## **TRUSTEES' REPORT**

### **FOR THE YEAR ENDED 30 MARCH 2024**

The Trustees, who are also directors of the charity for the purposes of the Companies Act 2006, present their report and accounts for the year ended 30 March 2024.

The accounts have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the Charity's memorandum and articles of association, the Companies Act 2006, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (effective 1 January 2019)".

#### **Structure, governance and management**

At a meeting of Trustees and members held on 7 December 2012 it was agreed to establish a Charitable Company to take over the assets and liabilities of Bolton Children's Opportunity Group for Handicapped Children an unincorporated charity with registered number 512813.

As a result, Bolton Children's Opportunity Group (COG), a Charitable Company limited by guarantee, was incorporated on 25 January 2013. The company was registered as a Charity on 6 March 2013 with registered number 1151118 and Company Registered Number 08376180.

The unincorporated organisation transferred all of its assets and liabilities to the Company with effect from 1 April 2013. The first Trustees of the Charitable Company were the same as those of the unincorporated organisation.

The Trustees, who are also the directors for the purpose of company law, and who served during the year were:

Mrs A Dodd  
Mrs N Home  
Mrs K L Partridge  
Mrs S Seddon  
Mrs M E Wheatcroft

Under the requirements of the Memorandum and Articles of Association the Trustees are elected to serve for a period of years, now agreed as three. They retire by rotation and may be re-elected at the next Annual General Meeting. None of the Trustees have any beneficial interest in the company. All of the Trustees are members of the company and guarantee to contribute an amount not exceeding £10 in the event of winding up.

The skill requirements for the Trust Body are regularly reviewed and any vacancy arising is filled by consensus amongst the remaining Trustees to meet the necessary criteria. Trustees are sought whose skills build on the skill base of the existing board of trustees that include sector specific skills such as Health & Social Welfare, Finance, Legal, and Human Resources,

The induction process for any newly appointed Trustee comprises an initial meeting with the Chair followed by meetings with the other Trustees. New Trustees receive all the relevant information in respect of the organisational structures and plans, Trustee job description, the Memorandum and Articles of Association, Guidance on Trustee Responsibilities and other relevant Charity Commission Guidance. This is further supported with verbal information from Chair of Trustees and/or the other Trustees.

Meetings take place at least twice a year to review the Charity's financial matters and general operating management.

Bolton Children's Opportunity Group employs professional people with experience and expertise relevant to the business of the Charity and the young people it supports. The Trustees set and monitor the scale of delegated responsibility invested in the senior management team. Likewise, it monitors and reviews the overall strategy and business plan.

The principal office of the Charity is Lowndes St Nursey, Lowndes St, Bolton, BL1 4QB.

#### **Risk Factors**

The Trustees have assessed the major risks to which the Charity is exposed in view of the new funding formula and are satisfied that systems are in place to mitigate exposure to the major risks. The Trustees are fully aware of the difficulties of maintaining the quality of service it delivers particularly in the current economic climate and are aware that there may be financial challenges in the future.

Mrs Dodd has been an employee in the role of office administrator/ business manager since 1985. She was asked to become a Trustee in October 2017 as the Ofsted officer would only deal with a Trustee. Following this the Trustees did not feel they had enough knowledge regarding Ofsted and asked Mrs Dodd to become a Trustee in order to comply with the Ofsted requirements.

Mrs Partridge became a Trustee in January 2018 she was then asked to become an employee in September 2018 due to her knowledge as a retired special educational needs teacher and is well versed in all aspects of the position as an Information and Advisory Service officer.

**Objectives and activities**

The Charity's objects are specifically restricted to the following:

To advance the education of children and young adults with additional needs within the Metropolitan Borough of Bolton.

To promote the development of individual capabilities competences skills and understanding. To provide a safe environment for group play and activities to encourage children to interact and learn through structured play.

To promote the involvement of parents and guardians to engage more with their child's education including other charitable activities through which they can help their child.

