MARKET BOSWORTH PCC
REPORT OF THE TRUSTEES
For The Year Ended 31 December 2024

The trustees present their report with the financial statements of the charity for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

This is the twelfth annual report of the Parochial Church Council of the Ecclesiastical Parish of Market Bosworth, Cadeby with Sutton Cheney and Congerstone (referred to as the Bosworth PCC in this report).

The PCC is responsible for four churches: -

St Peter, Market Bosworth
All Saints, Cadeby
St James, Sutton Cheney
St Mary the Virgin, Congerstone

Each of which has a church hall, although the ones at Sutton Cheney and Cadeby are administered as separate charities.

The PCC forms part of the Bosworth Benefice.

OBJECTIVES AND ACTIVITIES

Objectives and aims

Bosworth PCC continues to exercise its responsibility to the whole mission of the Church within the Diocese of Leicester. It remains committed to working with all the churches of the Benefice as well as other Christian denominations and faiths within the parish. We work closely with The Roman Catholic Church of our Lady and St Gregory's in Market Bosworth, and the Market Bosworth Free Church.

The PCC also recognises its responsibility for the maintenance of its Churches and church halls noted above.

The PCC is committed to enabling as many people as possible to engage with our churches.

Our aims are:

To enable as many people as possible to worship in our churches and to share the love of God through worship, prayer, music and sacrament.
To express the Christian faith through daily discipleship, love and compassion for all our neighbours.

When planning our activities for the year, we have considered the Charity Commission's guidance on public benefit and, in particular, the supplementary guidance on charities for the advancement of religion.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

The parishes rely almost totally on the active participation of volunteers to ensure the successful organisation of its services and managing the Churches.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

Achievements and performance (Community & Missional Achievements and Sustainability)

Bosworth Benefice comprises seven churches of which four make up the administrative unit of Bosworth PCC. We are a predominantly rural Benefice with Market Bosworth being the 'hub'. Market Bosworth is by population size a village whilst having many features of a rural town.

Our Ministry Team consists of one ordained stipendiary minister, the Rector, and two readers (within the Bosworth Benefice), as well as one ordained self-supporting minister who is employed as our Benefice Discipleship Enabler (BDE) and two Children's Ministry Enablers (CMEs) also employed by St Peter's Fund. During 2024 our Rector and his wife (one of the CMEs) moved to a new parish in Yorkshire, and our BDE also left to take up a Rector's position in the Diocese of Coventry. At the end of the year these positions remained vacant.

Regardless of the size of any of our churches we aim to be a visible and active presence in the communities we serve.

St Peter's, Market Bosworth holds regular weekly and midweek services, mainly Communion based. We have a choir who sing for two of the main services in the month and at special events including weddings by request. St James' Sutton Cheney and St Mary the Virgin, Congerstone each usually have one service a month, All Saints Cadeby is a Festival Church, and has 6 services a year.

Our children's work has continued with our Little Fishes group delivering two sessions across the Benefice for Mums with babies/toddlers. FunChurch, for Primary age children, is currently taking a break whilst we explore ways to develop Children's Ministry. We retain links with Bosworth Churches Together to deliver children's activities. This year has seen all schools in Market Bosworth visiting St Peter's Church for particular events and celebrations.

With our Benefice Discipleship Enablers help, we have continued to develop fresh ideas for worship, discipleship forming and deepening of faith. Lent Groups, Tenebrae services, Songs of Praise, as well as our regular Pop-In Coffee morning for social interaction and Women's Fellowship have continued along with different approaches to festivals.

We support the work of Hinckley Foodbank through a donations scheme as well as making a regular contribution to the Hinckley Homeless Group, Baby Basics also receives regular donations.

A team of volunteers from Market Bosworth continues to work in the churchyard with a view to encouraging wildlife whilst maintaining a space which is valued by local people and visitors.

We are keen to audit and develop St Peter's church with a view to the environmental issues we all face and to reduce our carbon-footprint. Work has been done by our Premises Manager to research ways of saving on utilities, and further research as to how to reduce our dependency on fossil fuels is underway.

