THE C.R.U.M.B.S. PROJECT
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2020

The Trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report, incorporating the directors' report, with the financial statements for the charity for the year ended 31 December 2020.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011, the Companies Act 2006 and with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective January 2019) and the Financial Reporting Standard 102 'Financial Reporting Standard applicable in the UK and Republic of Ireland' section 1a.

OBJECTIVES AND ACTIVITIES

Charitable Objective

"The promotion of education and social inclusion of disadvantaged individuals with....by providing learning and training designed to assist in progress towards better employment and a more independent life through vocational training...."

The charity carries out those objectives through providing professionally recognised training in catering, housekeeping and administration that provides opportunity for trainees to achieve Institute of Hospitality endorsed awards at foundation certificate, certificate and diploma levels.

Education and social inclusion through training is key to fulfilling the charities objectives and all activities are measured against those objectives.

Public Benefit

The trustees are mindful of the requirements for meeting the public benefit test. The charity provides pre-employment professional and vocational education and training for those with mental illness, stabilised addiction and a range of learning disabilities while providing a food service to the local community. It is felt this satisfies such criteria.

THE C.R.U.M.B.S. PROJECT
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2020

ACHIEVEMENT AND PERFORMANCE

Crumbs is a small charity that has, along with the wider charity sector, been impacted by the pandemic over a prolonged period of time. The need to rethink, refocus and re-engineer the work of the charity has been essential to ensure both its long term resilience and that it can meet its charitable objectives in the post Covid, economic and social environment.

The trustees have undertaken a comprehensive review of all of the activities of the charity as part of the resilience planning for the future of the charity and have recognised that there was a financial imperative to take action to secure a more resilient financial position and that the core training objectives were central in any restructuring. In reviewing all of the charities activities, those activities were tested against the charitable objectives and the financial considerations. This process has led to the withdrawal from commercial food service activities given the volatility and uncertainty in the types of community related services that were being provided, and concern that pressure to provide those services would distract from the training objectives.

This restructuring led to a number of redundancies, and has now been completed. The new organisational structure is considered to be fit for purpose in delivering as primarily a training organisation.

Pre-pandemic trainees would attend our professional training centre for all aspects of their programme. In order to maintain engagement with the trainees during the lockdown periods a number of strategies were put in place to facilitate continuation of the programme, but also to further engage the trainees and their development in the use of digital technology, especially as it affects their everyday lives. This hybrid model has proven to be very successful and will remain a feature of the vocational and pre employment training.

The charity has received Government interventions in relation to furlough payments whilst closed and a local authority recovery grant.

FINANCIAL REVIEW

The unrestricted funds on the income & expenditure account shows a surplus of £11,970 for the year after depreciation of capital equipment of £14,195.

In addition a further £2,733 was spent on new capital equipment in the year.

The balance on the restricted funds of £51,207 is higher than expected; largely due to the Trustees decision to delay purchasing a replacement vehicle (£17,325) due to uncertainty caused by Covid closures, and a donation received in December distributed in January.

The restricted funds income does not include £88,842 of deferred grant income mainly relating to future staffing costs, compared with £86,260 for the previous year.

Reserves Policy

The trustees consider £170,000 representing approximately six months of salaries and overhead expenses is a reasonable amount to be kept as unrestricted free reserves. At the balance sheet date this figure stands at £182,599.

Investment policy & objectives

In view of the nature of the Project, funding reserves are considered best held as cash accounts with CAF Bank, Hodge Bank, and Shawbrook Bank.

FUTURE PLANS

Non-financial aims and objectives 2021

The organisational restructuring and focus on training supports the aim of increasing the number of funded trainees whilst developing a wider engagement through a lottery funded project to give trainees a great voice in their future and their lives.

The charity will be working with the local authority to explore additional training funding streams as well as to better understand the actual cost of training compare to the fees actually received.

To manage the return to training in a Covid secure manner and enhance the professional skills aspect of the vocational training and raise the aspirations of the trainees. This will be achieved through changing the training structure as well as initiatives such as providing new professional uniforms for the trainees.

Opportunities to enhance the work experience for trainees are now in hand through developing long-term relationships with a number of national catering food service companies that have a good local presence.

The online and digital presence for the trainees will continue to be improved through the online Crumbs Campus where 40+ online learning resources are now available. Support has also been received from funders to purchase additional laptops to facilitate the online opportunities for trainees who may not have such devices. A project funded through a digital recovery fund has allowed the charity to pilot a new content management system that can be customised directly to individual charity needs.

THE C.R.U.M.B.S. PROJECT**

Independent examiner's report to the trustees of The C.R.U.M.B.S. Project ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2020.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a registered member of Association of Chartered Certified Accountants which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective January 2019), Financial Reporting Standard 102 'Financial Reporting Standard applicable in the UK and Republic of Ireland' & its Section 1A and the Companies Act 2006. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value. The presentation currency of the financial statements is pound sterling (£) and the accounts are rounded to the nearest £1.

Financial reporting standard 102 - reduced disclosure exemptions

The charitable company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Donated services and facilities

Donated services or facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use by the charity of the item is probable and that economic benefit can be measured reliably. On receipt, donated services and facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

The time of volunteers is not recognised, refer to the trustees' annual report for more information about their contribution

Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.