The policies adopted in furtherance of these objects are that the group may:-

- a) run a playgroup enabling children with additional needs to mix with normal children.
- b) foster mutual help and co-operation between parents, guardians, relatives and friends of children with additional needs and those trusted with the care of children with additional needs.
- c) raise adequate funds for the achievement of the foregoing object and invite and receive contributions from any persons by way of subscriptions, donations and otherwise, provided that the group shall not undertake any permanent trading activities in raising funds for its charitable object.
- d) hire premises, provide equipment, engage staff, admit children and require such payments to be made as are referred to below.
- e) expend money received from any source.

g) do all other things as appear to the Trustees and Senior Management Team to be necessary in pursuance of the objects.  
and there has been no change in these during the year.

**Public benefit statement**

The Charity meets its public benefit obligations by running a playgroup for children with additional needs, running outreach programmes for children with additional needs and providing help and support to children with additional needs and their parents or guardians. We believe that the Charity is in an excellent position to provide cost benefits when compared to other service providers in the maintained and private sectors.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

**Use of volunteers**

DBS checked volunteers help with the children, preparation of the play sessions and transporting the children to and from home in the Charity's minibuses. They also help with fundraising and answering the telephone.

**Reserves policy**

It is the policy of the Charity that unrestricted funds which have not been designated for a specific use should be, if possible, maintained at a level equivalent to between three and six month's expenditure. The Trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Charity's current activities while consideration is given to ways in which additional funds may be raised.

**Strategic Report**

**Achievements and performance**

The Trustees held three virtual Trustee meetings during the year. The Trustees have focused on work throughout the year to address critical issues of funding insecurity. The Trustees goal is to ensure that the Charity is able to access the Local Authority funding streams. The aim is to guarantee the future viability of each service provided by the Charity. The funding formula for the Early Years Education Grant does not cover transport costs which is an important part of the Charity's service and the Trustees are aware that fund raising is essential to maintain this vital service. A bid to the National Lottery for three years funding towards the cost of providing transport, which had been delayed because of the Covid 19 pandemic, was finally approved and extended to cover 5 years' operating costs and payments commenced in January 2021.

Previously the Trustees have expressed ongoing concerns that the financial projections for the Local Authority funding indicate that the sustainability could be precarious for the future of the Charity. In order to address these concerns the Trustees and senior management team have worked towards developing strategies to ensure financial viability these include:-

- The fee for the play sessions has remained at £15 per session, since September 2020, this may need to be reviewed in the near future. Although, as more children become eligible for free early years education, increasing the fees would not necessarily bring in more revenue. We are, therefore, going to start charging for snacks from January 2025.
- The Local Authority has continued to fund the teacher's salary in Nurture Group, but this may not be a permanent situation and the Trustees will continue to monitor the situation.

The Charity is involved with the Bolton Hospice Lottery Partnership Scheme, the BWFC Lotteries Partnership Scheme, and is also registered with EasyFundraising and AmazonSmile.

The Local Authority expressed a commitment to support the Charity financially and continue to provide accommodation at the current low rent.

Funding for the Nurture Group teacher is currently being provided via Behaviour Support.

In line with its training strategy, COG members of staff have completed the following training courses:

- 7 members of staff – Aided Language Stimulation
- 2 members of staff – Joint Attention
- 1 member of staff – SENCo introduction
- 1 member of staff- SENCo training
- 1 member of staff – SENCo webinars
- 1 member of staff - 2 SENCo workshops

Ofsted said "The management and staff show a real passion to help children achieve the very best they can. Their proactive and dedicated approach helps to improve outcomes for all children. This includes the most vulnerable of children and those who have special educational needs (SEN) and/or disabilities."

The Charity was awarded the Bolton Mark Inclusion Award on 19 May 2015 this award is in recognition of complying with all operating standards set by the Local Authority deeming the organisation safe, friendly and effective. The accreditation is a mark of high quality for organisations working within communities.

#### **Monitoring achievement**

The care and education of our children and young adults has been maintained according to our objectives. Each child or young person has been helped and supported to achieve their full potential through individual and group activities. Individual guidance and tuition have been given to each child as necessary for that child or young person to fulfil their potential.

During the period 31 March 2023 to 30 March 2024 COG nursery and the High Needs Base (Blue Room) have cared for 71 children, 60 of which have additional needs which is 84.5%. Many of whom have been diagnosed as being on the Autistic Spectrum.

32 children left us during this period, some went onto specialist provision, others went into mainstream and several children returned to us for a further year.

