Fund raising incorporating ticketed and non-ticketed events, regular donations, one-off special appeal donations and ad-hoc donations. Donations make up approximately half of the grants sent to South Sudan.

Each Trustee declares that:

- they are fully aware of the organisation's objectives and other provisions set out in the governing document.
- they are not disqualified from acting as a charity trustee because of sections 72 and 73 of the Charities Act 1993.

The Trustees consider grants only in response to written applications accompanied by a fully costed budget. Questions are asked if clarification is needed. There is not a formal application form for grants.

Each application is assessed in line with the objectives in the constitution to judge whether the whole or, in part, qualifies for consideration. Funds available limit the response to what otherwise would be a successful application.

Volunteers give their time freely to all events. They do ask for expenses to be paid at times and these are made formally via an Expense Form and accompanying receipts. There are no travel expenses.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

During 2024 a full programme of fundraising events took place. Grants made to the **St Timothy School in Nzara** were the same as in 2023 (**15,000US\$**) and the Reserve funds increased to complete the Trustees' aim to hold the equivalent of one year of donations in Reserves. The first payment for 2024 was made in January 2024.

St Timothy's School continues to support over 1,000 disadvantaged children with the payment of teacher salaries by The St Timothy Foundation. The Secondary School continues under the Mango Trees. Both schools are running well. The Ugandan curriculum and associated tests for achievement continue. The Foundation is in frequent contact with the Bishop of Nzara and the Administrator of the school. Photographs and updates of progress have been received. The St Timothy Foundation also supported **ECS Diawo Nursery and Primary School Nzara Diocese (an under the mango trees school) (3,000US\$)**

In 2024 **ECS Mangbondo Nursery and Primary School Yambio Diocese (4,200US\$)** was added to the schools listed that The St Timothy Foundation support. This was in response to a request by Archbishop Samuel Peni. In recent years two undergraduates had been supported at university in Kampala, Uganda. This outlay had come to an end which enabled the funds to be used to support the school in Yambio.

600US\$ was included in the donation for the collection of the money from the Diocesan Bank Account in Juba in June and July. A total of **22,800US\$** was donated in 2024.

At the end of the year discussions with Aqua Africa to bring a water pipeline into St Timothy's School were underway for implementation in early 2025.

Section E

Financial review

Brief statement of the charity's policy on reserves

Policy: The Trustees aim to hold in reserve an amount to cover annual committed expenditure in Nzara for Teacher salaries and resources i.e. circa **£19,000**. This figure varies according to the exchange rate to US\$. Due mainly to inflation the aim is to increase the Reserve in line with an increase in giving.

As at 31 December 2024 the reserve is **£20,547.82** held in the CCLA COIF Charities Deposit Fund Account.

Details of any funds materially in deficit
