**ALTON CHRISTIAN CARE LIMITED**

**Report of the Trustees  
for the Year Ended 31 March 2024**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The charity's purposes are set out in the company's memorandum of terms but the primary purpose is to operate the Alton Foodbank.

The focus is the collection and distribution of food in accordance with the rules and recommendations set out by the Trussell Trust (registered Charity number 1110522) who are the overarching sponsors for more than 400 foodbanks throughout the UK.

A secondary object was established which is the operation of a school uniform bank for local schools in the immediate area.

The aims and objectives were expanded in 2020 at The Charity Commission and Companies House to ensure that the Trust could give financial contributions to other organisations operating in the same area.

**Significant activities**

The foodbank has continued to develop its operations to meet the needs of local people who are struggling.

It has been able to manage the increase level of demand generated by the cost-of-living crisis and further develop its partnership with Citizens Advice.

Given the continued support of the local community and the healthy balance of funds the directors have confidence that the charity can sustain its operations with a high level of purchases for the following year.

**Public benefit**

The Alton foodbank aims to provide emergency food aid to people in crisis regardless of their race or beliefs. The foodbank operates on a referral basis with local agencies who know their clients assessing their need for emergency support and then issuing the client with a referral via a voucher system. The referral is made electronically using the system supplied and managed by the Trussell Trust.

Each referral voucher enables the client to access an emergency supply of food sufficient to cover a minimum of three days for their size of family. In addition, Alton foodbank offers their clients supplies of household goods such as washing and cleaning products, toiletries and if available pet food.

In 2022/23, because of the cost-of-living crisis, the foodbank saw a significant increase in demand with 939 unique referrals and 30 tonnes of food distributed. In 2023/24 demand stayed at a high level with 1002 voucher referrals and 29 tonnes of food was distributed to 2781 people.

As would be expected, most clients of the foodbank live in the most deprived areas of Alton (Annex 1). Eastbrooke, Wooteys and Westbrooke wards account for over 50% of referrals. In addition, the foodbank supported a significant number of clients living in the surrounding villages including Four Marks & Medstead, Ropley, Bentworth, Binstead and Bentley.

Over 40 separate agencies can refer to Alton foodbank (Annex 2). The largest referral agency is Citizens Advice, but significant numbers of referrals come from local schools, GP surgeries, housing associations, and the local women's refuge. It is a goal of the foodbank that clients do not become dependent on the foodbank on a long-term basis. The Foodbank has a regular dialogue with the largest referral agencies to help ensure that clients are receiving the most appropriate level of support both from the foodbank and other organizations. Most clients visited the foodbank less than three times in the year.

**Report of the Trustees  
for the Year Ended 31 March 2024**

**OBJECTIVES AND ACTIVITIES**

In addition to food distributed directly to clients, the foodbank supported breakfast clubs at Eggars secondary school and Wooteys Infant & Junior school with donations of breakfast items such as cereal, cereal bars, juice and jam.

The foodbank also both donated to and received small quantities food from other foodbanks in the Trussell Trust network. This helped to ensure that stock shortages and surpluses were avoided, and that minimal food was wasted due to date expiry.

**Fresh Vegetables**

The foodbank only has the facility to distribute packaged food that is stored at an ambient temperature. Given the health benefits of consuming fresh fruit and vegetables the foodbank has established a service by which clients can request a delivery with each referral of fresh fruit and vegetables. These are purchased by the foodbank and delivered directly to the home of the client by a local firm. This service is funded by donations to the foodbank and has operated successfully throughout the year.

**School Uniform Bank**

The foodbank has continued to collect and offer school uniforms for both primary and secondary schools. If the school uniform is branded and the foodbank does not have the required items of uniform available, at the discretion of the staff it can purchase the required items from suppliers or provide a voucher for clients to use to purchase the items themselves.

During the latter part of the year the foodbank made the decision to focus more on secondary school uniforms as this is the most expensive and most in demand uniform. A separate "clothes bank" has opened in Alton that also supplies school uniforms. The foodbank has donated surplus primary school non branded uniform items to the clothes bank and the Salvation army.

**Fuel Poverty**

A significant number of clients coming to the foodbank have struggled with the recent increase in utility bills. If the client pays their energy bills via a direct debit the foodbank refers them to Citizens Advice who manage some funds on behalf of Hampshire County Council. If the client is on a prepaid meter and in danger of disconnection the foodbank can offer a COOP voucher (value of £10) for immediate top up or refer to the Fuel Bank Foundation for a larger grant.

