support projects helping the poor or those in hardship
- organise conferences to encourage and envision church leaders and individuals
- train and educate individuals for Christian service in the church and community
- write, publish and distribute various Christian materials in various forms.

#### ***Public benefit***

The Trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

#### ***Grant making policies***

Relational Mission works with churches worldwide and where these contacts are able to fulfil the objectives of the charity more ably, or maintain closer working links with activities or projects, grants are sometimes provided. These are made in line with the charity's grant framework and financial policy.

#### ***Staffing and volunteers***

At the beginning of the year, Relational Mission directly employed 7 staff (5.75 full time equivalent). With the shape change that has occurred in the charity in 2021 (see section below for explanation) three roles were made redundant during the year. At the end of the year, Relational Mission directly employed 4 staff (3 full time equivalent). These staff, alongside retained consultancy support and volunteers, delivered the activities of the charity.

### TRUSTEES' REPORT

#### **Achievements and performance**

As with the prior year, 2021 continued to see events hosted online, however towards the end of the year we were pleased to be able to begin to meet in person once again.

#### ***Plant Events (UK/Europe/Global)***

In pursuit of our UK 100:40 vision we hosted our first online 'Plant UK' event in November 2020, letting loose the most inspirational planters in our family to help and encourage anyone who wanted to consider what planting in the UK might look like. In June and November 2021 we held follow up Plant UK events on line, continuing to draw together those people amongst our family of churches with a heart for UK church planting.

In March 2021 we hosted an online 'Plant Europe' event relating to our EUROPE 20:50 vision, aimed at helping and encouraging anyone who'd like to consider what planting in Europe might look like. The event was for anyone interested in the pioneering work of Relational Mission on the mainland of Europe; those who feel called to church planting (however slightly!); those churches who are sending out pioneers; those who want to support the mission through investment or prayer.

The global element of our vision is definitely the most embryonic. But we feel inspired rather than daunted by the prospect of reaching into parts of the world that, up until now, we have hardly touched. We currently have just a fistful of pioneering situations beyond Europe, and yet our hope is to see five multiplying churches on each of those continents by 2030 - we call this vision 'GLOBAL 5:30'. In June 2021 we hosted an online 'Plant Global' conference where we started to unpack our GLOBAL 5:30 vision, and where we aimed to enlarge our faith and connect people with one another on the global mission.

#### ***ELF 2021***

For the third year in a row, Relational Mission had the privilege of being involved in the week-long European Leaders Forum (ELF), held in May 2021. The Forum's annual meeting normally brings together 800 evangelical participants from more than 40 countries and has traditionally been held in Poland. This year, however, the Forum was held online.

The Relational Mission team served on the *Church Life, Leadership and Planting Network*, which offered a foundational stream covering topics such as *Word and Spirit*, and an advanced stream which covered subjects such as *Empowering the Poor*. 35 men and women from 23 different nations signed up across both networks to listen and discuss as part of the interactive, relational seminars. The team also took part in mentoring people from all around Europe and Mike Betts had the honour of giving the final ELF Plenary session on Healthy Church Life.

# **RELATIONAL MISSION**

## **TRUSTEES' REPORT**

### ***Prayer & Fasting***

In September 2021 we were excited to be able to finally gather again in person at our Prayer and Fasting event held in London. We invited those in leadership across Relational Mission churches, as well as staff and interns, and those in leadership in the workplace, to gather to listen to Him and lay a foundation of prayer for this coming season. It was a precious opportunity to 'resurface' together after 18 months of a 'hibernation' season.

### ***Pioneer Europe Online Conference***

At the end of September 2021 the Relational Mission and New Ground families of churches held a Pioneer Europe conference via Zoom, gathering those with a heart for pioneering in Europe to work out what pioneering in post-lockdown Europe looks like. Previous conferences have been a great inspiration and encouragement to church planters, sending churches and those with a heart for the nations to support the apostolic and prophetic mission. As the global pandemic hit our nations, it felt like a great big pause button had been pressed. But God has been speaking to us of a great divine reset, a reboot with fresh vigour and passion for planting churches across Europe.

