The Redeemed Christian Church of God (RCCG) - His Majesty Sanctuary Parish Oldham Report of the Trustees for the year ended 31 December 2023

The trustees present their report and the financial statements for the year ended 31 December 2023.

The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' effective 1 January 2015.

Structure, Governance and Management

Governing Document

The organisation was registered as a charity on the 4th March 2013 and it is governed by a trust deed dated 27th December 2012

Recruitment and appointment of new trustees

Generally trustees are appointed by Board of Trustees. Trustees are appointed by invitation as at when required and depending on their expertise and requirements of the charity. There are no new trustees appointed during the period.

Induction and training of new trustees

The charity arranges appropriate training both internally and through other voluntary training providers. The trustees and all involved in running the charity, including volunteers are always encouraged to acquire the necessary skills required for the achievement of the charity objectives.

Additionally, new trustees are invited and encouraged to attend series of short training sessions to familiarise themselves with the charity and the context within which it operates.

Organisational structure

The trustees who served during the period and up to the date of the report are set out above. The day to day responsibility for the running of the charity lies with the Senior Pastor. The Senior Pastor is accountable to the Board of Trustees who are ultimately responsible for all strategic decisions of the charity.

The trustees meet regularly and are responsible for the strategic direction and policy of the charity. All trustees and the senior pastor give their time voluntarily. No full time employee is engaged in the administration of the charity. The charity is assisted by members who render voluntary services to the charity.

Risk Management

The trustees have assessed the major risks to which the charity is exposed, in particular those related to operations and finances of the charity, and are satisfied that the systems are in place to mitigate exposure to the major risks.

Objectives and Principal Activities

The charity's objectives and principal activity is to promote the advancement of the christian faith, the relief of poverty and promotion and fulfilment of various charitable causes within the local community and such other parts of the United Kingdom and the world as the trustees think fit.

- We will pursue these objectives until every nation in the world is reached for Jesus Christ our Lord.

Ensuring Our Work Delivers Our Aims

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help. The review also helps us ensure our aim, objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

The Focus of Our Work

Our main objectives for the year continued to be the advancement of the Christian religion and the relieve of poverty and sickness. The policy of the Redeemed Christian Church of God (RCCG) - His Majesty Sanctuary Parish Oldham is to pursue objectives in the following ways:

1. Provision of Weekly Church Services on Wednesdays and Sunday to minister to the physical, spiritual and material needs of the congregants.
2. Provision of Services to individuals, families and community at large. The service includes a wide range of spiritual and social care.
3. Focusing on the Material needs of certain members undergoing difficult financial situations.
4. Working with other Christian agencies and Churches in Manchester to advance the preaching of the Gospel.
5. Offering training consultation and information services to members
6. Sponsoring projects overseas (Mission and Outreach Work) where we have opportunity to do this effectively and where the project can be managed locally, such sponsorship can include funding, advice and training, assistance with raising finance and making contacts.
7. Gathering documents and communicating information within our particular field of expertise for three main purposes:
 - striving to ensure that poverty is eliminated through education and financial help to establish businesses. In relation to this
 - offering our services to anyone in need of spiritual help through free Christian counselling, prayers and deliverance solely on the basis of our ability to provide appropriate help and regardless of race, colour, nationality, religion, gender, age, legal status and personal history.

The Redeemed Christian Church of God (RCCG) - His Majesty Sanctuary Parish Oldham
Report of the Trustees for the year ended 31 December 2023

Development and Achievements in the Period

The charity's events were properly managed, executed and reviewed for its impact on members. Our charity continues to grow in Sunday morning attendance, youth and children's ministry. We minister to the physical, mental and spiritual needs of our members and new comers in our midst. We have helped relief poverty and hardship amongst both and irregular congregants who are suffering from financial hardship due to unemployment and lack of financial resources.

Financial Review

Our charity was able to raise a total income of £30,393 during the year under review.

