

"For I am not ashamed of the Gospel of Christ for it is the power of God to salvation for everyone who believes." Romans 1:16

Annual Report May 2020 April; 2021 Reg Charity No 1150705

Gospellife International continues with its aims for the ministry in keeping with the objects:

- to proclaim and further the gospel of God concerning his Son Jesus Christ our Lord and the preaching and teaching of the uncompromised word of God (the gospel) throughout the world as shall be decided upon by the trustees (the areas of benefit) consistently with the doctrine and articles of belief (the doctrines) set forth in the schedule hereto as (the statement of faith);
- the relief of poverty in such places of the world (the areas of benefit) as the trustees may from time to time decide;

- To facilitate mission expeditions/trips for and on behalf of churches; and or ministries; and or Bible colleges; and or institutions; and or persons the purpose of education and training of those with an interest of missions and evangelism within the objects of the charity.

2020 into 2021 The Covid19 Pandemic has proved to be challenging for everyday ministry matters, particularly East Africa, where most physical ministry is. Offices closed for extended periods, restriction of movement, curfews and school closures have all affected the ministry.

The ministry has continued strong; the Children's programme Alina's Kids continues to thrive in the community; the ministry has been equally effective in Uganda with relief programmes in 5 areas across the nation.

Although Funding and Fundraising have been challenging throughout this year, Gospellife International has seen itself flourish financially from sources unexpected.

Children's Ministry "Alina's Kids"

The Move to its new home in 2019 has proved to be invaluable, with the more extensive facilities both inside and out throughout the Covid 19 Pandemic.

Schools closed and no online teaching facilities, work suspended, and public transport severely curtailed; the number one issue was keeping the children and staff members safe using all preventative measures recommended by the UG.Gov.

Education;

Facilities to undertake online learning were donated to enable the children to keep their academic education active.

Online Education, activities in the garden, learning to grow their own food to supplement their diet, regular games, and exercise to keep them physically fit, learning teamwork, and relating to each other have been the emphasis of the lockdown.

The home also received as a gift of a swimming pool and two bicycles for the children.

With Eleven (11) children in the home plus Twenty-Two (22) children on community support; (Sixteen (16) girls and Seventeen (17) boys in total).

The care and support have been there throughout the pandemic for those not resident in the home.

With the support of the resident social worker, the children received counselling and emotional healing for the traumas the children have been through in their lives before coming into care.

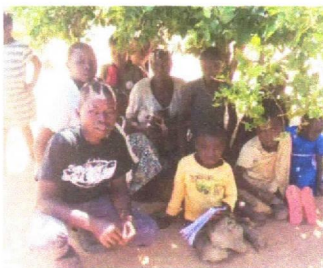

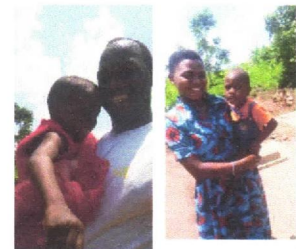

Two new children were brought into the home and have settled in well.

In addition, three children, two girls and a boy, were brought to the home with severe Malnutrition; all were treated with Nutrients and a balanced diet and are now doing well, now reunited with their parents and receiving ongoing support.

Challenges.

Two of the children at home lost their only parent, their father, who had been ill, died, which brought some challenges in their lives, but counselling has improved well.

The Joys

Abraham re-united with family

After a lot of groundwork by the staff at Alina's kids, searching out a family, followed by supervised visits under the careful watch of the resident social worker and social services. One of the older boys has now been reunited with his family, where he now lives with ongoing support.

Activities

Birthdays, Easter, and Christmas are all celebrated as special events for the children that bring much joy. Outings have not been permitted through the Lockdown for children's safety but have enjoyed the times of organised games in the garden.

Way Forward

The staff at Alina's Kids continue to see the children working and growing together as a loving family, in a Godly way, ensuring they are there for the benefit of the children.

Conclusion

Whilst the year has been challenging with the restrictions caused by the worldwide Covid 19 Pandemic; Alina's Kids has thrived; its ability to move forward, the children flourishing, challenges overcome, and there have been achievements in its progress. God has been faithful in all aspects. The children have continued to thrive in the home as we see them come together as a family, and the partnership with the Police and Social Services Mbale has been invaluable.

Ministry & Missions

The cancellation of the annual Great Bristol 10k 2020 would mean the prospects of quite a drop in the fund-raising budget. A person who has competed for the previous two years decided to run independently and raise sponsorship for Gossellife International with a total of £1500. Truly a splendid result of which we are all so grateful.

The regular Missions programmes had to be cancelled due to the Covid19 pandemic; the countries worked in closed public gatherings, axed transport making it extremely difficult for many nations. The concentration became focused on food aid.

The team of Gossellife International set about providing food Aid in regions of knowledge two Eastern, one central, and two Western in each area well known to the ministry was a responsible person to oversee the distribution.

Numerous letters of appreciation have been received i.e.;

This heart felt appreciation from the pastors of Matugga of the good heart of Gossellife International today and always. The above list (Not displayed) of those who received the relief food. God richly bless you and meet all the needs of the ministry and individual Ministers of Gossellife International and the supporters. Please pass over our thanks to Rev Baker and Family.

The Christian Book shop which initially opened in late 2019, following long-term closures due to the pandemic, is proving to be a valued resource to the Christian communities.

In conclusion

Despite the unusual difficulties, the ministry overall has had a very successful year. The Children's work under its director Rev Ioana-Alina Branisteanu has flourished and grown in strength within the community. The pastoral/ministerial work under the guidance and the Rev Dr Richard Nkunze has continued to be a resource and influence within the Christian leadership communities. The Ministry looks forward to 2021-22 with a great expectation.

Gossellife International donated financial support to:

1. Love Zambia for its constant work amongst the ladies of the street in Zambia, with reports of many being set free from its lifestyle, the funding being used to help these ladies learn skills to become employed.
2. Christmas Hampers for the less fortunate and homeless persons Bristol Organised by Carmel ministries Bristol.

Independent Examiner's Report

Report to the trustees/
members of

Gospellife International

On accounts for the year

Respective
responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent
examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