### ***RM Together Online***

In November 2021 we had the first 'RM Together' event - gathering hundreds of people from across our family of churches for an hour together online. These events will run 3 times a year and are open to everyone across our RM family to gather and hear news, pray into issues we're facing as a family of churches, and see our faith levels increase as we hear how God is working around the world.

At this first event in November, we heard live updates and prayers shared by those in our church family from the UK, Germany, Poland, Serbia, and the Czech Republic. Some families joined us from their homes, others watched together with their small groups or wider church families.

### ***ENOUGH Global***

Enough Global engages people from around the world to pray for the same things at the same time: crying out together that we have had ENOUGH of the brokenness in our world, and to recognise that God is ENOUGH to bring restoration.

At the (mainly) online meeting in November 2021, churches and individuals joined from over 40 nations. Together we cried out to God for major global issues, expectant that he hears our prayers and will move in power.

In addition to this, Relational Mission (in partnership with its churches) has:

- continued to support local churches and eldership teams through direct ministry support in areas such as pastoral care, prophetic development, working with the poor ([relationalmission.org/empower](https://relationalmission.org/empower)) and evangelism ([relationalmission.org/witness](https://relationalmission.org/witness))
- continued to support those facilitating ministries amongst the family of churches, in areas including worship, children & youth, prophetic ministry, the workplace, evangelism and ministry to the poor

## **RELATIONAL MISSION**

### **TRUSTEES' REPORT**

- run three Delegated Ministries days for trans local ministries serving the churches, the first two being held online and the third being held in person
- continued to communicate with our supporters using social media and our website, co-ordinated by our media and communications leader
- published our message using our 'Relational Mission - A Way of Life' podcast during the year ([relationalmission.org/podcast](http://relationalmission.org/podcast)). Our initial series focused on unpacking what it means to be part of a family of churches on a mission together and for Relational Mission to be 'a way of life'. Discussions are based around the book Relational Mission - A Way of Life, authored by Mike Betts. The podcast is hosted by Isaac Butcher and Adam Voke from Cornerstone City Church (UK), and features Mike Betts with other guests joining throughout
- attended and supported Newfrontiers UK and Global gatherings online
- supported and partnered with a number of charities including Newfrontiers, to further our charitable objectives and help support them in their mission fields to help the poor and share the gospel
- held a Business Link conference in November 2021, connecting church and business leaders together from within Relational Mission and the wider Newfrontiers family of churches. The theme of the conference was 'Rebuild: Impacting Communities through Business', looking at how businesses are helping churches grow by rebuilding broken communities
- sent further funds raised during the Christmas 2019 Pathways from Poverty appeal to pay for the completion of the 'Water for Lucy' project which has seen the drilling of two boreholes and the building of two water pumps for communities and agricultural requirements in Meru, Kenya
- sent funds from our Pathways from Poverty Christmas 2020 appeal, which raised a 'Seedfund' aiming to help rebuild broken communities by launching and supporting local businesses around the world; businesses that will have both a community and a gospel impact. The Seedfund continues to help launch new businesses in 2022
- continued to partner with Revelation Church in Camden in delivering the 'year out' Intentional Discipleship (ID) training programme ([relationalmission.org/idyear](http://relationalmission.org/idyear)), albeit with some of the training undertaken online (previous administered by City Church, Canterbury)
- continued to partner with Revelation Church in Camden to run the leadership training programme – LEAD ([relationalmission.org/lead](http://relationalmission.org/lead)), albeit with all of the training undertaken online in the year due to the restrictions of the global pandemic and lockdown
- launched 'Shepherd' - a 2-year course that helps equip new and emerging elders for the responsibilities of pastoral ministry. The course helps to complement, not replace, the work that is already being done by local eldership teams to develop new elders by providing high value, focussed training to prepare new and future elders for the demands of the role.

## **RELATIONAL MISSION**

### **TRUSTEES' REPORT**

The charity has delivered the above activity to achieve its objectives during the restrictions of the global pandemic and lockdown and has laid foundations for future growth under the new shape.

