2. Structure, governance, and management

a. Governing documents

Celestial Church of Christ Sidcup Kent Parish is constituted as a charitable Trust. It is governed by a constitution approved by members on 15 March 2013.

b. Method of appointment or election of trustees

Trustees must be appointed by a resolution passed by a simple majority at a meeting of the Spiritual Leadership. [The appointment must be confirmed by Deed where property is held.] Every future Trustee must sign a declaration of willingness to act as a Trustee of the Church before he or she is eligible to vote at any meeting of the Trustees.

c. Policies adopted for the induction and training of management committee.

Following appointment, new Trustees are introduced to their role and given copies of the constitution and a guide to the policies and procedures adopted by our charity, a number of publications from the Charity Commission are also provided including guidance on charities and public benefits and the advancement of religion for the public benefit. This ensures that they are aware of the scope of their responsibilities under the charities act.

d. Organisational structure and decision making

The Charity Trustees are responsible for the general control and management of the charity. The Trustees give their time and receive no remuneration or other financial benefit.

The trustees meet together as a body monthly and are responsible for all decisions taken in relation to the running of the church and activities provided by the charity.

To assist in the smooth running of the charity the trustees have set up a leadership team to help them oversee certain aspects of the charity's work.

e. Risk management

The Trustees have assessed the risks the charity faces and have drawn up a risk matrix which identifies the major risk areas of activity, the nature of those risks, the likelihood of the risk happening, and measures taken to manage them. The trustees review this matrix regularly at their meetings. The trustees are satisfied that systems are in place or arrangements are in hand to manage the risks that have been identified. In particular, insurance cover is in place and the finances of the church are kept under review. Appropriate Criminal records checks (DBS), supported by regular review policies, and are made for all who work with children or other vulnerable groups within the church.

Strategies

We want to make our church an accessible and welcoming venue where all Christian or those who wish to know more about our faith, can gather together to learn about their religion and worship. At our 'Christian events we share the teachings of Jesus and the nature of our faith with non-Christian. In addition to an open day, we also hold an open week each year when we invite congregations from all the local Christian churches to visit us and learn more about Christianity.

An important part of our faith is charitable giving, according to one's income, in accordance with biblical principle and we are pleased to receive special donations for the sole purpose of the relief of need and financial hardship of Christians in Nigeria who have insufficient money to cover their basic needs for shelter, food, clothing, or who are destitute with no means of support.

An important part of our strategy is community welfare and education. Our activities including classes, health initiatives and seminars are widely advertised, and we welcome the participation of all in our local community, Christian and non-Christian alike. Most of our activities are free and supported by donations.

Use of volunteers

Volunteers are an important resource in both our faith and community work. Volunteers are involved in most of our faith and community activities, and we have over 30 people regularly giving their time. All our trustees also give of their time freely. We encourage all members of our Church to be involved in voluntary activities and to share their skills with others. All those volunteers working with projects involving children or other vulnerable groups are DBS checked.

Activities and achievements

How our activities deliver public benefit

The charity carries out a wide range of activities in pursuance of its charitable aims. The trustees consider that these activities, summarised below, provide benefit both to those who worship at our Church and the wider community.

Religious activities

Our Church provides a centre for our prayers and worship and for the activities associated with our faith. During the year under review, we offered a range of religious services and activities including:

Prayers: The Church is open two days a week (Wednesday & Sunday). During the week we have over 30 people who regularly attend mid-week prayers and bible studies and over 60 who regularly attend Sunday worship service.

Festivals: The church prepares food during Christmas for those attending our services who wish to celebrate the birth of Christ. During Easter, we also celebrate the death of Christ with a holy communion meal. We also offer a monthly service of thanksgiving for our members and the community.

Principal funding sources

The charity's main source of income is giving. Giving at both Sunday worship and midweek services amounted to £148,553 whilst this represents an increase from the previous year, given the economic conditions currently affecting our local community this level of voluntary giving is both generous and encouraging.
