Aim of the Charity (Church of the Living God)

To spiritually strengthen, uplift and inspire the lives of multitudes by proclaiming the love of Jesus Christ. To provide support and welfare to the children and families. As part of our outreach programme, we support missionary works in South Asian countries like India, Sri Lanka, Nepal, Myanmar etc. We are also involved in supporting the education of 35 semi-orphan children living in the slum areas of Chennai (India). We work in collaboration with Local and International charities for promoting welfare and care.

What we believe

We believe that the entire Bible is inspired by God, its without error and it's the authority on which we base our faith, conduct and doctrine.

We believe in the Triune nature of God. We believe that Salvation is a free gift which is readily available to anyone who believes in Jesus Christ.

Marriage is a divine institution ordained between man and woman.

We believe in spreading the love of Jesus Christ by supporting Missionaries and by extending a helping hand to the destitute and the needy.

The Church of the Living God (CLG) is a self-funding Christian Organisation. Majority of its income comes from its members who contribute generously in form of Tithes, Missionary offerings, Children support, Sunday offerings, special offerings etc. We have been blessed with several well-wishers and donors whose sacrificial contributions has enabled us to make an impact in the lives of many people all around the world. The members of the church are mainly from the Asian diaspora which has enabled us to support charities and other mission works in the Asian countries alongside our many projects that we run for our local community here in the UK.

Update on CLG's Local Ministry

VBS

CLG has been actively involved in supporting the local community ever since its establishment in the year 2009. Every Year CLG conducts its local event for the Children called VBS (Vacation Bible School) in the summer holidays. More than 200 children participate every year between the ages of 4 and 16, VBS had been a very successful event each year where the children are all very enthusiastic about their participation and look forward to it with great expectation each year. This year due to Covid, we had our Online VBS where our theme was 'Mystery', where we aimed to unfold the mystery of God in the lives of every individual especially the Children. This online event took place from 12th to 14th Aug 2021 and had a great response among the children who participated from different parts of the world.

Update on CLG's Local Ministry

VBS contd

The main objective of this event was to promote a sense of positivity among the children and to enable them to grow in the love and fear of God. We aim to nurture the overall wellbeing of the children so that they are socially, spiritually, emotionally, and physically strengthened to face the challenges of the world. The values and ethics which the children learn from these sessions benefits them and their community for life. The children learn about the love of Christ and how it has the power to transform their lives.

Special Needs Children's Programme:

CLG launched its first event for the children with disability on the 11th Dec 2021. This event was organised for the children with Special needs such as Autism, Cerebral Palsy, Learning disorder etc. The parents and siblings of these children joined the occasion and made it a memorable event. Christmas gifts were distributed to all the children and refreshments were served. There were nearly 50 people in attendance at this event including the volunteers and 15 Special need children. The families who attended enjoyed listening to lovely carols sung by CLG Choir and had a great time of fellowship.

Christmas Programme:

This is one of CLG's special cultural event where we celebrate Christmas with the local community. We stage programmes such as dance, songs, skits, dramas which conveys the message of Christ to the local community. People are given opportunity to get involved through participation. Every year we have many new people come with enthusiasm and participate in these events. This event not only brings the message of hope to the people but also enlightens the sense of community. This year due to Covid we did not have a Christmas programme instead we had a small gathering for the Children with Special needs.

WOW Conference (Women of Worth):

Between 17th Feb 2022 and 19th Feb 2022, CLG conducted its physical women's conference. This was the first big event that CLG resumed after Covid. The aim of the conference was to empower women and help them identify their worth in the kingdom of God. The theme for WOW 2022 was 'Courage' and each day we had a sub theme with topics such as 'Courage to endure', 'Courage to stand strong' and 'Courage to speak up'. These sessions were inspiring and uplifting for the women who participated from different walks of life. Many women gave feedback that they felt motivated, inspired, and energised through the conference.

During the lockdown, CLG also extended support to people in need especially in the local and international community. Locally we supported foodbank and food distribution in collaboration with the St.Richard's church. Internationally, we undertook few Covid relief projects in India, Srilanka and Pakistan. As a part of our Literature project, we distributed Bibles in the Asian countries. CLG also extended emergency support to Ukraine during the crisis the country was going through. This was one of our biggest projects undertaken during the financial year along with the projects for Covid relief.

Our Future Plans:

CLG is committed to serving the community and the nations, hence we will look out for any opportunity to extend our support to the local community. CLG has plans to support many more charities, projects, and missions abroad. We plan to resume some In-Person events that we put on hold due to Covid such as VBS, Christmas Programme, B2 Conference for the Youth and Christ at Work for the working adults.

CLG believes in making a difference in the lives of individuals, adults, and children through its various local and international ministries. We are currently supporting 94 Missionaries and 35 semi orphan children. We have a vision of reaching the unreached for Christ and we believe that this can be only done through reflecting Christ through our actions and making a real difference in the lives of people.