#### **Financial review**

Relational Mission is financially dependent upon the donations made by supporting churches, individuals (via its grassroots giving scheme), grants from charitable trusts and income generated via events. The Relational Mission Trustees and team would like to thank all the churches, individuals and organisations that have supported the charity throughout the year. The money given to empower apostolic mission is essential to see all that God has laid on our hearts come to fruition, and you have been so amazingly generous in your giving.

During the year Relational Mission had income of £489,152 (2020: £643,696) of which £84,415 (2020: £140,078) was for restricted purposes - for example, Christmas appeal monies, and grants received to help specific church planting and pioneering situations.

Expended resources for the period were £508,500 (2020: £528,582) in total of which £106,897 (2020: £104,496) were restricted.

Given the global impact of COVID-19 at the outset of 2020, the Relational Mission Apostolic team, Trustees, and management team reviewed planned activity and set about re-working this in light of the potential for reduced income over 2020-2021. We are so thankful to God that income held up well over this uncertain period, helping us to 'steady the ship' financially and input into the next stages of our mission together.

Our Christmas Appeal at the end of 2020 has seen over £100,000 being raised in total to date. This 'Hope for Broken Communities' appeal has kick-started a seed fund to help start businesses around the world that will rebuild broken communities and grow the church; businesses that will have both a community and a gospel impact. Since the appeal our Relational Mission Business Link partners have identified and helped to develop a number of small business initiatives, with several more in the pipeline, and have begun to allocate funds to these projects and businesses around the world.

For the year ended 31 December 2021 Relational Mission had an overall net deficit of £19,348 (2020: £115,114 surplus), being a net surplus of £3,134 on unrestricted funds and a net deficit on restricted funds of £22,482.

Designated and restricted funds are shown in note 12 to the accounts. Note 12 gives details on all designated and restricted funds held, showing the opening and closing balances plus movements on the funds in the year, together with notes about the intended purpose of each fund.

#### ***Policy on reserves***

On an ongoing basis the trustees consider the level of reserves they wish to retain, appropriate to the charity's needs and circumstances. This is based on the charity's size and level of commitments held. The trustees endeavour not to set aside funds unnecessarily.

## **RELATIONAL MISSION**

### **TRUSTEES' REPORT**

The Trustees aim to ensure the charity will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. In doing this the trustees aim to make sure that the current budget forecast and reserves levels allow the charity to continue in operation for a rolling 12-month period. This is reviewed at a minimum at two points within the financial year. At the year end the reserve policy indicated a free reserve level of between £40,000 and £60,000. The actual reserves, when associated with the designated funds held, are in line with the policy at the year end.

#### ***Investment policy and objectives***

Relational Mission has no investment policy as it currently does not intend to make any investments. This is reviewed annually.

#### ***Going concern***

After making appropriate enquiries, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

#### **Plans for future periods**

Towards the end of 2021 we began reorganising ourselves away from one central organisation serving the Relational Mission family to a new shape where we are empowering each of the three apostles to begin to pursue the unique calling, gifting and contribution that each of them is making. There is still a core of activity that they are doing altogether, and the Relational Mission family of churches still sits under the Relational Mission charity banner, but additionally each apostle is now breaking into new fields of mission, creating new teams and bases of support around them, and expanding into different activities all at once. Mike Betts' apostolic mission is still outworked through the Relational Mission Charity; however Maurice Nightingale and Stef Liston now have their own vehicles for the outworking of their own apostolic ministries.

The Relational Mission family of churches has been asked to split their giving between the three apostolic ministries of Mike, Maurice and Stef, with an additional amount to be given to the central administration of the charity, funding the activity that they still do together. Most churches have made the transition with their giving however, as with all change, there is a transition period for this to become fully worked through.

### **TRUSTEES' REPORT**

#### **Statement of Trustees' Responsibilities**

The Trustees (who are also the directors of Relational Mission for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The annual report was approved by the Trustees of the charity on 28 July 2022 and signed on its behalf by:

### **INDEPENDENT EXAMINER'S REPORT**

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 December 2021 which are set out on pages 13 to 31.

#### **Respective responsibilities of Trustees and examiner**

As the charity's Trustees of Relational Mission (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Relational Mission are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

Since Relational Mission's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Chartered Institute of Management Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Relational Mission as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## **RELATIONAL MISSION**

### **NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 DECEMBER 2021**

#### **1 Charity status**

The charity is limited by guarantee, incorporated in England, and consequently does not have share capital. Each of the Trustees is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation.