Principal Funding Sources

The principal funding sources for the charity are currently by way of Donations and Gifts from congregants through the offering basket passed during Church services and through bank standing orders etc.

Investment Policy

The Charity retains a significant amount in the savings account. The objective of the investment policy is to invest in cash at banks where the capital is protected. The charity currently has a policy of keeping any surplus liquid funds in cash at banks where immediate access and security of funds is guaranteed

Reserves Policy

It is the policy of the charity to maintain unrestricted funds which are the free reserves of the charity at a level which equates to at least 3 months of unrestricted expenditure. This provides sufficient funds to cover management and administration and support costs and to respond to emergencies which may arise from time to time.

The expenditure for 2023 was £15,811 and therefore the targeted reserves should be between £3952.75 and £7905.50 in general funds. The reserves are needed to meet the working capital requirements of the charity and the trustees are confident that at this level they would be able to continue the current activities of the Charity in the event of a significant drop in funding. The charity was able to meet the targeted reserves during the year under review.

Plans for Future Periods

In the near future, the charity plans to expand its operations and will continue our drive towards providing more benefits to our community. The Charity plans continuing the activities outlined above in forthcoming years subject to satisfactory funding arrangements.

As at the time of this report, the charity has acquired its own place of worship and necessary arrangements are being made to engage the local community through the introduction of charitable programmes which will be directed towards provision of services which will engage them through preaching of the gospel.

Trustees' Responsibilities

Charity Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable trust as at the balance sheet date and of its incoming resources and applications of resources, including income and expenditure, for the financial year. In preparing those financial statements the Trustees should follow best practice and

Select suitable accounting policies and then apply them consistently;

Make judgements and estimates that are reasonable and prudent

Prepare the financial statements on going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statement comply with the Charities Act 2011. They are also responsible for the safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of Disclosure of Information to the Accountants

In accordance with charity law, as trustees, we certify that:

So far as we are aware, there is no relevant information of which the company's accountants are unaware; and as the trustees of the charity we have taken all steps that we ought to have taken in order to make ourselves aware of any relevant information and to establish that the Charity's accountants are aware of that information'.

Independent Examiner's Report to the Trustees of the Redeemed Christian Church of God (RCCG) - His Majesty Sanctuary Parish Oldham for the year ended 31 December 2023

As described on pages 2 to 5, the Trustees are responsible for the preparation of the accounts, and they consider that an audit is not required for this year (under section 144(1) of the Charities Act 2011 (The 2011 Act) and that an independent examination is needed. It is my responsibility to:

examine the accounts (under section 145(1) of the Charity Act 2011;

follow the procedures laid down in the general Directions given by the Charity Commissioners under section 132 of the Charity Act 2011; and

state whether particular matters have come to my attention

Basis of Independent examiners statement

Our examination was carried out in accordance with general Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair" view and the report is limited to those matters set out in the statement below:

Independent examiners statement

In connection with my examination, no matter has come to my attention:

(1) which gives us reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with section 130 of the Charities Act 2011; and

to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities, have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes forming part of the financial statements for the year ended 31 December 2023

1. Accounting Policies

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the preceding year.

(a) Basis of Accounting

The financial statements have been prepared under the historical cost convention, as modified by the inclusion of fixed assets investments at market value, and in accordance with the Companies Act 2006 and the Statement of recommended Practice: Accounting and Reporting by Charities effective January 2015.

(b) Fund Accounting

Unrestricted funds are available for use at the discretion of the trustees in furthermore of the general objectives of the charity. Unrestricted funds include a revaluation reserve representing the restatement of investment assets at market values.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

(c) Incoming Resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receiveable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Invested income is included when receivable.

Incoming resources from charitable trading activity are accounted for when earned.

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

(d) Resources expended

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

The Redeemed Christian Church of God (RCCG) - His Majesty Sanctuary Parish Oldham
Notes forming part of the financial statements for the year ended 31 December 2023

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity.

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage as set out in Note 4.
