- select suitable accounting policies and then apply them consistently;

New trustees were appointed post balance sheet date as follows; Kade Monde (13.03.2021) , Mr Francis Jatto (13.03.2021), Mr Sheriff Eletu (13.03.2021).

Aims and purpose

The Redeemed Christian Church of God Victorious Family Parish is a Christian church which seeks to fulfil our purpose and calling as followers of Jesus Christ. Our main objective is to promote the gospel of our Lord Jesus Christ according to the doctrines and practices of the Redeemed Christian church of God and the alleviation of poverty. This we do in many ways as outlined in the report below. It is our belief that as we witness the love and blessings of God in our Christian community, we in turn are able to extend this to the larger society and draw others unto Jesus.

Objectives of the charity, principal activities and organisation of our work

The main objectives of the charity are:

1. The furtherance of Christianity and the Christian education.
2. Provision of a suitable atmosphere where Christian principles can be taught and developed within our community
3. Establishment of a church open to all nations and nationalities where the practical Christian principles will be taught and experienced.

REDEEMED CHRISTIAN CHURCH OF GOD VICTORIOUS FAMILY PARISH

Report of the Trustees

for the year ended 31st December 2020

As a church charity, our focus remains seeing how we can develop, nurture and encourage members of our community to be the best they can be, maximising every opportunity they have available to them. The purpose was to then deploy them to go out into the wider community to be a blessing.

Through a myriad of services conducted both within and in partnership with other sister churches within and outside of our denomination, lives have been impacted using seminars, trainings, prayer gatherings, practical fund-raising events, mission focused projects and joint fellowship.

We continue to engage in the motivation of her members to develop fully their potential in every area of endeavour spiritually, mentally and physically.

Developments, Activities and Achievements in the year from January 2020 - December 2020

Covid-19 Changed Everything

The year 2020 started on a high note, full of enthusiasm and hope for another fruitful year sadly the Covid-19 pandemic hit and dramatically changed the course and the focus of the church Charity in many ways. The impact was felt from March when the nationwide lockdowns was announced and the attendant impact on membership attendance, voluntary donations to the church income as well as means of serving our community in the light of the pandemic

We recognised that there were quite several families across our communities where the main earner was self employed and could not qualify for the furlough scheme announced Central Government, other homes consisted of single parents who could not work because they were shielding, still others had a complete cut in income as the nature of their work was such that it could not be done from home or online. These realities brought about by Covid-19 led to the strengthening of the welfare policy to expand it to cater for these categories of people in the community we serve. We sought extra funding from Kent Community Fund for funding emergency Covid-19 relief food packs to the community in line with our public benefit mandate. We also joined with the Love your neighbour Scheme led by a coalition of churches across England in partnership with the Department of Culture, Media, and Sports (DCMS) to prepare and distribute food packs monthly to those at risk of food poverty. This continues till date as part of our support during the pandemic season and beyond.

Impact of Covid-19 on Service Attendance

During this year, Victorious Family Parish had to devise new ways to continue its pursuit of being a community church at the heart of Medway welcoming of all nations and remaining a light to all. We as an organisation quickly moved our in-person services online making the necessary investments needed to be able to broadcast our services via the Facebook and YouTube platforms. In addition to this, we had to upgrade our provision of support especially to those who were vulnerable both within the church and larger community of Medway towns.

The successive lockdowns during the year meant we had to reorganise the seating to reduce capacity in the hall and introduce pre-booking for attendance to the 'in-person services' when they were finally allowed in September. The trustees and leadership suspended the operations of the children church and moved this online to keep our children safe. Till date many of the congregations continue to engage with the services online. To further support the congregation during this time aside from the monthly food pack delivered to at least 15 families, many online pastoral prayer times have been introduced, a section of the hall is designated as a mini foodbank where anyone in need could collect food during any of our services.

The church has continued to develop strategic partnerships with like-minded organisations and churches to pursue her aims and objectives. She continues to serve as a watch tower church interceding in prayers for local, regional as well as national issues facing our country. This financial year has also seen the church continue her support for other local charitable organisations through regular donations and support in every way possible.

Church Joint Mission Partnerships - Online

Saints Alive interdenominational evening of joint worship of churches across Medway Towns on 31st October featured a pre-recorded service across a social media platform.

Joint interdenominational prayers by churches in Medway Towns for missions across Medway on 28th November.

Christmas Connect joint carol service by churches across Medway on the 6th December at the KICC Prayer city, Buckmore park, Chatham featuring Mark Ritchie. This was a limited – in person event broadcast online across various media.

As part of our drive to be a blessing to all members of the public under our public benefit agenda, the year saw the church unable to partner with Operation Christmas child again to collect shoe boxes for distribution to children across the globe could not hold due to the pandemic restrictions.

REDEEMED CHRISTIAN CHURCH OF GOD VICTORIOUS FAMILY PARISH

Report of the Trustees

for the year ended 31st December 2020

We have continued our ongoing support for the following charities: **Christ the Redeemer (Bible) College (CRC), African Missions, Compassion Charity** with whom the charity actively encourages groups and members in the church to similarly sponsor children as a way of taking them out of the poverty line in various parts of the world irrespective of creed, gender, colour or religion.

Special Programmes the Church Held

This year, the church turned 16 and because of the pandemic, celebrations were scaled back and done online only.

As part of our drive for community impact, a community BBQ scheduled to hold on the last Sunday in August to provide an atmosphere to bring the community together irrespective of race, religion, orientation in an afternoon of fun, fellowship and feasting together for all ages was sadly postponed due to the ongoing pandemic following a risk assessment.