#### **2 Accounting policies**

##### **Summary of significant accounting policies and key accounting estimates**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

##### **Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

##### **Basis of preparation**

Relational Mission meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

##### **Going concern**

The Trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

##### **Income and endowments**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

## **RELATIONAL MISSION**

### **NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 DECEMBER 2021**

#### ***Donations and legacies***

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

#### ***Grants receivable***

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### ***Donated services and facilities***

Donated facilities, services and goods. Goods donated for distribution to beneficiaries are recognised as income when receivable at fair value (being an estimate of the amount it would cost to purchase those items). [Goods donated for resale are recognised as income at the point of sale (as the sale proceeds cannot be estimated reliably before the goods are sold)]. Facilities, services and goods donated for the charity's own use are recognised as income when receivable at their value to the charity.

The charity relies on volunteers to carry out many of its activities. However, in accordance with the SORP, the value of these services has not been included in these financial statements as they cannot be reliably measured.

When donated goods, services and facilities are distributed or consumed, an expense in respect of those items is included in the Statement of Financial Activities. At the year end any goods that have not been distributed or consumed are recognised as stock; donated fixed assets are capitalised.

#### ***Gift aid***

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

#### ***Investment income***

Investment income represents income generated by the charity's assets and includes income from bank interest.

#### ***Charitable activities***

Income from charitable activities represents income receivable from goods, services and facilities supplied in furtherance of the charity's charitable objects. It includes income from conferences and other events.

## **RELATIONAL MISSION**

### **NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 DECEMBER 2021**

#### **Expenditure**

Expenditure, including irrecoverable VAT, is recognised when it is incurred or, if earlier, when a legal or constructive obligation for a payment arises provided that it is probable that settlement will be required and the amount of the obligation can be measured reliably.

#### ***Charitable activities***

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### ***Grant provisions***

The charity makes grants to other institutions and individuals to further its charitable objectives. Grants payable are recognised as constructive obligations arise, which is generally when the charity expresses a commitment to the recipient that can be measured reliably and then only to the extent that any conditions associated with the grant are outside of the control of the charity.

#### **Governance costs**

Governance costs, which are included in expenditure on charitable activities but are identified separately in the notes to the accounts, includes costs associated with the independent examination of the financial statements, compliance with constitutional and statutory requirements and any other expenditure incurred on the strategic management of the charity.

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

## **RELATIONAL MISSION**

### **NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 DECEMBER 2021**

#### **Liabilities**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the Trustees's discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

#### **Financial instruments**

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

## **RELATIONAL MISSION**

### **NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 DECEMBER 2021**

#### ***Designated funds***

##### *Church planting fund/Pioneer General*

This fund was designated to help church planting & pioneering in our family. It incorporated the offering taken at the SENT 18-30s Conference and the Pioneer Conference during 2017 and focused on raising up the next generation of leaders and pioneers. The remaining small balance will be used to open the Pioneer Mission charity bank account during 2022.

##### *ENOUGH Prayer initiative*

Prayer initiative that aims to unite people in prayer; praying at the same time, across different locations and nations, calling out to God corporately for breakthrough in specific areas. The fund was fully utilised in the year.

##### *RM Book Publishing*

This fund facilitates the publishing of existing and future RM books including Relational Mission - A Way of Life, Reaching the Nations, Faith at Work, Prayers of Many.

##### *The Call (Leadership/SENT Conference 2020) / The Call 2 Give Offering*

We launched our Call to Give campaign prior to the COVID-19 pandemic, in the lead up to our leadership and Sent conference, The Call, which was due to be held in June 2020. As a result of the pandemic, we made the difficult decision to cancel The Call, meaning there would not be the same opportunity to take up the offering when we gathered together. We felt that it was right to continue with our Call to Give offering, albeit in a predominately online form and we raised over £100,000 (£110,000).

