Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

We provide fun, challenge and adventure to over 400,000 girls and boys across the UK

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

What we do

Every year we help over 450,000 young people in the UK enjoy new adventures; to experience the outdoors; interact with others, gain confidence and have the opportunity to reach their full potential.

Working alongside our youth members are thousands of adult volunteers, with a huge variety of roles and opportunities available.

The Purpose of Scouting

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting

As Scouts we are guided by these values:

Integrity - We act with integrity; we are honest, trustworthy and loyal.

Respect - We have self-respect and respect for others.

Care - We support others and take care of the world in which we live.

Belief - We explore our faiths, beliefs and attitudes.

Co-operation - We make a positive difference; we co-operate with others and make friends.

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun

- take part in activities indoors and outdoors
- learn by doing
- share in spiritual reflection
- take responsibility and make choices
- undertake new and challenging activities
- make and live by their Promise.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

We are the UK's biggest mixed youth organisation. We change lives by offering 6 to 25-year-olds fun and challenging activities, unique experiences, everyday adventure and the chance to help others so that we make a positive impact in communities.

Scouts helps children and young adults reach their full potential. Scouts develop skills including teamwork, time management, leadership, initiative, planning, communication, self-motivation, cultural awareness and commitment. We help young people to get jobs, save lives and even change the world.

What do Scouts do?

Scouts take part in activities as diverse as kayaking, abseiling, expeditions overseas, photography, climbing and zorbing. As a Scout you can learn survival skills, first aid, computer programming, or even how to fly a plane. There's something for every young person. It's a great way to have fun, make friends, get outdoors, express your creativity and experience the wider world.

What do volunteers do?

This everyday adventure is possible thanks to our adult volunteers, who support Scouts in a wide range of roles from working directly with young people, to helping manage a Group, to being a charity Trustee. We help volunteers get the most out of their experiences at Scouts by providing opportunities for adventure, training, fun and friendship.

Our award-winning training scheme for volunteers means that adults get as much from Scouts as young people. Our approach focuses on what you want to get out of volunteering with Scouts, while respecting how much time you can offer. Over 90% of Scout volunteers say that their skills and experiences have been useful in their work or personal life.