The project to develop a Sculpture Trail depicting different elements of the battle of Bosworth as a local visitor attraction continues to develop and we hope will come to fruition in the near future. The project is being led by the 1485 Group in conjunction with the Borough Council and local organisations.

ACHIEVEMENT AND PERFORMANCE

Factors likely to affect future financial performance or position

With the departure of one of our CMEs and the BDE we have we have been able to re-route some expenditure to fund the 700th Anniversary of St Peter's Market Bosworth in 2025. This expenditure only impacts on the interest gained on investments. In 2025 we plan to recruit a new Benefice Minister (formerly BDE).

The land assets recognised for potential development in the Neighbourhood Plan (known as The Station Fields site) are progressing with planning permission applied for, which was granted in February 2025. The Borough Council, Parish Council, Neighbourhood Forum and ourselves are working in partnership to fulfil the recommendation of the Neighbourhood Plan for this development. We continue to work through our agent and solicitor who are provided professional guidance as we proceed. Final costs will be determined as we progress towards signing the Option to Purchase. We keep a close-eye on these costs will be covered by the sale of the site.

Overall the trustees continue to be mindful that economic factors could impact the return on investments but are in regular discussions with CCLA with regards the risk profile of the investments. A meeting with our CCLA Relationship Manager is planned for 2025 once we have a new Rector in place.

Corporate Governance

We continue to maintain our attention to the reporting and governance as guided by the Charity Commission and implemented by our Finance Committee.

At its Annual Meeting, the PCC was satisfied that our auditors continued to act professionally and efficiently and supported their continued appointment.

Fabric & Buildings

At St Mary's Congerstone, sales of the Gopsall & Congerstone at War and Gopsall: A Millennium of Influence books have continued and have now raised over £9,000 towards future church restoration works. A further £8,700 has been raised for the church hall renovation fund through activities including a BBQ, a fashion show, an afternoon tea party, a treasure hunt, a garage sale, a beetle drive, a pop-up Christmas craft shop, craft workshops, historical talks and a Christmas concert.

At All Saints' Church in Cadeby, a specialist conservationist contractor has been appointed to carry out the work on the ceiling in February. We are also asking him to give us quotations for external stonework issues highlighted in our Quinquennial Inspection. Work highlighted in the Tree Report for the churchyard has been carried out, alongside clearing some graves which had become overgrown. A village Christmas Party held in the church raised over £500 for the Rainbows Children's Hospice. Our annual fundraising fete moved site this year to Market Bosworth Rugby Club. The move was a success, raising over £5,000 towards the upkeep of All Saints' Church and we are now booked in for 2025 too.

At St Peter's Church, Market Bosworth, a decision was taken to install CCTV in the church to monitor activity around the organ and nave, but avoiding areas of private prayer, to deter theft or acts of vandalism. In addition, the church began exploring ways to reduce both ongoing financial costs and the negative environmental impact of its outdated heating and lighting systems. The lighting will be upgraded in 2025 and the heating likely to follow later in the year or early 2026.

FINANCIAL REVIEW

Financial position

The charity had funds at the beginning of the year of £12,080,346. There was a surplus of £2,242 before investment gains and a surplus of £201,131 after the gains on investment assets.. Therefore, giving reserves carried forward at 31 December 2024 of £12,281,477.

Total income for the year was £269,388 (2023: £270,776) of which £110,207 (2023: £114,881) were unrestricted receipts.

The charity has investments which generate income and in 2024 this included £46,056 (2023: £46,051) in the form of rental income and £106,371 (2023: £104,743) from listed investments.

FINANCIAL REVIEW

Principal funding sources

The principal funding sources of the charity are:

- Donations and collections
- Rental income
- Income from investments
- Fees from weddings and funerals
- Church hall lettings
- Fêtes and other events

Periodic grants and legacies are also received.

These sources of income have been expended in the furtherance of the charity's objectives.