#### Nurture Group

During the year, we have provided places for 22 children from 14 different schools.

Of the children who have attended Nurture Group

- 14 children joined us from Reception. Two of these returned in Year one to complete their placements with us
- 9 children joined us from Year one
- Of the above, two children were looked after (LAC) by the local authority
- 3 children did not complete their full placement with us, they transitioned back to their Primary school.
- 10 children did complete their placement, 9 transitioned successfully back to their Primary school and 1 child was permanently excluded from their Primary school.
- 9 children continued their placement with us.

We have had observations and assessments from professionals from outside agencies e.g., from Bolton Educational Psychology service, Bolton Behaviour support service and children's social care. In order to support our children, we have also liaised by phone and email and remotely via Teams/zoom supporting our children in a variety of ways. We have had observations/visits from some staff from the children's schools. These usually last from an hour to half a day.

Mrs Tate (teacher) has been into schools to observe both children who have been referred and children who are currently attending nurture group to provide advice and support to schools. She has also attended meetings for the children such as PEP, Child protection conferences and reviews, core group meetings, early help reviews and annual reviews, etc. These have been both in person and remotely on Teams/Zoom. Currently a high number of our cohort have social care involvement both at statutory and child in needs level. We have therefore had a higher number of meetings/conferences to support these children which Mrs Tate has either attended or provided reports for.

One of our children was selected as a case study for the local authority SEND inspection. Mrs Tate attended a planning meeting with representatives from the local authority, produced reports and attended a meeting with the inspectors. Both the local authority and the inspectors commented on the positive contribution to multi-agency

working to support the family we were making. In addition, it was commented on that ours was a good example of a voluntary sector service providing a positive contribution to the offer this child receives.

The Information and Advisory Service (SEND)

The Information and Advisory Service (SEND) have provided services to 3200 families/carers/children/young adults ranging from telephone calls, personal visits, school meetings, arbitration and appeals. So much was the demand the Local Authority agreed to award additional funding for an extra part time member of staff.

The Trustees are confident that the Charity's objects have been fulfilled throughout this financial year.

**Financial review**

During the year ended 30 March 2024 income exceeded expenditure resulting in a deficit on unrestricted funds of £41,887. The net incoming resources on the restricted fund were £2,118.

Fundraising income of £669 was achieved during the year.

At 30 March 2024 the balance of unrestricted funds carried forward was £76,456.

A grant received specifically towards the nursery transport costs amounted to £17,192. This is included within income on restricted funds.

The balance carried forward on restricted funds at 30 March 2024 was £6,851. This is comprised of the written down values of furniture, donated by a grant from Bolton Council, two donations for hoists, the balance of the grant from the National Lottery for the nursery transport costs and the balance for the Nurture Group teacher wages, all amounting to £6,851.

The Charity received funding from the Local Authority for the Nurture Group Teacher which is included in the income from restricted fund charitable activities.

The Charity rents the premises for £1,000 per year, which is below market value, from Bolton Council who also cover the costs of light and heat and buildings insurance. The Trustees are unable to ascertain the exact value but would estimate the donated facilities at about £25,000.

**Plans for the future**

The Trustees will continue to explore new avenues of funding in order to diversify C.O.G.'s funding sources.

Monies that had been deposited in a higher yield fixed term savings account, which has now matured, have been moved into the higher yield easy access account in order to maximise income from savings. The Trustees are still looking at ways of minimising bank charges, by possibly changing banks.

Following on-going discussions with the Local Authority, additional funding has been secured from Bolton MBC because of the high number of children attending the nurse for whom we receive the Inclusion Fund. This has relieved some of the concerns surrounding the sustainability of the service, under the raised funding formula introduced in 2016. The Trustees are optimistic that this will continue.

**Statement of Trustees responsibilities**

The Trustees, who are also the directors of Bolton Children's Opportunity Group (COG) for the purpose of company law, are responsible for preparing the Trustees' Report (incorporating the strategic report and directors' report) and the financial statements in accordance with applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

**(A COMPANY LIMITED BY GUARANTEE)**  
**NOTES TO THE ACCOUNTS**  
**FOR THE YEAR ENDED 30 MARCH 2024**

---

**1 Accounting policies**

**1.1 Basis of preparation**

The accounts have been prepared in accordance with applicable accounting standards, the accounting policies set out in the notes to the accounts and comply with the Charity's memorandum and articles of association, the Companies Act 2006, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Charity is a Public Benefit Entity as defined by FRS 102.

