St Michael's Southfields

Trustees' annual report (including directors' report)

Aim and purposes

The aim of St Michael's Southfields is the advancement of the Christian faith, mainly within the confines of the Ecclesiastical Parish of St Michael's Southfields and the surrounding areas. This aim is to be achieved through the provision of recreational and other facilities, namely at Brathway Hall, Southfields, for those in need by reason of their age, infirmity or disability, financial hardship or social and economic circumstances, or for the public at large in the interests of social welfare. The object of such activities is to improve the condition of life of said inhabitants. The objectives are carried out as a proclamation of the beliefs set out in Article 8 of the Articles of Association dated 14 December 2012 (date of incorporation 19 December 2012).

Objectives and activities

The main objectives of the financial year were:

1. Ensure the smooth occupation of the apartments situated above Brathway Hall.
2. Ensure the continued maintenance of the hall and apartments.
3. To arrange a programme of activities such that the hall would be used for its intended purpose. The purpose of the community hall is to provide facilities and services in line with the charitable objectives of St Michael's Southfields including: - community feeding programmes - facilities and services for the homeless - activities for the elderly - services for disadvantaged families and individuals and many more facilities and services to be agreed by the trustees.

Achievements and performance

The monthly Friday evening Ukrainian Supper, for the refugees fleeing the war in Ukraine, continued throughout the year and was well attended and much appreciated by the Ukrainian community. The hall was regularly used to cook soup for Sparkle, the intergenerational project that runs twice a week at St Stephen's Church and started a weekly session at St John the Divine Church, Earlsfield towards the end of 2024. The hall was also used throughout December 2024 to prepare food bundles for those experiencing hardship at Christmas. 170 Christmas hampers were distributed to families in need.

St Michael's Church regularly used the hall for children's and youth activities as well as staff and volunteer training days.

The hall was used throughout the year by Wandsworth Home Tuition Service, to provide tutoring to children that could not attend school. Many of these children had found it difficult to return to school following the Covid pandemic. Occasional hirers and users included NCT (National Childbirth Trust) courses, a weekly NA (Narcotics Anonymous) group, a local Rainbows pack and Little Explorers, a toddler group. There were also several one-off hirers during the year.

The apartments above the hall were occupied throughout the year by employees of St Michael's Church.

The alternative contractor that was engaged to complete the snagging works on Brathway Hall, suffered delays on his other projects, therefore this work is still ongoing and completion is now expected by the end of 2025.

Financial review

Total income was £33,318 in 2024 (2023: £28,703), which was predominantly derived from rental income from the two apartments at Brathway Hall. There was no grant income in the year (2023: £820). Church workers rented the apartments at a subsidised rent generating rental income of £25,800 (2023: £22,334). £7,323 (2023: £5,445) rental income was received for the hall bookings that took place during the year.

Expenditure for the year of £32,167 (2023: £33,426) consisted of £11,861 (2023: £12,935) in respect of utilities, cleaning and insurance, £15,000 (2023: £15,000) of staff costs were paid to St Michael's church for use of their staff and £2,255 (2023: £2,270) of accountancy fees, bank charges and sundry expenses. No interest was payable in the year (2023: £170) following the repayment of the mortgage in 2023. Depreciation of £3,051 (2023: £3,051) was charged on the fixtures and fittings. A surplus of £1,151 was generated in the year (2023: deficit of £4,723).

The directors have assessed the land and building to be valued at an open market value of £1.245m as at 31 December 2024 (2022: £1.245m). At the end of the year there was a cash balance of £24,164 (2023: £20,343).

St Michael's Southfields

Reserves policy

The reserves policy aims to maintain a balance on free reserves, being net current assets, of at least 3 months payments. At year end net current assets totalled £22,476 (2023: £18,274). Three months unrestricted payments are estimated to be £6,000.

St Michael's Southfields

Statement of the responsibilities of the trustees

The trustees (who are also directors of St Michael's Southfields for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the trustees are aware:

- there is no relevant information of which the charitable company's examiner is unaware; and
- the trustees have taken all steps that they ought to have taken to make themselves aware of any relevant information and to establish that the independent examiner is aware of that information.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website, if applicable. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The Company has taken advantage of the small companies' exemption in preparing the report above. The trustees declare that they have approved the trustees' report (including directors' report) above.

Independent examiner's report

Report to the trustees of St Michael's Southfields on the accounts for year ended 31 December 2023 (Charity Registration number: 1151881; Company Registration number: 08337329)

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2024.

As the charity's trustees (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b)) of the 2011 Act.

I have completed my examination. I confirm that no material matters have come to my attention which give me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements For the year ended 31 December 2024

1. Basis of preparation

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.

The accounts present a true and fair view and no changes have been made to the accounting policies disclosed below.

Going concern

Having considered the forecast activity for the 12 month period from the date of the approval of these financial statements, the directors have prepared the financial statements on the basis of going concern.

Accounting policies

Income: Recognition of income: Income is included in the Statement of Financial Activities ('SOFA') when the charity becomes entitled to the resources, it is more likely than not that the trustees will receive the resources and the monetary value can be estimated with sufficient reliability.

Offsetting: There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.

Grants and donations: Grants and donations are only included in the SoFA when the general income recognition criteria are met.

Tax reclaims on donations: Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.

Interest income: This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.

Liability recognition: Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Interest payable: This is included in the accounts when payment is probable and the amount payable can be measured reliably.

Tangible fixed assets – land and buildings: Upon completion of the construction of the asset, the cost of the land and buildings (excluding the social investment – see below) was transferred out of assets under construction. The land and buildings are held at valuation less provision for any impairment.

Tangible fixed assets – fixtures and fittings: Upon completion of the construction of the asset, the cost of fixtures and fittings, was transferred out of assets under construction. Fixtures and fittings are held at cost, net of depreciation and provision for any impairment. Depreciation is provided to write off the cost, less estimated residual value, on a straight line basis over its expected useful economic life. The useful economic life has been determined as 10 years.

Fixed assets – Social investment: Social investments include programme related investments which are held specifically to enable third parties to undertake particular activities using the asset that contribute to the charitable objectives of St Michael's, Southfields. Upon completion of the construction of the asset, the cost of the social investment was transferred out of assets under construction. The social investment, being the apartments made available for church workers at subsidised rent, are held at valuation less provision for any impairment.