Investment policy and objectives

The listed investments are managed by CCLA who are selected because of the extent to which they assess environmental, social and governance (ESG) risks. CCLA are a leader in stewardship and ethics and are a signatory of the United Nations Principles for Responsible Investment (UN PRI) and the UK Stewardship Code.

The listed investments form part of the St Peter's Fund and the portfolio is balanced between providing an annual income to support the objectives of this fund whilst maintaining capital for the future. The rate of return of the investments is considered by the trustees to be satisfactory.

Reserves policy

The Parochial Church Council of the charity ('Board of Trustees' - St Peter's Fund) have determined that each church comprising Bosworth PCC should retain sufficient unrestricted funds as follows :

Current reserves are:

Church	Reserve
Market Bosworth (General)	2,473
Market Bosworth Parish Hall	4,447
St Peter's Fund	33,368
Cadeby	983
Cadeby Church Hall	45
Congerstone	1,249
Congerstone Church Hall	1,198
Sutton Cheney	1,587
Sutton Cheney Village Hall	171
Total	45,521

As at 31 December 2024 the level of the combined reserve was £179,674 which is sufficient against that set in the reserves policy. This balance can be further analysed below:

Cadeby Parish Church: £39,504
Congerstone Parish Church: £6,451
Market Bosworth Parish Church: £118,265
Sutton Cheney Parish Church: £15,454

The trustees have designated the funds equivalent to the net book value of the buildings which total £611,700 as at 31 December 2024. This has been designated as the assets cannot be realised without undermining the charity's work.

At 31 December 2024 the restricted fund balances were £11,412,027, the designated fund balances were £689,776 and the total funds were £12,281,477.

FINANCIAL REVIEW

Going concern

No material uncertainties that may cast significant doubt upon the ability of the Charity to continue as a going concern have been identified by the Trustees. Therefore the accounts are prepared on the going concern basis.

PLANS FOR THE FUTURE

The General Synod of the church and Diocesan Synod have committed the church to review and reduce its 'carbon footprint' and we aim to reduce our dependence on fossil fuels and to update St Peter's Church internally, with the aim of improving our lighting, heating and accessibility. We have sought advice from the DAC (Diocesan Advisory Committee), the Buildings Development enabler and our architect.

Our churches have worked more closely together, and our aim remains to welcome and establish God's Kingdom in our hearts, lives and communities as we grow in faith in this Benefice, Deanery and Diocese. The Leicester Diocese Synod agreed in November 2021 to a new 'Shaped by God' framework for organisation of parishes and ministry resource. The Diocese are moving forward with a reorganisation of parishes into Minister Communities, and meetings are taking place in 2025 to work through how these communities will function.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Charity constitution

The Parochial Church Council is a corporate body established by the Church of England. The PCC operates under the Parochial Church Council Powers Measure. The PCC is part of the Diocese of Leicester within the Church of England.

Recruitment and appointment of new trustees

The method of appointment of PCC members is set out in the Church Representation Rules. Members are elected by those members of the congregation who are on the electoral roll of the four churches. All those who attend our services/ members of the congregation are encouraged to register on the Electoral Roll and stand for election to their DCC and the PCC. Training is available for PCC members through the Diocese of Leicester in areas such as finance, safeguarding and administration. The Charity Commission's Guide The Essential Trustee is provided to new trustees.

The PCC members are responsible for making decisions on all matters of general concern and importance to the parish including deciding on how the funds of the PCC are to be managed. In addition to the Annual Meeting, the full PCC meets in accordance with the Church Representation Rules, which is to hold a sufficient number of meetings to enable the efficient transaction of its business. In 2024, the PCC held four meetings in addition to the Annual Meeting.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk management

One main area of risk relates to the St Peter's Fund that comprises of agricultural land and investments to generate growth and income. Whilst the value of the investments can underperform, CCLA were selected for reasons outlined above, and trustees are satisfied that their investment management strategy avoids excessive risk.

Land is managed by reputable land agents, Andrew Granger, who are able to advise us and act where necessary to ensure risks are identified and managed.

Other financial risks could occur through poor budgetary/spending control and financial reporting. The Incumbent chairs the Finance Committee and works with the administrator to produce reports for PCC meetings.

