Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The charity continued to be governed by its founding trustees during this year.

Most of charity's activities were delivered by the volunteers.

Trustees paid a due regards to the major risks to ensure that its activities were delivered in safe environment. Because of extreme heat and rough weather , It was difficult to continue normal work this year .

The volunteers were briefed and trained adequately where needed. Food hygiene during distribution of foods.

Volunteers were provided with food hygiene training and health safety training to protect them and while working in extreme heat and rough weather condition .

We made sure that we adopt structured way of providing our service to public and ensure their safety.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The prevention or relief of poverty or financial hardship in Bangladesh, India and Pakistan by providing or assisting in the provision of education, training, healthcare

Projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The trustees have paid due regard to the charity Commission guidance on public benefit in deciding what Activities the charity should undertake. By providing free health, education and free meals for those who are experiencing hardship and poverty the charity aims to improve health and provide relief for those in need and have no other means of support available to them.

The charity delivered following activities in furtherance of its charitable objectives:

1. Help in free schooling
2. Free meals
3. Sponsor a child
4. Better livelihood project

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Ehsas foundation successfully achieved the following through its charitable activities.

Education :

We provided school kit and study material to 291 (2024: 285) students who could not afford to buy those essentials. The trustees are confident of achieving this target in coming years.

8,000 Meals :

Actual number of meals delivered during 2025 was 9215 (2024: 8810). Number of meals delivered during 2024 compared to last year is getting better. However, we're working toward achieving target of ten thousand meals and increase it to next target of 12000.

Donations for free meals is increasing due to our charity work to create awareness among donors of people suffering from hunger. The charity has started an awareness campaign about people in dire need of donation to meet their first basic need of human being -Food.

The results are encouraging and the charity will aim to meet the target of ten thousand meals in future years and moving to next target of twelve thousands.

Help the orphan:

We helped 53 (2024: 48) orphans to find Accommodation and also helped them in continuing their education through our network and collaboration with other voluntary groups. It was difficult because of extreme weather condition this year.

Section E

Financial review