**Citizens Advice Partnership**

It is important that clients of the foodbank do not become dependant on it and that everything possible is done to address any underlying issues that they have. As the foodbank does not possess the necessary internal expertise to support clients with their often-complex problems, it has partnered with Citizens Advice to provide dedicated client support. The foodbank has applied for and received a financial sustainability grant from the Trussell Trust. This funds a Citizens Advice worker 12 hours per week to work specifically with foodbank clients. The results achieved in 2022/23 in supporting clients led the partnership to be extended throughout the year and on into 2024/25.

**Volunteers**

The dedicated volunteer team has enabled the foodbank to run 52 weeks per year. No foodbank or warehouse sessions have been cancelled due to a shortage of volunteers

There are some 55 volunteers overall, including Trustees, who give their time to staffing the distribution centre and running the warehouse. The turnover of volunteers is low and there are regularly new volunteers wanting to join the team. Apart from repayment of specific authorised expenses no remuneration is claimed by or paid to volunteers and Trustees other than the manager and the assistant manager. It should be additionally noted that several volunteers regularly use their own vehicles to transport crates of food between the warehouse and distribution centre without payment.

**Report of the Trustees  
for the Year Ended 31 March 2024**

**OBJECTIVES AND ACTIVITIES**

It is difficult to quantify the value of the activities carried out by volunteers, however, based on an average of three persons per 2-hour session in the warehouse and distribution centre three times a week it is estimated that at least 1800 person hours is given freely by volunteers. At times such as Christmas or when there are major food collection drives there are additional ad-hoc sessions.

Although it is difficult to put a value of this volunteer activity it is likely that to provide this amount of help would be in the order of £25,000 per annum if additional staff had to be paid at the living wage.

The foodbank is incredibly grateful for the support of so many committed volunteers.

**Property and Logistics**

The foodbank operates its warehouse and distribution centre in two separate locations in Alton. In previous years stock was largely transported between locations in volunteers' cars. This was becoming increasingly challenging. Towards the end of 2022/2023 a local logistics firm, SKU, offered to support the foodbank by providing a van and driver each warehouse session to transport stock between locations.

This support has continued throughout the year and has enabled the foodbank to manage the bulk of the stock movements without putting volunteers under excessive pressure. SKU provide all support free of charge and the foodbank is extremely grateful to them.

The Trust continues to benefit from free accommodation for its warehouse facility from another charitable trust although it makes an occasional donation towards the cost of maintenance as well as paying for utilities.

The Distribution Centre operates from a shop unit in the Market Square, Alton owned by the Town Council. The lease for this was extended for two years at the end of 2023. The rent is less than market rent.

Business rates normally form a significant part of the charities unavoidable outgoings as well as the standing charges for Water and Sewage. Electricity is billed monthly by the Town Council as Landlords from their joint arrangements for the Town Hall.

**FUTURE PLANS**

Any move to future premises is on hold. The potential new site that was in discussion is subject to an ongoing dispute between EHDC and the site developers.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

**Organisational structure**

Following the skills audit carried out in 2023/23 the foodbank appointed three new trustees. I Dane (4.5.23), N Hinson (2.11.23), A Matthews (2.11.23).

T Pinchen, Chair of Trustees resigned (2.12.23). Tim has served the foodbank faithfully since its inception and the foodbank is indebted to him.

**Decision making**

The Foodbank has continued to operate as a separate entity but with close links to other Alton Charities. The foodbank continues to receive strong support from the Butts Evangelical Free Church who started the foodbank but also receives support from many other local churches.

As many of the trustees of the foodbank are involved with other local churches and charities, care is taken to ensure that all conflicts are declared and appropriately managed.

The Trust is governed by the Board of Trustees who are also the directors for Company Act purposes. The directors meet quarterly unless a special meeting is required although email decision making takes place where necessary.

The Trustees devolve day to day operations to two part time paid staff (manager and assistant). They manage the collection and distribution of food, liaising with external referral agencies and coordinating the volunteer team. They are also responsible for maintaining an operations board on which sit representatives of the local participating churches. The operations board meets quarterly or as required.

No financial fraud or safeguarding incidents were reported to the Trustees during the accounting period.