Book-keeping and reporting is now performed using Finance Co-ordinator software. All budget limits and expenditure require PCC approval, and payments are authorised by a minimum of two signatories.

Investment with CCLA was affected by market volatility, however income remained constant and income from land rental was also unaffected.

The Premises Officer performs regular health and safety checks and risk assessments are carried out for any areas of concern, for example access to the tower and battlements. Health and Safety and Safeguarding Policies are in place and reviewed annually.

A structured programme of work is continuing to ensure policies and procedures are in place and reviewed.

The Trustees are satisfied that adequate insurance is in place to protect the churches, buildings and structures.

The trustees are committed to the safeguarding of children and vulnerable adults and have the required policies and procedures in place, as provided by the Leicester Diocese Safeguarding team, copies of which are publicly available in each church and hall. We work in partnership with the Diocese Safeguarding team to ensure policies and procedures are up to date. Notices detailing who our Safeguarding Co-ordinator is, along with other relevant contacts, are displayed. All volunteers fulfilling relevant roles have received appropriate Safeguarding training. Any concerns are appropriately dealt with in partnership with the Diocesan Safeguarding Co-ordinator.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Colleen Annan - Trustee

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF MARKET BOSWORTH PCC

Opinion

We have audited the financial statements of Market Bosworth PCC (the 'charity') for the year ended 31 December 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2024 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF MARKET BOSWORTH PCC

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulation. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks that are applicable to the charity and determined that the most significant frameworks which are directly relevant to specific assertions in the financial statements are those that relate to the reporting framework.

We understood how the charity is complying with those frameworks by making enquiries of management and those responsible for legal and compliance procedures. We corroborated our enquiries through review of board minutes and discussions with those charged with governance.

We assessed the susceptibility of the charity's financial statements to material misstatement, including how fraud might occur, by discussion with management from various parts of the business to understand where they considered there was a susceptibility to fraud. We considered the procedures and controls that the charity has established to prevent and detect fraud, and how these are monitored by management, and also any enhanced risk factors such as performance targets.

Based on our understanding, we designed our audit procedures to identify any non-compliance with laws and regulations identified in the paragraphs above.

We also performed audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for bias.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
For The Year Ended 31 December 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the Charity's accounting policies, management is required to make judgements, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Valuation of investment properties

The investment properties are stated at fair value based on the valuations performed by Andrew Granger & Co and updated by the Trustees at the year end. The valuers used observable market prices adjusted as necessary for any differences in the future, location or condition of the specific asset. The Trustees are of the opinion that, based on available market evidence, there were no material changes to the property valuations.

Income

Legacies are accounted for as soon as the PCC is notified of its legal entitlement and the amount is quantifiable and its ultimate receipt by the PCC is considered reasonably certain.

Grants and donations are included in the SOFA when any preconditions preventing their use by the PCC have been met. For collections and planned giving this is when the funds are received.

Income tax recoverable on Gift Aid is recognised at the same time as the income.

Donated assets are accounted for as soon as they are received and are included in the accounts at a reasonable estimate of their value.

Funds raised by fetes and other social events are accounted for gross.

Rental income from the letting of church properties is recognised when the rental is due.

Dividends are accounted for when declared receivable, interest as and when accrued by the payer.

The PCC receives substantial practical assistance from individual church members, but the financial value is mainly unquantifiable and no attempt is made to reflect this in the accounts.

Expenditure

Liabilities are recognised at the earliest point that there is an obligation to make a transfer of value to a third party.

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs relating to the category.

NOTES TO THE FINANCIAL STATEMENTS - continued
For The Year Ended 31 December 2024

1. ACCOUNTING POLICIES - continued

Expenditure

The charity is not registered for VAT and therefore all expenditure is shown inclusive of VAT.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Parish Halls	- 2% per annum on valuation
Fixtures and fittings	- 15% on reducing balance
Computer equipment	- 33% on cost

Consecrated and benefice property of any kind is excluded from the financial statements by section 10(2) (a) and (c) of the Charities Act 2011.