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The accounts are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention. The accounts include all transactions, assets and liabilities for which the Charity is responsible in law.

**1.2 Legal status of the Charity**

The Charity is a company limited by guarantee and has no share capital. In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the Charity.

**1.3 Going concern**

The Trustees have expressed serious concerns that the level of funding from the current contracts may not be sufficient to enable the Charity to deliver the contracted services. The Trustees consider that, at the date of approval of these accounts, the Charity has sufficient reserves to ensure that all liabilities could be discharged in the event of a winding up.

The accounts have been prepared on a going concern basis. The Trustees consider that the Charity's reserves would not show a material difference if the balance sheet was restated to realisable value.

**1.4 Funds**

The Restricted Funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

Unrestricted funds are funds which are expendable at the discretion of the Trustees in furtherance of the objects of the Charity, and is the sum of the Charity's surplus income over the past 11 years and includes the transfer of net assets from Bolton Children's Opportunity Group for Handicapped Children, a now ceased charity, registration number 512813.

**1.5 Incoming resources**

These are included in the Statement of Financial Activities (SOFA) when:

1. the Charity becomes legally entitled to the benefit of use of the resources;
2. an inflow of economic benefit is probable; and
3. the monetary value can be measured with sufficient reliability.

Investment income is included on the basis of interest receivable in the year.

Where income has related expenditure (as with fundraising or contract income), the income and related expenditure are reported gross in the Statement of Financial Activities.

Donations, grants and gifts are recognised when receivable. In the event that a donation is subject to fulfilling performance conditions before the Charity is entitled to the funds, the income is deferred and not recognised until it is probable that those conditions will be fulfilled in the reporting period. Income from Gift Aid tax reclaims is recognised for any donations with relevant Gift Aid certificates recognised in income for the year. Any amounts of Gift Aid not received by the year-end are accounted for in income and accrued income in debtors.

**NOTES TO THE ACCOUNTS (CONTINUED)**  
**FOR THE YEAR ENDED 30 MARCH 2024**

Income from government contracts and other grants, whether 'capital' grants or 'revenue' grants, are recognised when the Charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

**1.6 Donated goods and services**

Donated services or facilities are recognised when the Charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the item is probable and that economic benefit can be measured reliably.

Donated professional services and facilities are included in income at the estimated value of the gift to the Charity when received, based on the amount that the Charity would have been prepared to pay for these services or facilities had it been required to purchase them, with a corresponding entry in the appropriate expenditure heading for the same amount. Donated fixed assets are similarly taken to income at the value to the Charity with the other entry being capitalised in fixed assets.

**1.7 Resources expended**

Liabilities are recognised as soon as an outflow of economic benefit is probable.

Support costs comprise those costs which are incurred directly in support of expenditure on the objects of the Charity and include governance costs, finance and office costs. Governance costs comprise of all costs involving the public accountability of the charity and its compliance with regulation and good practice. These include costs of the preparation and examination of statutory accounts, the costs of Trustees meetings, rent, subscriptions and costs of any legal advice to trustees on governance or constitutional matters. Support costs are allocated to each of the activities on one of the following basis: either staff time or number of nursery sessions depending on the nature of the support costs, to best allocate the costs to each attributable heading.

**1.8 Cash and cash equivalents**

Cash and cash equivalents include cash in hand and deposits held at call with banks.

**1.9 Leasing and hire purchase commitments**

Rentals payable under operating leases are charged against income on a straight-line basis over the period of the lease.

**1.10 Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings & equipment	15% reducing balance
Motor vehicles	25% reducing balance

Following this the Trustees did not feel they had enough knowledge regarding Ofsted and asked Mrs Dodd to become a Trustee in order to comply with the Ofsted requirements.

Mrs Partridge became a Trustee in January 2018 she was then asked to become an employee in September 2018 due to her knowledge as a retired special educational needs teacher and is well versed in all aspects of the position as an Information and Advisory Service officer.
