- 1 accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland. Financial Statements for the year to 31 March 2024
Notes to the Financial Statements

1 Accounting Policies

1.1a Basis of preparation

The charity is a 'public benefit entity'. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. The charitable company has taken advantage of the following disclosure exemptions in preparing these financial statements as permitted by FRS 102

- the requirements of Section 7 Statement of Cash Flows

1.1b Preparation of the accounts on a going concern basis

The Charity reported a surplus of £34,878 for the year ended 31 March 2024.

The trustees are of the view, that given the Charity's reserve position, and outlook of support for the next 12 months, that the charity is a going concern.

1.2 Resources Expended

Expenditure is accounted for on an accrual basis and has been classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings, costs have been allocated to activities on a basis consistent with the use of resources. Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure and it is probable that a transfer of economic benefit will be required in settlement of the obligation, and can be reliably measured.

1.3 Donations and Voluntary Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to funds and it is probable that the income will be received and the amount can be measured reliably. Donations and Voluntary Income are accounted for when received.

1.4 Grants Receivable

Grants for immediate expenditure are accounted for when they become receivable.

Grants received for specific purposes are treated as restricted funds.

1.5 Grants Payable

Grants Payable are accounted for when they are paid.

1.6 Allocation of Costs & Restricted Fund Accounting

Costs have been allocated between charitable activity and governance costs. Where items involve more than one fund they are apportioned between categories, and apportioned to fund based on the estimated expenditure of resource according to the nature of cost. Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The aim and use of restricted funds is set out in the notes to the financial statements.

1.7 Fixed Assets and Depreciation

Fixed Assets for charity use are capitalised at cost, or valuation if donated. Depreciation is calculated to write off the assets. Less their estimated residual value, over their useful lives on the following basis:

FFE	Depreciation	10 years straight line basis
Motor Vehicles	Depreciation	10 years straight line basis

Depreciation commences in the year after purchase or commissioning