During this financial year, the operational base for the regular in-person meetings of the Church when allowed has remained the Dock Road Chatham and we have continued to develop the premises to make it available for the community. To keep the connectivity and interactivity of the services, we moved on to the Zoom platform simultaneously broadcasting to our Facebook page.

We have continued to work closely with other Christian organisations within Medway and are fully affiliated to **Churches Together In Medway (CITM)** an umbrella organisation for all Christian groups within the Medway towns focused on bringing the Christian faith alive in our communities.

The church continues to support fully National and international commitments of the RCCG Worldwide and U.K. Executive leadership in line with our agreement of common purpose. The Church charity was not able to make regular monthly contributions to the **World Evangelisation Mission Fund (WEM)** this year due to the disruption caused by the pandemic. However, this was provided for in our books. It is hoped that this would resume in the new year. Similarly, the church donated where we could to the appeal funds of fellow churches in line with our charitable status and desire to also give a helping hand to others even as we receive help ourselves. We also joined the RCCG churches in the UK to participate fully in Online National programmes and events such as the UK version of the Holy Ghost services called **Festival of Life (FOL), Bible College weekend, Annual Sunday school Conference, Elders' weekend**, and many others.

Future Developments

The charity aims to work hard in the new year to recover from the impacts of the pandemic in all areas of her work strengthening and consolidating on improvements and innovations made in service delivery. We look to continue to extend its activities to all age groups within the immediate community in line with our vision of being a church for all nations and nationalities where every one is welcome to fully enjoy the love of Christ howbeit within the guidelines concerning Covid - 19. As an organisation, we remain at the forefront of encouraging those especially of ethnic minority backgrounds to be vaccinated and follow guidance to keep themselves and others around them safe. It is our vision that we will fully develop the media resources at the permanent venue to be able to do more to serve our community better even as we pursue the possibility of serving through community-based projects such as food bank provision, advice centre subject to the availability of funds and volunteers.

Public Benefit Statement

In determining how best to pursue the charity's objects the trustees have had regards to the Charity Commission's guidance on public benefit and are involved in Christian Outreach Programmes designed to increase Christian awareness and spread the gospel of our Lord Jesus.

FINANCIAL REVIEW

Review of Financial Position

Please refer to the annexed accounts for the details of the financial statements for the year ended 31st December 2020.

The trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets (the free reserves) held by the church should be six months of annual expenditure. At this level, the trustees feel that they would be able to continue the current activities of the charitable company in the event of a significant drop in funding. Consequently, the basis at which the charity's going concern is reviewed is considered appropriate and there are no material uncertainties.

REDEEMED CHRISTIAN CHURCH OF GOD VICTORIOUS FAMILY PARISH

Report of the Trustees **for the year ended 31st December 2020**

Liquidity

It is the policy of the charity to maintain unrestricted funds which are the free reserves of the charity at a level which equates to approximately four months unrestricted expenditure. This provides sufficient funds to cover management, administration, support costs and emergency expenditure that might arise from time to time. The unrestricted funds are maintained at this level as a result of significant reserves entrusted to the RCCG 'Victorious Family Parish'.

Risk Management

The trustees actively review the major risks which the charitable company faces on a regular basis and ensure measures and policies are put in place to safeguard charity funds and assets. The trustees also ensure that legal advice is sought when necessary on crucial issues concerning the charity and ministry.

The Church liability insurance is reviewed on a regular basis.

The cash handling procedures set up a few years ago is felt to be adequate in collecting, recording and banking voluntary income.

Cheques are signed by at least two signatories at any one time.

Any potential hazards or issues which come to the attention of the leadership team of the RCCG Victorious Family Parish' 'are dealt with immediately.

An up to date Child protection policy to safeguard all children who attend our meetings is in place.

Reserves Policy

The commission requires charities to determine and explain their policy for reserves. The trustees have reviewed its free reserves policy and have turned its entire free unrestricted fund into an emergency fund to enable the charitable company meet its obligation in event of a shortfall in income or sudden upturn in expenditure.

The charity has enough in its reserve to cover one year's operating expenditure. The charity is accumulating its reserve in order to provide for any future capital expenditure as the charity plans to fully refurbish its own place of worship in the future months ahead. The charity principal funding sources continues to be individuals who attend services and make contributions in form of freewill offerings, tithes and other donations. The charity also obtain funds through aggressive fund raising for the new project at hand.

Furthermore, the trustees meet quarterly to review the reserve level. If the value of the reserve falls below a level unacceptable to the trustees, the appropriate action will be taken immediately to rectify the situation.

MEMBERS' LIABILITY

The board of trustees of the charitable company guarantees to contribute an amount not exceeding £1 to the assets of the charity in the event of winding up.

The board of trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiners's report to the trustees of REDEEMED CHRISTIAN CHURCH OF GOD VICTORIOUS FAMILY PARISH.

RESPECTIVE RESPONSIBILITIES OF THE TRUSTEES AND THE EXAMINER

The charity's trustees who are also directors of the company are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act'). The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 145 of the 2011 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

BASIS OF EXAMINER'S STATEMENT

My examination was carried out in accordance with the General Directions given by the Charity Commission under section 145(5)(b) of the Act. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

EXAMINER'S STATEMENT

In connection with my examination, I confirm that no material matters have come to my attention:

1. which gives me reasonable cause to believe that in any material respect the trustees have not met the requirements to ensure that:
 - proper accounting records are kept (in accordance with section 41 of the Act); and
 - accounts are prepared which agree with the accounting records and comply with the accounting requirements of Act; or
2. To which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