Alongside helping us to 'steady the ship' financially and navigating the cancellation of the Call, these funds have been critical in helping us in our next stages of mission together. The funds have been used to release gifted people to serve amongst us; encouraging us to run the races to which we are each called, whilst embodying the values we hold dear. This will give rise to pioneering men and women breaking ground in new nations and communities globally, as well as provide the ongoing support they need. The funds have also been used to shape tools and initiatives to help empower and motivate us to give witness of the gospel in our broken world above all will help our communities of churches thrive and multiply across the nations. These funds were fully utilised in the year.

##### *Middle Eastern Fund*

During the year a gift was received from a Relational Mission church, and a further gift was received from another sphere within Newfrontiers. These gifts were given to aid Mike Bett's Apostolic mission into the Middle East. Mike and his team are currently strengthening relationships with his contacts in the Middle East and these funds will be used to fund mission to this area in 2022 and beyond.

## **RELATIONAL MISSION**

### **NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 DECEMBER 2021**

#### *Mike Betts Apostolic Mission*

As a result of the shape change that occurred in Relational Mission during 2021, Mike Betts' Apostolic Mission is still being financially administrated through the charity. Any restricted donations from Relational Mission Churches and individuals received during the year have been added to this fund. These funds have been applied to Mike's Apostolic Mission during the year.

#### ***Restricted funds***

##### *Church Plant Funds*

Various funds have been received from different organisations to help Relational Mission plant churches in the UK, Europe and America. During the year some of these funds have been applied for church planting purposes in the relevant countries. The Liverpool church plant fund is now being administered by Revelation Church (London) and the funds were transferred to this church during the year, together with all reporting responsibilities. At the year end, restricted funds exist for Church planting initiatives in Lille (France), Malaga (Spain) and Malmo (Sweden).

##### *Pioneer Europe*

A specific fund to hold monies given towards pioneering opportunities on mainland Europe. This links in with the part of Relational Mission's vision to plant 20 churches in each of the other 50 European nations by 2050 [EUROPE 20:50]. With the shape change that occurred within Relational Mission in 2021, a separate charity (not linked to Relational Mission) was set up to host Maurice Nightingale's Apostolic mission in Europe. These Pioneer Europe funds were transferred to Pioneer Mission charity during the year to be applied for their given purposes.

##### *Pathways from poverty (PfP)*

Pathways from Poverty is an initiative of Relational Mission that seeks to empower people from across the world by offering them choices and creating pathways to enable them to escape from poverty. A key part of this activity is that a Christmas appeal is held most years to support an initiative in line with the PfP ethos.

##### *PfP Appeal 2019*

The focus of the PfP Appeal (Christmas) 2019 was to raise funds to build boreholes and pumps for water in Meru, Kenya. At the end of 2020, two tranche payments had been made to enable the boreholes to be drilled and tested and we are excited to report that these are fully functional and being used daily. The third tranche payment was made during 2021 to finalise the contractor payments. A small amount remains which is being held to cover potential maintenance costs of the borehole and pump in 2022, and also to cover a trip to visit the project for compliance purposes.

##### *PfP Kenya & India*

This fund has been used to create Sand-dams in Kenya to protect vital water supplies and help small business creation to transform communities in rural Kenya and India. The final monies were paid out in early 2021 to further the work in India.

## **RELATIONAL MISSION**

### **NOTES TO THE FINANCIAL STATEMENTS FOR YEAR ENDED 31 DECEMBER 2021**

#### *PfP Appeal 2020*

The PfP Appeal (Christmas) 2020 was titled 'Hope for Broken Communities' with the focus of raising funds to launch and support local businesses around the world; businesses that will have both a community and a gospel impact. The appeal has raised over £100,000 in total, and our Relational Mission Business Link partners are now beginning to allocate funds to projects and businesses around the world.

#### *Vineyard Grant*

During the year Vineyard gave Relational Mission a grant. This has been allocated between several projects in the year that meet the gift criteria.

#### *Pioneer Mission Restricted Fund*

During the year Relational Mission received a gift from MacLellen for the purposes of pioneer work on mainland Europe. This gift, together with any associated reporting requirements, was transferred to Pioneer Mission charity during the year to aid Maurice Nightingale's Apostolic mission in Europe.
