TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2023

The trustees present their annual report and financial statements for the year ended 31 March 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's trust deed, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The principal object of the charity is to advance the Christian Faith among young people and families, in schools and groups, and in conjunction with the churches in the area of Crawley, West Sussex and the surrounding area.

The trustees are committed to ensuring that through our staff and volunteers, the Christian Faith is presented to young people in schools and groups, and in conjunction with the churches in the area of Crawley, West Sussex and the surrounding area.

We maintain contact with the local churches and supporters through regular prayer letters, visiting churches to talk about our work and meeting with local church ministers, pastors and leaders.

The objectives are achieved through staff and volunteers leading assemblies, clubs, R E lessons and other activities in primary and secondary schools in the Crawley area.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

Achievements and performance

In the past year, we have been able to return to working in schools in person rather than through the Zoom or You Tube links necessary because of Covid. We are now a physical presence in the majority of primary schools and two secondary schools in Crawley. In primary schools we have delivered assemblies, RE workshops (related to Easter and Christmas) and transition workshops for Year 6s moving onto secondary school. As well as this we were able to start lunch clubs in two primary schools after we appointed a lunch club co-ordinator. In secondary schools, we have run a mental health/wellbeing course in two local secondary schools, started a lunch club, and organised and ran a 'Prayer Space'. All of these activities have been well received by the schools. We receive feedback about our work through discussion and questionnaires, and act upon the outcomes to ensure that our work is always of the highest standard.

We currently have 4 part time staff members, one of whom was appointed in the spring as a Lunch Club co-ordinator, and 23 volunteers.

Volunteers and staff receive training to ensure that our work is engaging and appropriate. This covers for example, health and safety and safeguarding. The training also supports activities in assemblies, clubs and PSHE sessions. This year we delivered training on presentation skills to help staff and volunteers after the long break from visiting schools because of Covid.

The charity is an Associate of Scripture Union, who have worked for many years in schools and children's missions. They provide us with additional training and resources.

In addition, a trustee with education experience, monitors assemblies against Ofsted criteria. Currently they are of a high standard.

It was not always easy to maintain regular contact with our supporters and the local churches, but we are taking action to strengthen these links particularly with churches in Crawley. In September we had a re-commissioning service for staff, volunteers and trustees. To ensure that we are regularly reviewing our work and impact, staff and trustees had an Away Day in June to review our work and plan for the future.

Financial review

The net outgoing resources at the year end were £6,573 (2022: net outgoing resources £620).

It is the trustees' policy to maintain a balance of funds which equates to at least three months unrestricted payments, equivalent to £12,000 to cover emergency situations that may arise from time to time.

FOR THE YEAR ENDED 31 MARCH 2023

Plans for future periods

During the next year, we plan to continue to expand our work to address our vision that "every child and young person in Crawley will hear about the Christian faith and will have the opportunity to explore how it could impact their own life". We aim to do this by developing our partnership with churches so that we are able to support them with our knowledge and resources, and they are able to support us with volunteers, prayer and finances. In addition, we plan to take steps to establish assemblies in secondary schools as this area of our work stopped because of Covid. This may mean that we appoint an extra member of staff. We also plan to expand our lunch club work and the RE workshops that we deliver in primary schools. To ensure that our work is relevant and having impact we plan to continue having an annual meeting of staff and trustees where we review the past year, and plan for the next.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE LIGHTHOUSE PROJECT (CRAWLEY)

I report to the trustees on my examination of the financial statements of The Lighthouse Project (Crawley) (the charity) for the year ended 31 March 2023.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

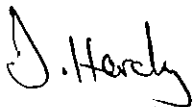

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2023

1 Accounting policies

Charity information

The Lighthouse Project (Crawley) meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's Foundation Model Constitution, the Charities Act 2011, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

General funds are unrestricted funds which are available to use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

1.4 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

1.6 Tangible fixed assets

Computers 25% straight line

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1.8 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as a basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

1.9 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.10 Retirement benefits

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

1.11 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts.

1.12 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of past events, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
