Structure, governance and management

Chabad Lubavitch of Bournemouth is a company limited by guarantee registered as a Company in England and Wales on 1st April 2013 and as a Charity in England and Wales on 15th March 2013. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under the Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Chabad Lubavitch of Bournemouth is governed by a Board of Directors whose responsibilities include setting the strategic direction and goals of the Charity and providing effective governance.

Objectives and activities

The principal activities of the company in the year under review were to advance Orthodox Judaism as expounded by the teaching of Chabad Lubavitch and to advance the understanding of Judaism amongst people of other faiths, primarily amongst students on the South Coast of England.

Achievements and performance

The Charity continued and enhanced its core activities. Despite more difficult trading times, our 24 room hotel in Bournemouth continued the successful provision of kosher food through its delicatessen, restaurant and take away service and delivered meals to the vulnerable members of the community.

The educational activities via a successful zoom programme and in person sessions continue to be successful, with all religious services taking place throughout the year.

Achievements and performance - continued

The Hebrew school now has two additional classes and adult education program continues to grow from strength to strength with around six weekly classes and daily text sessions covering a wide variety of subjects. The young Rabbi and his wife continue their excellent work within the local community, the Jewish Society at Bournemouth University, providing weekly kosher Sabbath take away meals for the students and visits to the elderly. The teenagers group where the participants enhance their knowledge of Judaism continues to interact in person and via zoom with other similar groups worldwide.

Hospital and care home visiting and community welfare services continue to feature among our core activities and our excellent relationship with the Dorset Constabulary ensures our premises and community are safe and secure which has become even more necessary during these troubled times.

Financial Review

The charity has maintained a healthy level of achievement in all its performance targets. This has enabled sustained and new funding to be invested in future services. The Trustees are conscious of the need to further expand the Charity's fundraising in order to secure the activities of the charity.

Policy on reserves

Unrestricted reserves - It is the policy of the Trustees to seek to maintain funds which are the reserves of the Charity at a level sufficient to cover management, administration and support costs, subject to constraints arising from diminishing financial and other resources available.

Restricted reserves are funds subject to specific grants and are spent at the discretion of the Trustees in furtherance of some particular aspect of the objects of the Charity. Should a surplus arise on a restricted fund the charity will look at how to apply this in accordance with the donor's wishes. The charity's Trustees and managers are active in seeking grants for its activities. The material amount of restricted reserves relates to funding received for the freehold property shown in note 12 of the financial statements.

Policy on investments

The Charity's investments are held with the Charity's bankers and other regulated banking institutions.

Plans for the future

The company will continue to advance Orthodox Judaism as expounded by the teaching of Chabad Lubavitch and to advance the understanding of Judaism amongst people of other faiths, primarily amongst students on the South Coast of England and law enforcement agencies.

REPORT OF THE INDEPENDENT EXAMINER TO THE MEMBERS OF CHABAD LUBAVITCH OF BOURNEMOUTH

YEAR ENDED 31 MARCH 2025

We report on the accounts of the company for the year ended 31st March 2025, which are set out on pages 7 to 10.

Respective responsibilities of trustees and examiner

The trustees (who are also directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied ourselves that the charity is not subject to audit under company law and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiners report

Our examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented by those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiners statement

In connection with our examination, no matter has come to our attention;

(1) which gives us reasonable cause to believe that in any material respect the requirements;

- to keep accounting records in accordance with section 386 of the Companies Act 2006; and
- to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice Accounting and Reporting by Charities

have not been met; or

(2) to which, in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

YEAR ENDED 31 MARCH 2025

1 ACCOUNTING POLICIES

Basis of accounting

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), and the requirements of the Statement of Recommended Practice "Accounting and Reporting by Charities" issued in March 2005 (SORP 2005).

The Charity has taken advantage of the exemptions in the Financial Reporting Standard for Smaller Entities (effective January 2008) from the requirements to produce a cash flow statement on the grounds that it is a small charity.

Incoming resources

Income has been recognised gross on the basis of entitlement, certainty and measurement.

Donations, legacies and other forms of voluntary income are recognised as incoming resources when receivable, except insofar as they are incapable of financial measurement.

Fund accounting

Unrestricted funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the Charity.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts.

Resources expended

Expenditure is included on an accruals basis, inclusive of value added tax.

Costs of generating funds are those costs incurred in attracting voluntary income, in particular the costs of maintaining the Charity's profile within the sector.

Governance costs include those costs incurred in the governance of the Charity's assets and are primarily associated with constitutional and statutory requirements.

Liabilities are recognised when incurred. Provisions are only recognised when there is a present obligation as a result of past events.

Tangible fixed assets

All fixed asset initially recorded at cost

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows

Fixtures and fittings - 15% per annum straight line

Motor vehicles - 25% per annum straight line

Going concern

No material uncertainties that may cast significant doubt about the ability of the company to continue as a going concern have been identified by the trustees.
