Moo Haven Rescue

Report of The Trustees for the year ended 1st November 2023

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Recruitment and appointment of new trustees

New trustees are usually recruited by the existing trustees from the members although applications are always considered from interested parties. Training is provided to all new trustees by the board.

Organisational Structure

The board of Trustees meets as required. All operational decisions are made by the board with no such powers delegated to staff members

Risk Management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

OBJECTIVES AND ACTIVITIES

History, Objectives and Activities of the Charity

Moo Haven became a registered charity on 19th April 2013, since successful registration we have concentrated on increasing our public profile in order to increase income to stabilise our finances for the future, this includes attending regular public events; increasing online publicity and distribution of collection boxes amongst local shops.

Our objectives are to relieve pain and suffering in animals particularly horses and ponies by providing veterinary care and rehabilitation (often righting peoples wrongs) when required in order to be able to find them a new home when recovered however, a number of ponies do have to stay within the rescue for life due to ongoing medical care and management. This year has seen a significant increase in the request for horse therapy, we believe this to be covid related as many young peoples mental health has suffered. We now have a trained counsellor on site to incorporate animal healing.

ACHIEVEMENTS AND PERFORMANCE

As in previous year's we have tried various methods of raising money including, fun/open days, collection tins, attending public events, holding car boots and have opened the doors of our premises to visitors. We run a successful school holiday club and pony sessions this has proved to be a favourite with our local community - we will promote this in the coming year so we can continue to grow.

The summer house purchased 6 years ago is still used as a classroom for activities with special needs children and adults with learning difficulties, and is used for permanently excluded students that practice animal therapy with our rescue animals. The second summerhouse for gardening enthusiasts, which has wheelchair access, is being used and has proved to be a huge success, the summerhouse also hosts a therapist on Mondays and Wednesdays.

We continue to build up a strong volunteer base, who help with the daily hands on with the horses and some who help on the fundraising side. We also have a very close relationship with our vets Home Farm Equine Ltd and local businesses.

Our main aim for 2024 is to carry on with extra places to assist the need of under privileged people who will benefit from animal integration we have seen a huge success this year and have offered four training courses for otherwise 'unemployable teenagers'. We will continue to hold farrier clinics as we have seen a few students exploring the possibility of employment through farrier apprenticeships. We are proud to say our stable hand who joined us on a government scheme, then chose to complete her apprenticeship has chosen to stay with us. We will be shortly (funding dependant) be offering another apprenticeship, we also have 1 full time volunteer along with 5 part time volunteers.

Public Benefit

The charity meets the public benefit requirement of caring for sick, injured or homeless animals.

Risk Assessment

We have a risk of infectious diseases to which we stay alert to, and call upon the professional knowledge of our Vets Home Farm Equine Ltd to reduce the likelihood of such diseases spreading. We work with horses (especially young and unhandled) to which we take steps to avoid as best as we can by, alerting everyone who comes in contact of the horses of the potential dangers and health and safety procedures we require i.e. protective hats/footwear. All our volunteers are required to sign a contract of employment, which also outlines safety procedures required. All DBS certificates, riding licence and insurance are kept up to date.

FINANCIAL REVIEW, INVESTMENT POLICY AND RESERVES

The attached accounts show the current state of the finances for the charity, over the last 12 months we have tried various methods of raising funds. Those that have been successful (in previous years) will continue to operate into 2024 and also applying for grants to make improvements to our new site, which we moved to in April 2016. We have lots of plans for the future all of which take the charity forward, and make it more financially supported. We are especially excited to be working with more vulnerable children who are flourishing working with animals.

Reserves Policy. It is the policy of the Charity to maintain unrestricted funds, which are the free reserves of the Charity, and remains available in case of need. The Trustees regularly discuss the portfolio of the charity and future requirements of the charity. The Trustees believe that it is prudent to ensure that there are sufficient funds to provide financial flexibility for the current running and future development of the Charities objectives and unforeseen events.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and which enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provisions

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

Approved by order of the board of trustees on 29th August 2024 and signed on its behalf by:

Mrs Linda Marie Hughes

Independent Examiners Report to the Trustees of

Moo Haven Rescue for the year ended 1st November 2023

We report on the accounts for the year ended 1st November 2023 which are set out on pages 4 to 10.

Respective responsibilities of trustees and examiner

The charity's trustees (some of who are also the directors for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144 of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

Having satisfied myself that the charity is not subject to audit under Part 16 of the Companies Act 2006 and is eligible for independent examination, it is my responsibility to:

Examine the accounts under section 145 of the 2011 Act:

- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention

(i) which gives me reasonable cause to believe that in any material respect the requirements:

to keep accounting records in accordance with section 386 of the Companies Act 2006; and

to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the Charities Statement of Recommended Practice (FRS102)

have not been met; or

ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