The figure described as land and buildings in note 12 represents Parish Halls which were introduced at a valuation in 2012. It also includes the cost of expenditure incurred since 2012 in extending St Peter's Parish Hall. The Parish Halls were revalued at 31 December 2023.

Investment property

Investment property is included in the balance sheet at its most recent valuation.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charity participates in the Pension Builder 2014 Scheme section of the Church Workers Pension Fund (CWPF) for lay staff. The Scheme is administered by the Church of England Pensions Board, which holds the assets of the scheme separately from those of the Employer and the other participating employers.

The Church Workers Pension Fund has a section known as the Defined Benefits Scheme, a deferred annuity section known as Pension Builder Classic and a cash balance section known as Pension Builder 2014.

Investments

Investments quoted on a recognised stock exchange or whose value derives from them (CIFs etc.) are valued at market value at the year end, using the bid price.

19. MOVEMENT IN FUNDS - continued

Transfers between funds

The terms of the St Peters Fund were widened in 2017 so that the money can be used by St Peter's Church Market Bosworth for the building and churchyard maintenance and upkeep and its general ecclesiastical purposes.

In 2017 it was decided that amounts from this fund could be transferred to cover expenditure incurred in the General Fund.

The trustees have agreed that the use of the St Peter's Fund to cover expenditure in the other funds will be assessed on a case by case basis.

20. EMPLOYEE BENEFIT OBLIGATIONS

Market Bosworth PCC (PB 2014) participates in the Pension Builder Scheme section of CWPf for lay staff. CWPf is administered by the Church of England Pensions Board, which holds the CWPf assets separately from those of the Employer and other participating employers.

CWPf has two sections:

1. the Defined Benefits Scheme
2. the Pension Builder Scheme, which has two subsections;
 - a. a deferred annuity section known as Pension Builder Classic, and,
 - b. a cash balance section known as Pension Builder 2014.

Pension Builder Scheme

Both sections of the Pension Builder Scheme are classed as defined benefit schemes.

Pension Builder Classic provides a pension, accumulated from contributions paid and converted into a deferred annuity during employment based on terms set and reviewed by the Church of England Pensions Board from time to time. Discretionary increases may also be added, depending on investment returns and other factors.

Pension Builder 2014 is a cash balance scheme that provides a lump sum which members use to provide benefits at retirement. Pension contributions are recorded in an account for each member. Discretionary bonuses may be added before retirement, depending on investment returns and other factors. The account, plus any bonuses declared is payable, unreduced, from age 65.

There is no sub-division of assets between employers in each section of the Pension Builder Scheme.

The scheme is considered to be a multi-employer scheme as described in Section 28 of FRS 102. This is because it is not possible to attribute the Pension Builder Scheme's assets and liabilities to specific employers and means that contributions are accounted for as if the Scheme were a defined contribution scheme. The pensions costs charged to the SoFA in the year are the contributions payable (2024: £2,699, 2023: £2,844).

A valuation of the Pension Builder Scheme is carried out once every three years. The most recent valuation was carried out as at 31 December 2022.

For the Pension Builder Classic section, the valuation revealed a surplus of £34.8m on the ongoing assumptions used. At the most recent annual review effective 1 January 2025, the Board chose to grant a discretionary bonus of 6.7% to both pensions not yet in payment and pensions in payment in respect of service prior to April 1997; and a bonus on pensions in payment in respect of post April 2006 service so that the pension increase was 2.7% (where usually it would be calculated based on inflation up to 2.5%). This followed improvements in the funding position over 2024. There is no requirement for deficit payments at the current time.

The next valuation is due as at 31 December 2025.

20. EMPLOYEE BENEFIT OBLIGATIONS - continued

For the Pension Builder 2014 section, the valuation revealed a surplus of £8.5m on the ongoing assumptions used. There is no requirement for deficit payments at the current time.

The legal structure of the scheme is such that if another employer fails, Market Bosworth PCC (PB 2014) could become responsible for paying a share of the failed employer's pension liabilities.
