King's Church Iver

Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 March 2023.

Objectives and activities

Objects and aims

The charities objectives are the advancement of the Christian faith, to advance education and to carry out other charitable purposes in the UK and/or other parts of the world.

Objectives, strategies and activities

The main activities undertaken by the charity are the running of a Christian non-denominational church open to all, providing charitable donations to other organisations and providing outreach and support to the local community.

Public benefit

The trustees have considered the guidance produced by the Charity Commission on the provision of public benefit and they confirm that public benefit has been provided by:

- Providing regular public worship open to all
- Conducting pastoral work
- Teaching Christianity through sermons, courses and small groups
- Promoting the whole mission of the church through activities for senior citizens, parents and toddlers and various other groups
- Supporting other charities in the UK and overseas

Structure, governance and management

Nature of governing document

The charity is governed by its constitution adopted 12 July 2012 and subsequently amended 19 November 2013.

Recruitment and appointment of trustees

The King's Church Iver constitution states that an elder is automatically a trustee unless disqualified by statute. Existing elders recommend the appointment of any new elder/trustee from within the church membership. This recommendation is taken to an ordinary church meeting and voted on by the church members.

Achievements and performance

The Church Building

We want our church building to be used regularly and consequently it is open daily for church activities or for members of the public to drop in. We do not have a pastor but the building is manned by our two part time staff and other volunteers.

Activities

During the week the building is primarily used by the church for prayer meetings, bible study groups, mother and toddler groups, a weekly café and a fortnightly food bank. The church building is also used by other non Christian groups when the building is available.

Pastoral Care

Helping those in need is a demonstration of our faith and the church as a whole is committed to providing pastoral care to individuals and groups, bringing in specialists when needed.

Mission and Outreach

The church actively supports UK and international charities and individuals to further their work in showing God's love and spreading the Christian message.

Financial review

The church funds are predominately unrestricted and received from the church members and others. These donations are received directly to the church bank account or via collections at church services, church events and payments for the hire of the church hall.

Income for the year reduced to £92,717 (2022: £111,469). Costs increased slightly in the year to £85,213 (2022: £84,478) and despite this and the reduced income the church made a surplus in the year of £7,504 against the previous year's surplus of £26,991.

Policy on reserves

At the end of the year the church had reserves of £175,383. The church aims to maintain minimum reserves of approximately three months fixed costs to ensure that expenses can be met in the event of a reduction in giving. The church has no current plans for the remainder of the reserves. On occasions the church invests surplus cash by placing it on fixed deposit.

Use of volunteers

The church, apart from a part time administrator and a part time outreach co-ordinator/administrator, is completely managed and run by volunteers. We would like to thank all the volunteers who work so hard to make our church the lively, vibrant and loving community it is.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 04/10/23 and signed on its behalf by:

Independent Examiner's Report to the trustees of King's Church Iver

I report to the trustees on my examination of the accounts of King's Church Iver for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity trustees of King's Church Iver you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the King's Church Iver's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Basis of independent examiner's report

My examination was carried out in accordance with the general Direction given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of King's Church Iver as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

King's Church Iver

Notes to the Financial Statements for the Year Ended 31 March 2023

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

King's Church Iver meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Donated services and facilities

Where services or facilities are provided to the charity as a donation that would normally be purchased from our suppliers, this benefit is included in the financial statements at its fair value unless its fair value cannot be reliably measured, then at the cost to the donor or the resale value of goods that are to be sold.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to that category.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs are the central costs incurred by the Church.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements.

King's Church Iver

Notes to the Financial Statements for the Year Ended 31 March 2023

Taxation

The charity is exempt from tax on its charitable activities.

Tangible fixed assets

Depreciation is provided on tangible fixed assets so as to write off the cost of each asset over its expected useful economic life as follows:

Asset class	Depreciation method and rate
Furniture & equipment	10%, 20% & 25% on cost
Computer equipment	25% on cost

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes (e.g. in the case of a collection towards a specific charitable aim).

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes. There are currently no designated funds.
