The policy of the Charitable Company is to seek sufficient finance to continue its charitable activities.

In the event of the Charitable Company being wound up, the liability in respect of the guarantee is limited to £1 per member of the Charitable Company. The address of the registered office is given on page 1 of these financial statements.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Going Concern

The Trustees consider the adoption of the going concern basis in preparing these financial statements continues to be appropriate.
