The advancement of amateur sport by promoting the game of Bridge for the benefit of the residents of Kendal and the surrounding area.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The provision of facilities for the learning, teaching and playing of Bridge for the benefit of the residents of Kendal and the surrounding area.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

- 1. The advancement of amateur sport by promoting the game of Bridge for the benefit of the residents of Kendal and the surrounding area.**
- 2. The provision of facilities for the learning, teaching and playing of Bridge for the benefit of the residents of Kendal and the surrounding area.**

We do not make grants.

Monies are held in two bank accounts to minimise default risks.

All the work has been carried out by volunteers without whom the Charity could not function.

Summary of the main achievements of the charity during the year

In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit at our Trustees meetings. The main emphasis is on providing facilities to play bridge on four sessions per week. On-line bridge for members has been put in place to allow our members to play from home in members-only events. Our two hundred members are of all abilities and cover a wide age range. Because of our on-line competitions a number of ex-members who have left the area have rejoined to become involved again. Members of other clubs in the area have joined us to take advantage of or set-up. We have also allowed members of other clubs to take part in our "Relaxed Bridge" events without being charged for membership.

Some members (about 1/3) have not taken part in the on-line events, and their return to the tables, when Face-to-Face bridge becomes available again, will need to be supported and encouraged.

How to return to "normal" is being developed, with trial session(s) to be run. Members will need to be shown that the procedures are Covid secure. It may be necessary to continue running some on-line sessions after the pandemic is over.

Matches with other clubs and links with social occasions have not been possible during the COVID pandemic, but will be restarted when it becomes possible again.

Bridge cannot be taught to beginners currently but, again, will be re-introduced as soon as possible.

All members are very grateful for the many people who have done so much work (and learning) in setting up the on-line system and running the club events very efficiently. Impressive teamwork has been well demonstrated by a large number of people to deliver a slick, impressive system for the club.

Section E Financial review

Brief statement of the charity's policy on reserves

Our reserves policy requires us to hold a reserve of £10,000 to meet ongoing Club requirements, with the rest held to meet our obligations to maintain our new extension of the premises. Receipts are held in two bank accounts to minimise default risks.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The annual membership subscriptions were not collected during 2020-2021 since we could not use our premises. There was a joining fee for new members. Individual 'table money' was charged for each online session provided by the Club.

The main items of expenditure were fees to the English Bridge Union and to the providers of online Bridge facilities that the Club has used, Bridge Base Online and RealBridge.
